Explanation of Responses:

- The performance objectives governing these shares of Performance Based Restricted Stock have been met, and, accordingly, these shares will now be reported in Table 1 as directly owned shares of Restricted Stock. The time-vesting restrictions lapse in 1/3 increments on the first, second and third anniversary of the date of grant.
- Pursuant to the terms governing the award, the Company has achieved the cost savings ("synergies") from the Health Management Associates, Inc. ("HMA") merger transaction that were required to be achieved during the first two years following the HMA merger transaction, and, accordingly, the performance-based restrictions on the remaining portion of the award have lapsed as of the second anniversary of the date of grant. All such shares will now be reported on Table 1 as directly owned shares of Restricted Stock. There is also a time-vesting element. The time-vesting restrictions lapse in equal installments on the second and third anniversary of the date of grant.
- Each performance based restricted share represents a contingent right to receive one share of CYH common stock. There are two elements to the lapsing of the performance-based restriction; first, the Company must achieve specified targeted amount of adjusted EBITDA or net revenue from continuing operations, and if the performance objective is met, the time-vesting restrictions will lapse in 1/3 increments on the first, second and third anniversary of the date of grant. If the performance objectives are not met, the shares will be forfeited.
