Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers; Compensatory Arrangements of Certain Officers.

On February 25, 2015, the Board of Directors of Community Health Systems, Inc. (the “Company”), upon recommendation of the Compensation Committee of the Board of Directors (the “Compensation Committee”), met and approved certain compensation arrangements for the Company’s Named Executive Officers. The Company’s Named Executive Officers are each employees of the Company’s wholly-owned subsidiary, CHSPSC, LLC, and receive no compensation for their services as an officer of the Company. We have included an additional executive officer, Rachel A. Seifert, in this report; Ms. Seifert is expected to be included as a Named Executive Officer in our definitive proxy statement for our annual meeting of stockholders for 2015. The following arrangements were approved:

Incentive Compensation Payments for 2014 under the 2004 Employee Performance Incentive Plan

The following payments in respect of fiscal year 2014 incentive compensation targets, under the Company’s 2004 Employee Performance Incentive Plan (the “Cash Incentive Plan”) were approved, the Named Executive Officers having been found to have met the levels of their performance goals indicated below:

Name and Position	Percentage of Total Target Incentive Compensation Opportunity Attained	2014 Incentive Compensation Payment
Wayne T. Smith, Chairman and Chief Executive Officer	92% of target	\$ 4,117,500
W. Larry Cash, Director, President of Financial Services and Chief Financial Officer	92% of target	\$ 1,464,000
David L. Miller, President and Chief Operating Officer	90% of target	\$ 1,255,100
William S. Hussey, Division President, Division Operations	94% of target	\$ 913,250
Thomas D. Miller, Division President, Division Operations	63% of target	\$ 614,250
Rachel A. Seifert, Executive Vice President, Secretary and General Counsel	90% of target	\$ 813,000

The variation in the percentage of targets attained for the Company’s CEO, CFO, the COO, and the Executive Vice President, Secretary and General Counsel (the “EVP/GC”) as compared to the attainment levels for each of the Division Presidents, is explained by the difference in the elements of their respective plans. The plans for the CEO, CFO, COO and the EVP/GC include only Company level goals, but the Division Presidents’ plans include margin improvement and other goals related the performance of the hospitals, as well as the employed clinical providers, within their respective markets.

2015 Incentive Compensation Targets

The Compensation Committee has also established performance goals for each of the Named Executive Officers for fiscal year 2015 under the Cash Incentive Plan. For fiscal year 2015, the incentive compensation plans established by the Compensation Committee include the following components:

- The total maximum incentive compensation attainable is as follows (expressed as a percentage of the executive's base salary):

Position	2015 Plan Maximum
CEO	300%
CFO	200%
COO	200%
Division Presidents	150%
EVP/GC	150%

- The incentive compensation targets for the CEO and the CFO include a component for relative Total Shareholder Return (1 year) relative to a peer group consisting of selected companies in the Healthcare Facilities Group. Up to 20% of their respective salaries can be earned (or, 6.7% and 10.0%, respectively of their total incentive compensation amount) if the maximum target of above the 65th percentile is attained.
- An incentive opportunity is included for the attainment of specific non-financial performance improvements. The incentive compensation to be awarded for the attainment of non-financial performance improvements has been set at 25% for the CEO, CFO and COO and at 10% for each Division President and the EVP/GC; these amounts will be reduced if the performance improvements are not attained. Any such reduction will be determined in the discretion of the Compensation Committee. The 2015 non-financial performance criteria include such items as: successful physician and mid-level practitioner recruitment efforts; maintaining expenditures within the established capital budget; maintaining/improving the prior year's overall clinical compliance; volume, revenue, and earnings growth and total shareholder return, relative to industry peers; and achieving revenue growth objectives tied to Affordable Care Act implementation.
