Item 1.01 Entry into a Material Definitive Agreement

On November 18, 2016, CHS/Community Health Systems, Inc. (“CHS”), a wholly-owned subsidiary of Community Health Systems, Inc., and certain of CHS’ subsidiaries (the “Originators”) amended their existing accounts receivable securitization program (the “Receivables Facility”) with a group of conduit lenders and liquidity banks (the “Lenders”), Cr dit Agricole Corporate and Investment Bank, as a managing agent and as the administrative agent (the “Administrative Agent”), The Bank of Nova Scotia, as a managing agent, and The Bank of Tokyo-Mitsubishi UFJ, Ltd., as a managing agent.

In connection with the amendment of the Receivables Facility, CHS and certain of CHS’ subsidiaries entered into a Sixth Omnibus Amendment of the Receivables Facility in which the Receivables Sale Agreement, Receivables Purchase and Contribution Agreement and Receivables Loan Agreement were amended to extend the facility scheduled termination date in respect of a \$450 million portion of the commitments thereunder and amend certain other provisions thereof.

Pursuant to the Receivables Sale Agreement, dated as of March 21, 2012 (as amended through November 18, 2016, the “Sale Agreement”), among the Originators, CHSPSC, LLC (as successor-by-conversion to Community Health Systems Professional Services Corporation), as the collection agent (the “Collection Agent”), and CHS, the Originators agreed to sell all existing and future health care accounts receivable, other than self-pay, originated by the Originators during the term of the Receivables Facility (collectively, the “Receivables”) and other related assets to CHS in exchange for cash and subordinated notes. The Originators and CHS intend for the transactions contemplated by the Sale Agreement to be true sales to CHS by the respective Originators.

Pursuant to the Receivables Purchase and Contribution Agreement, dated as of March 21, 2012 (as amended through November 18, 2016, the “Purchase Agreement”), among CHS, the Collection Agent and CHS Receivables Funding, LLC, a bankruptcy-remote, special purpose limited liability company and a wholly-owned subsidiary of CHS (“CHS Receivables”), CHS agreed to sell or contribute Receivables and other related assets to CHS Receivables in exchange for cash and/or equity. CHS and CHS Receivables intend for the transactions contemplated by the Purchase Agreement to be true sales or absolute contributions to CHS Receivables by CHS.

Pursuant to the Receivables Loan Agreement, dated as of March 21, 2012 (as amended through November 18, 2016, the “Loan Agreement”), among CHS Receivables, the Administrative Agent, the Lenders party thereto, the financial institutions party thereto as managing agents for the conduit lenders, and the Collection Agent, CHS Receivables agreed to grant security interests in its Receivables and other related assets to the Administrative Agent in exchange for borrowings from the Lenders of up to \$700 million outstanding from time to time based on the availability of eligible Receivables and other customary factors. Borrowings will be funded by either (i) the issuance of asset backed commercial paper by the conduit lenders or (ii) drawing under the committed liquidity facility provided by the liquidity banks. The lenders under the Loan Agreement are entitled to receive interest for each day that their loans are outstanding. In addition, CHS Receivables will pay upfront fees to the managing agents and the Administrative Agent for their services and ongoing usage fees to the committed lenders and conduits lenders for their participation in the facility. Unless earlier terminated or subsequently extended pursuant to the terms of the Loan Agreement, the Receivables Facility will expire on November 18, 2018 in respect of a \$450 million portion of the commitments thereunder and November 13, 2017 in respect of the remaining \$250 million of commitments thereunder. The Loan Agreement contains customary termination events that could cause an early termination date, including, among other things, the failure to make timely payments or deposits under the Loan Agreement, breach of covenants, the failure to make timely payments under other indebtedness, certain changes of control and the failure to meet certain leverage ratios and Receivables ratios.

CHS has agreed to guarantee the performance of the Collection Agent under the Sale Agreement, the Purchase Agreement and the Loan Agreement. CHS has not agreed to guarantee the collection of any of the Receivables and CHS is not responsible for any guaranteed obligations to the extent that the failure to perform such guaranteed obligations by the Collection Agent results from any Receivable being uncollectible on account of the insolvency or bankruptcy of the related obligor under such Receivable.

The foregoing summary of the Sale Agreement, the Purchase Agreement and the Loan Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Sixth Omnibus Amendment, which is filed as [Exhibit 10.1](#) hereto and incorporated into this report by reference.

SECTION 2.01. Advances; Interest.

(a) On the terms and conditions hereinafter set forth, the Borrower may, by delivery of a Funding Request to the Administrative Agent and each Managing Agent, from time to time on any Business Day during the Revolving Period, at its option, request that the Lenders make advances (each, an “Advance”) to the Borrower in an amount which, at any time, shall not exceed the Availability in effect on the related Funding Date. Upon receipt of such Funding Request, each Managing Agent shall promptly forward such request to its related Lenders. All Advances will be made in U.S. Dollars. The Borrower shall pay Interest with respect to each Advance or portion thereof for each day from and including the date such Advance is made to and excluding the date it is repaid in full in cash hereunder.

(b) Each Funding Request shall: (i) specify the aggregate amount of the requested Advance, which shall be in an amount equal to at least \$1,000,000 with increments of \$50,000 thereafter, (ii) specify the outstanding amount of Advances under this Agreement, and (iii) contain representations and warranties that all conditions precedent for a funding have been met, including a representation by the Borrower that the requested Advance shall not, on the Funding Date thereof, exceed the Availability on such day.

(c) Such Funding Request shall be delivered not later than 12:00 noon (New York City time) on the date which is one Business Day prior to the Business Day on which such Advance is requested to be made by Lenders not part of a Deferred Lending Group (each, a “Funding Date”) (or such lesser amount of time as may be approved by each Lender, in its respective sole discretion).

(d) A Funding Request shall be irrevocable when delivered.

(e) The applicable portion of the Advance (i) may be made by the related Conduit Lender, in its sole discretion or (ii) if the related Conduit Lender does not fund, shall be made by the related Committed Lender, in each case, in accordance with its individual Commitment, if applicable, and its Lender Group Percentage (subject to, during a Deferred Funding Period, the provisions of Section 2.01(h) below with respect to Deferred Funding Lenders). Notwithstanding anything contained in this Section 2.01 or elsewhere in this Agreement to the contrary, no Lender shall be obligated to make any Advance in an amount that would result in the aggregate Advances then funded by the related Lender Group exceeding such Lender Group's Lender Group Limit then in effect.

(f) The obligation of the Lenders members of each Lender Group to remit such Lender Group's Lender Group Percentage of any such Advance shall be several from that of each other Lender Group, and the failure of any Lender to so make such amount available to the Borrower shall not relieve any other Lender of its obligation hereunder.

(g) On each Funding Date during a Conforming Period, following the satisfaction of the applicable conditions set forth in this Section 2.01 and Article III, each Lender shall make available to its related Managing Agent, for deposit to the account of the Borrower or its designee in same day funds, at the account specified in the Funding Request, an amount equal to such Lender's ratable share of the Advance then being made. During a Deferred Funding Period, following the satisfaction of the applicable conditions set forth in this Section 2.01 and Article III (i) on each Deferred Funding Date, each Lender member of a Conforming Lender Group shall make available to its related Managing Agent, for deposit to the account of the Borrower or its designee in same day funds, at the account specified in the Funding Request, an amount equal to such Lender's ratable share of the Advance then being made, and (ii) on each Deferred Funding Settlement Date, each Deferred Funding Lender shall make available Advances in accordance with the provisions of Section 2.01(h). Each Lender shall use commercially reasonable efforts to initiate each wire transfer of an Advance to the Borrower no later than 12:00 noon (New York City time) on the applicable Funding Date, Deferred Funding Date or Deferred Funding Settlement Date, as applicable. (h) Special Provisions for Deferred Fundings.

(i) At any time, three Business Days after receipt by the Administrative Agent and the Collection Agent of a Deferred Funding Certificate from a Managing Agent, the related Committed Lender shall become a "Deferred Funding Lender" and its related Lender Group shall become a "Deferred Funding Lender Group". Such designation shall remain in effect until such time as the related Deferred Funding Lender Agent issues a written notice to the Administrative Agent and the Collection Agent withdrawing such designation (a "Deferred Funding De-Designation Notice") effective as of the date such notice is delivered or as of such later date specified therein (such effective date, the "Deferred Funding De-Designation Date"). Effective as of the Deferred Funding De-Designation Date, each Committed Lender that is a Deferred Funding Lender, and each related Lender Group that is a Deferred Funding Lender Group, shall cease to be a Deferred Funding Lender or a Deferred Funding Lender Group, as applicable, and shall, for all purposes other than pursuant to the

proviso hereto, be deemed to be a Conforming Lender and a Conforming Lender Group, as applicable; *provided* that in connection with any Advance outstanding as of the Deferred Funding De-Designation Date for which any Deferred Funding Lender has not, as of such date, paid its Deferred Funding Amounts, such Deferred Funding De-Designation Date shall be deemed to be the Deferred Funding Settlement Date for such Advance and such Deferred Funding Lender shall comply with its obligations pursuant to Section 2.01(h)(ii) and Section 2.01(h)(iii) for such Deferred Funding Settlement Date.

(ii) On each Deferred Funding Settlement Date, each Deferred Funding Lender shall make available to its Managing Agent the Deferred Funding Amount, which amount (1) if such Deferred Funding Settlement Date occurs prior to the occurrence and continuance of an Event of Default or the Termination Date applicable to all Deferred Funding Lenders hereunder, shall be deposited in the account of the Borrower or its designee as an Advance hereunder, and (2) if such Deferred Funding Settlement Date occurs following the occurrence and during the continuance of an Event of Default or the Termination Date applicable to all Deferred Funding Lenders hereunder, shall be paid to the Administrative Agent for distribution on the same Business Day to the Lenders (including such Deferred Lender) ratably (calculated presuming that all unfunded Deferred Funding Advance Shortfalls of any other Deferred Funding Lender Groups have been fully funded); provided that such Deferred Funding Lender shall not fund to the Administrative Agent and shall instead net out of its ratable portion of the Deferred Funding Amount any amounts that it is entitled to receive from the Administrative Agent under this clause (h)(ii)(2); *provided*, in no event shall any such payment reduce the Revolving Principal Balance of any Lender or Lender Group below zero. Upon the payment of the Deferred Funding Amount in accordance with the provisions of clause (ii)(2) above and without any further action on the part of such Deferred Funding Lender making such payment, the Borrower, the Administrative Agent or the other Lenders, the Deferred Funding Lender making such payment will have acquired, and each Lender receiving a distribution of a portion of such payment will have granted to such Deferred Funding Lender, without recourse or warranty, its portions of the Revolving Principal Balances that were reduced by application of the distribution of such Deferred Funding Amount by the Administrative Agent. The Revolving Principal Balance owing to each Lender member of a Lender Group other than such Deferred Funding Lender's Deferred Funding Lender Group shall be reduced by the amount of any portion of such payment received by such Lender and the Revolving Principal Balance owing to the Deferred Funding Lender making such payment shall be increased by all amounts so paid such that the aggregate Revolving Principal Balance of all Lenders outstanding hereunder immediately prior to such payment and distribution shall be unchanged and shall continue to equal to the aggregate Revolving Principal Balance of all Lenders outstanding hereunder immediately following such payment and distribution.

(iii) The obligation of each Deferred Funding Lender to fund the Deferred Funding Amount on the related Deferred Funding Settlement Date is subject to any valid and timely claims of a Deferred Funding Lender under clause (iv) below, but is otherwise absolute and unconditional and shall not be affected by any circumstance whatsoever, including (1) any setoff, counterclaim, recoupment, defense or other right which such Deferred Funding Lender may have against the Administrative Agent, the other Lenders, the Borrower, or any other Person for any reason whatsoever; (2) the occurrence or continuance of an Default, Event

of Default or Termination Date; (3) the termination of the Revolving Period, (4) the reduction or termination of any Commitments; or (5) any other occurrence, event, or condition, whether or not similar to any of the foregoing (in each case, so long as such Advance does not result in the aggregate Advances then funded by the related Deferred Funding Lender Group exceeding such Deferred Funding Lender Group's Lender Group Limit then in effect. The funding or failure to fund the Deferred Funding Amount will not relieve or otherwise impair the obligation of the Borrower to repay the Revolving Principal Balance of each Lender, together with interest as provided in this Agreement.

(iv) A Deferred Funding Lender may not object to its funding obligation of Deferred Funding Amounts under Section 2.01(g) and (h) on the basis of the failure of the Borrower to satisfy the conditions precedent set forth in this Section 2.01 and Article III as of the Deferred Funding Date so long as all such conditions were satisfied as of the related Funding Date; *provided* that the absolute and unconditional funding obligations of a Deferred Funding Lender of Deferred Funding Amounts set forth in this Section 2.01 do not constitute a waiver of any rights of such Deferred Funding Lender or of rights and remedies of the Administrative Agent and the Lenders (including such Deferred Funding Lender) against the Borrower, in each case, as set forth hereunder.

(v) Each Deferred Funding Lender acknowledges that the Conforming Lender Groups have relied on the obligation of the Deferred Funding Lender to fund the Deferred Funding Amount in making Advances hereunder and is an intended beneficiary of such obligation.

(c) The Borrower hereby authorizes the Administrative Agent to file one or more financing or continuation statements, and amendments thereto and assignments thereof, relative to all or any of the Collateral now existing or hereafter arising without the signature of the Borrower where permitted by law, including any financing statement describing the Collateral as “all assets” of the Borrower. The parties intend this Agreement to be a “security agreement” within the meaning of the UCC.

(d) Subject to Applicable Law, the Borrower shall, upon the request of the Administrative Agent, at any time from and after an Event of Default and at the Borrower’s expense, notify the Obligors of Receivables, or any of them, or other obligors under any of the Collateral, of the Administrative Agent’s interest in the Receivables and other Collateral, as applicable.

The Administrative Agent shall provide notice of such request promptly to each Managing Agent.

(b) Each Managing Agent shall give prompt notice to each of the Lenders in its related Lender Group of its receipt of such request for extension of the Scheduled Termination Date. Each Lender shall make a determination, in its sole discretion and after a full review as to whether or not it will agree to extend the Scheduled Termination Date; *provided, however*, that each Lender's determination shall be made no later than 60 days after the date of the Borrower's notice to the Administrative Agent of such request for extension; *provided further* that the failure of any Lender to make a timely response to the Borrower's request for extension of the Scheduled Termination Date shall be deemed to constitute a refusal by such Lender to extend the Scheduled Termination Date.

(c) In the event that any of the existing Lenders agree to extend the Scheduled Termination Date, or to assign their Commitment prior to the Scheduled Termination Date to a Lender agreeing to extend the Scheduled Termination Date, the Borrower, the Collection Agent, the Administrative Agent and such extending Lenders shall enter into such documents as the Administrative Agent and such Lenders may deem necessary or appropriate to reflect such extension, and all reasonable costs and expenses incurred by such Lenders and the Administrative Agent (including reasonable attorneys' and auditors' fees) shall be paid by the Borrower.

(b) The Lenders hereby agree that any reduction in the Facility Limit shall reduce the Commitment of each Lender ratably in proportion to any such reduction in the Facility Limit; *provided* that, if there is a Defaulting Lender at the time of such reduction, the Borrower may at its option direct that such reduction be applied first to reduce the Commitment of the Defaulting Lender to (but not below) the Revolving Loan Balance owing such Defaulting Lender and then applied to reduce the Commitments of the remaining Lenders ratably; *provided, further*, that if such reduction is made pursuant to the last sentence of the defined term “Facility Limit” or otherwise as the result of the occurrence of the Scheduled Termination Date solely under clause (a) of such defined term, such reduction shall be applied solely to reduce the aggregate Commitments of the Lenders in the Lender Group for which such Scheduled Termination Date has occurred (as such Commitments were in effect immediately prior to such Scheduled Termination Date) unless a Trigger Event has occurred and is continuing or would result.

(c) Any request for a reduction or termination pursuant to this Section 2.04 shall be irrevocable.

(d) From time to time during the Revolving Period, the Borrower may prepay (an “Optional Prepayment”) any portion or all of the Advances by the Borrower delivering a Borrower Notice to the Administrative Agent and each Managing Agent at least one Business Day prior to the date of such Optional Prepayment (or, in each case, such later time as the applicable Lenders, in their respective sole discretion, may agree), specifying the date and amount of the Optional Prepayment.

(e) If the Borrower Notice relating to any Optional Prepayment is given, the amount specified in the Borrower Notice shall be due and payable on the date specified therein. (f) On the Sixth Omnibus Amendment Effective Date, the Borrower shall pay to the Administrative Agent for its own benefit and the benefit of each Managing Agent and each Lender, as applicable, the fees set forth in the Fee Letter as amended and restated on such date that are due and payable on such date, including the upfront fee and reimbursement for all reasonable out-of-pocket costs and expenses, including any legal fees and disbursements to the extent incurred, relating to the negotiation, preparation and closing of the Sixth Omnibus Amendment and the other Facility Documents to be amended, restated, supplemented or otherwise modified as of such date.

(g) On each Payment Date, the Borrower shall pay to the Administrative Agent, for its own benefit and the benefit of each Managing Agent, for its benefit and the benefit of each related Lender, as applicable, certain fees with respect to the immediately preceding month in the amounts and on the dates set forth in the Fee Letter in effect at such time (without duplication of amounts paid pursuant to Section 2.07 and subject to adjustment for a Defaulting Lender as provided in Section 2.15).

(h) On each Payment Date, the Borrower shall pay accrued and unpaid Interest for the immediately preceding month to the Administrative Agent, for the benefit of each Managing Agent, for its benefit and the benefit of each related Lender, as applicable (without duplication of amounts paid pursuant to Section 2.07).

(i) On each Payment Date, the Collection Agent shall be entitled to receive the Servicing Fee. The Servicing Fee shall be payable only from Collections pursuant to, and subject to the priority of payment set forth in, Sections 2.07 and 2.08 or, prior to the occurrence of an Event of Default, pursuant to a capital contribution to the Borrower from CHS made in its sole discretion.

(j) If any Advance requested by the Borrower hereunder, or any selection of a subsequent Fixed Period for any Revolving Principal Balance requested by the Borrower and approved by the applicable Managing Agent pursuant to Section 2.05 is not for any reason, other than the act or omission of a Lender, a Managing Agent or the Administrative Agent (or their agents or employees) contrary to this Agreement, made or effectuated, as the case may be, on the date specified therefor, the Borrower shall indemnify each Lender against any loss, cost or expense incurred by such Lender, including any loss (including loss of anticipated profits, net of anticipated profits in the reemployment of such funds in the manner determined by such Lender), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund or maintain such Advance, as the case may be, during such Fixed Period. Such loss, cost or expense shall be computed on a net basis (any indemnification payments under this Section 2.06(f) shall be without duplication to other amounts payable under Sections 2.04(e) or 2.06(g) hereof).

(k) Without duplication of any payments otherwise required hereunder, the Borrower shall pay to the applicable Managing Agent, within two Business Days after such Managing Agent's written demand therefor for the benefit of the related Lenders, any CP Breakage payable hereunder.

SECTION 2.07. Payment and Collection Procedures Generally.

(a) To the extent not so previously instructed, the Collection Agent or the Borrower will, or will cause each Originator to prepare, execute and deliver to each Obligor (or, in the case of a Governmental Entity, its fiscal intermediary) who is proposed to be a payor of Receivables, with copies to the Administrative Agent, a Notice, which notice shall, among other things, instruct all Obligors to pay all Collections directly to a Lock-Box or Collection Account.

(b) The Collection Agent shall, or shall direct the Borrower to, take all actions necessary and appropriate to ensure that (i) on each Business Day (whether or not the Termination Date has occurred) (x) all Collections received in the Lock-Boxes are deposited into a Collection Account and (y) all Collections received in or deposited into the Collection Accounts are transferred in same day funds to the applicable Concentration Account and (ii) all Collections not received in a Lock-Box or a Collection Account are deposited into or transferred to the applicable Concentration Account no later than two Business Days from receipt by the Collection Agent, the Borrower, the Transferor or an Originator, as the case may be. The Collection Agent or the Borrower shall promptly take, or direct the applicable Originator to take, all such actions as are reasonably necessary in the Collection Agent's or the Borrower's discretion or reasonably requested by the Administrative Agent to ensure that future payments from any Obligor be made to a Collection Account or Lock-Box.

(c) So long as no Trigger Event exists or would result from such proposed withdrawal, the Collection Agent may withdraw from any Concentration Account and distribute to the Borrower amounts deposited in such Concentration Account up to an amount such that the amount remaining in the Concentration Accounts, collectively, at least equals the Interest, Used Fee, Unused Fee and Servicing Fee accrued through such date of withdrawal (which amount shall remain in the Concentration Accounts until the immediately following Payment Date); *provided* that the foregoing shall not limit the ability of the Collection Agent to withdraw all proceeds of Self Pay Obligations from the Concentration Accounts at any time prior to the delivery by the Administrative Agent of the notice referred to in Section 2.08(a), Section 6.04(a)(v) or Section 6.07(b) to any Concentration Account Bank, subject to the terms of this Agreement and the Control Agreements.

(d) On the Business Day immediately preceding each Payment Date to occur prior to the Termination Date applicable to all Lender Groups then party hereto, the Collection Agent shall deposit (to the extent not previously deposited in accordance with clause (c) above) to a Concentration Account the amounts in respect of Interest, Used Fee, Unused Fee and Servicing Fee accrued for the prior month and set aside as described in clause (c) above. Following deposit of such funds, the Collection Agent shall distribute the funds as directed by the Administrative Agent, first, to the Managing Agents, for the benefit of the related Lenders, in full payment of the accrued and unpaid Interest for such month, second, to the Managing Agents, for the benefit of the related Lenders and to the Administrative Agent, in full payment of the accrued and unpaid fees due to such Persons hereunder or under any other Facility Document for such month, third, to the Collection Agent, in full payment of any accrued and unpaid Servicing

Fee payable to the Collection Agent with respect to such month, and fourth, to the Administrative Agent or the Managing Agents, for the benefit of the related Lenders or other Indemnified Persons, in full payment of all other unpaid Obligations accrued for such month.

(e) Notwithstanding anything to the contrary contained in this Section 2.07 or any other provision in this Agreement, if on any Business Day prior to the Termination Date (other than a Termination Date that exists solely as a result of the occurrence of a Scheduled Termination Date under clause (a) of such defined term) a Borrowing Base Deficiency exists, then, and in any event prior to any distribution to the Transferor or any Originator or other Affiliate under clause (c) above, in each case, the Borrower shall remit to the Administrative Agent, for the benefit of the Lenders, no later than the close of business of the Administrative Agent on the second succeeding Business Day, a payment (each such payment, a “Mandatory Prepayment”) (to be applied ratably among the Lenders by the Administrative Agent to outstanding Revolving Principal Balance allocated to Fixed Periods selected by the Administrative Agent, in its sole discretion) in such amount as may be necessary to reduce the outstanding Revolving Principal Balance so that a Borrowing Base Deficiency no longer exists. Amounts other than principal owed in connection with such Mandatory Prepayment, including, (i) all Interest accrued and unpaid on the amount repaid to (but excluding) the date of such repayment and (ii) any and all CP Breakage owed with respect to such repayment, shall be made on the next Payment Date following such repayment; *provided*, that, unless a Trigger Event has occurred and is continuing or would result, if such Borrowing Base Deficiency exists solely as the result of the occurrence of the Scheduled Termination Date solely under clause (a) of such defined term, such Mandatory Prepayment shall be applied first to reduce the outstanding Revolving Principal Balance of the Lenders in the Lender Group for which such Scheduled Termination Date has occurred to zero, and then applied in accordance with the foregoing paragraph; *provided, further*, that if such Mandatory Prepayment is applied in accordance with the foregoing proviso, unless a Trigger Event has occurred and is continuing or would result, the Borrower shall remit to the Administrative Agent, for the benefit of the applicable members of the Lender Group for which such Scheduled Termination Date has occurred, all accrued and unpaid Interest and fees applicable to the amounts so reduced and the Commitments of the Lenders in such Lender Group.

(f) All payments to be made by the Borrower or the Collection Agent under this Agreement shall be made free and clear of any counterclaim, set-off, deduction or other defense, which such Person may have against any Lender, any Managing Agent, the Administrative Agent or against each other.

SECTION 2.08. Trigger Event and Termination Date Payment Procedures.

(a) On each Business Day after the occurrence of a Trigger Event and delivery by the Administrative Agent of a notice in substantially the form attached to the Control Agreement transferring exclusive control of each Concentration Account to the Administrative Agent, funds shall be withdrawn from each Concentration Account solely by, or at the direction of, the Administrative Agent to be applied by the Administrative Agent in the order of priority set forth in Section 2.07(d) and as set forth in Section 2.08(c).

(b) On the Termination Date applicable to all Lenders then party hereto and on each Business Day thereafter, the amounts set aside in each Concentration Account in accordance with Section 2.07 above shall be withdrawn from each Concentration Account, solely by, or at the direction of, the Administrative Agent, to be applied by the Administrative Agent in the following order of priority:

(i) (A) First, to pay to the Collection Agent any accrued and unpaid Servicing Fee (if the Collection Agent is a Person other than the Transferor, an Originator or an Affiliate thereof) which is then due and payable, and (B) second, to be retained in a Concentration Account to the extent of any daily accrued and unpaid amounts of such Servicing Fee which are not then due and payable, until the next relevant payment date therefor, and not to be applied to any of the following items;

(ii) To pay, ratably among the Lenders, accrued and unpaid Interest which is then due and payable;

(iii) To pay, ratably among the Lenders, accrued and unpaid Used Fee and Unused Fee which is then due and payable;

(iv) To pay, ratably among the Lenders, all Revolving Principal Balance then outstanding;

(v) To pay, ratably among the Lenders, the Secured Parties and any other Indemnified Parties entitled thereto, the portion of any other accrued and unpaid Obligations which have not been paid pursuant to clauses (i) through (iv) above and which are then due and payable by the Borrower to any of them under this Agreement; and

(vi) (A) First, to pay to the Collection Agent any accrued and unpaid Servicing Fee (if the Collection Agent is the Transferor, an Originator or an Affiliate of any thereof) which is then due and payable, and (B) second, to be retained in a Concentration Account to the extent of any accrued and unpaid amounts of such Servicing Fee which are not then due and payable, until the next relevant payment date therefor.

Following the Collection Date, the Collection Agent or the Administrative Agent, as the case may be, shall pay to the Borrower any remaining Collections in the Concentration Accounts.

(c) Following the delivery by the Administrative Agent of the notice referred to in Section 2.08(a), Section 6.04(a) (v) or Section 6.07(b) to any Concentration Account Bank, the Borrower or the Collection Agent shall deliver to the Administrative Agent on each Business Day a report identifying all amounts on deposit in each Concentration Account that constitute proceeds of Self Pay Obligations. Promptly following receipt of such report, but in any event no later than the next Business Day, the Administrative Agent shall (i) provide instructions to each Concentration Account Bank directing the transfer of all proceeds of Self Pay Obligations so identified to an account specified by the Borrower or Collection Agent or (ii) raise any concerns or objections with respect thereto with the Borrower. In the event of any dispute regarding the identification of proceeds of Self Pay Obligations, the parties agree to cooperate in good faith to promptly resolve such dispute.

SECTION 2.09. Updated Borrowing Base.

(a) If on any day a Receivable in the Borrowing Base no longer qualifies as an Eligible Receivable because (i) the Expected Net Value of any Receivable is either (x) reduced or adjusted as a result of any defective, rejected, returned, repossessed or foreclosed merchandise, any defective or rejected services, any failure to provide services, any discount, rebate or any other adjustment made or performed by the Borrower or any other Person or (y) reduced or canceled as a result of a setoff in respect of any claim by the Obligor thereof against an Originator or an Affiliate of an Originator, (ii) any of the representations or warranties in Section 4.01(h) is no longer true with respect to such Receivable or the Borrower or the Collection Agent discovers or is notified that such Receivable was not an Eligible Receivable on the day it was included in the Borrowing Base or (iii) for any other reason pursuant to the terms hereunder, the Borrower or the Collection Agent shall recalculate the Borrowing Base as of such day after giving effect to the removal of such Receivable or Receivables from the Borrowing Base calculation; *provided*, that the Collection Agent and the Borrower shall deliver an updated report with respect to the information in the Monthly Report only to the extent that such reduction, adjustment, cancellation or disqualification would result in a Borrowing Base Deficiency.

(b) Promptly after the occurrence of an ENV Event, the Borrower shall deliver to the Administrative Agent a Monthly Report updated as of such day, including a calculation of the Borrowing Base after giving effect to an adjustment to the Contractual Allowances, in an amount approved by the Administrative Agent and the Managing Agents, to reflect such collection experiences.

(c) If a Borrowing Base Deficiency exists with respect to the revised Borrowing Base delivered pursuant to clause (a) or (b), then the Borrower shall make a Mandatory Prepayment in accordance with Section 2.07(e).

SECTION 2.10. Late Payments, Payments on other than Business Day.

(a) The payment or deposit of all amounts to be paid or deposited by the Borrower or the Collection Agent hereunder shall be paid or deposited in accordance with the terms hereof no later than 12:00 P.M. (New York City time) on the day when due in lawful money of the United States in immediately available funds. The Borrower shall, to the extent permitted by law, pay to the Administrative Agent interest on all amounts not paid or deposited when due hereunder (whether owing by the Borrower or by the Collection Agent) at 2.0% *per annum* above the Base Rate, payable on demand; *provided, however*, that such interest rate shall not at any time exceed the maximum rate permitted by Applicable Law. Such interest shall be retained by the Administrative Agent except to the extent that such failure to make a timely payment or deposit has continued beyond the date for distribution by the Administrative Agent of such overdue amount to the applicable Managing Agents, on behalf of the related Lenders, in which case such interest accruing after such date shall be for the account of, and distributed by the Administrative Agent to such Managing Agents. All computations of interest and all computations of Interest (other than for Interest calculated in respect of the Base Rate, which shall be computed on the basis of a year of 365/366 days), Servicing Fee, Used Fee, Unused Fee, CP Breakage and other fees hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first but excluding the last day) elapsed.

(b) Whenever any payment hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of Interest, interest or any fee payable hereunder, as the case may be; *provided, however*, that, if such extension would cause payment of Interest, or Revolving Principal Balance on which Interest accrues at the Adjusted Eurodollar Rate, to be made in the next following month, such payment shall be made on the next preceding Business Day.

SECTION 2.11. Increased Costs; Capital Adequacy; Illegality.

(a) If either (i) the introduction of or any Regulatory Change (including any change by way of imposition or increase of reserve requirements) in any law, regulation, treaty or official directive, or in the interpretation or application thereof by any central bank or other governmental agency or authority charged with the administration thereof (whether or not having the force of law), or (ii) the compliance by the Administrative Agent any Secured Party or any affiliate of either thereof (each of which, an "Affected Party") with any guideline or request from any central bank or other governmental agency or authority (whether or not having the force of law), (A) shall impose, modify or deem applicable any reserve requirement (including any reserve requirement imposed by the Board of Governors of the Federal Reserve System, but excluding any reserve requirement, if any, included in the determination of Interest), special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Affected Party or (B) shall impose any other condition affecting the Collateral or any Lender's rights or obligations hereunder, the result of which is to increase the cost to any Affected Party or to reduce the amount of any sum received or receivable by an Affected Party under this Agreement, then within 10 days after demand by such Affected Party (which demand shall be accompanied by a statement setting forth the basis for such demand), the Borrower shall pay directly to such Affected Party such additional amount or amounts as will compensate such Affected Party for such additional or increased cost incurred or such reduction suffered.

(b) If either (i) the introduction of or any change (including any change by way of imposition or increase of reserve requirements) in any law, regulation, treaty or official directive, or in the interpretation or application thereof, in each case occurring after the date hereof, by any central bank or other governmental agency or authority charged with the administration thereof (whether or not having the force of law), or (ii) the compliance by an Affected Party with any guideline or request from any central bank or other governmental agency or authority (whether or not having the force of law) in each case promulgated after the date hereof, including compliance by an Affected Party with any request or directive regarding capital adequacy, or (iii) any Regulatory Change, has or would have the effect of reducing the rate of return on the capital of any Affected Party as a consequence of its obligations hereunder or otherwise arising in connection herewith to a level below that which any such Affected Party could have achieved but for such introduction, change or compliance by an amount deemed by such Affected Party to be material, then within 10 days after demand by such Affected Party (which demand shall be accompanied by a statement setting forth the basis for such demand), the Borrower shall pay directly to such Affected Party such additional amount or amounts as will compensate such Affected Party for such reduction.

(c) If as a result of any event or circumstance similar to those described in Section 2.11(a) or 2.11(b), any Affected Party is required to compensate a bank or other financial institution providing liquidity support, credit enhancement or other similar support to such Affected Party in connection with this Agreement or the funding or maintenance of Advances hereunder, then within 10 days after demand by such Affected Party, the Borrower shall pay to such Affected Party such additional amount or amounts as may be necessary to reimburse such Affected Party for any amounts to be paid by it.

(d) In determining any amount provided for in this Section 2.11, the Affected Party may use any reasonable averaging and attribution methods. Any Affected Party making a claim under this Section 2.11 shall submit to the Borrower a certificate as to the calculation of such additional or increased cost or reduction, which certificate shall be conclusive absent manifest error.

(e) Failure or delay on the part of any Affected Party to demand compensation pursuant to the foregoing provisions of this Section shall not constitute a waiver of such Affected Party's right to demand such compensation, *provided* that the Borrower shall not be required to compensate any Affected Party pursuant to the foregoing provisions of this Section for any increased costs incurred or reductions suffered more than six months prior to the date that such Affected Party notifies the Borrower of the circumstances giving rise to such increased costs or reductions and of such Affected Party's intention to claim compensation therefor (except that, if the Regulatory Change giving rise to such increased costs or reductions is retroactive, then the six-month period referred to above shall be extended to include the period of retroactive effect thereof). The protections of this Section shall be available to the Affected Party regardless of any possible contention of the invalidity or inapplicability of the Regulatory Change that shall have occurred or been imposed.

(f) If any Managing Agent, on behalf of the related Lenders shall notify the Administrative Agent that a Eurodollar Disruption Event has occurred, the Administrative Agent shall in turn so notify the Borrower, whereupon all Revolving Principal Balance in respect of which Interest accrues at the Adjusted Eurodollar Rate for the then current Fixed Period shall immediately be converted into Revolving Principal Balance in respect of which Interest accrues at the Base Rate for the remainder of such Fixed Period.

(g) Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements and obligations of the Borrower contained in this Section 2.11 shall survive the termination of this Agreement.

SECTION 2.12. Taxes.

(a) Any and all payments by the Borrower or the Collection Agent hereunder to any Lender, any Managing Agent or the Administrative Agent shall be made free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding, (1) in the case of any Lender,

any Managing Agent and the Administrative Agent, net income taxes and branch profits taxes that are imposed by the United States, (2) franchise taxes, net income taxes and branch profits taxes that are imposed on such Lender, such Managing Agent or the Administrative Agent by the state or non-United States jurisdiction under the laws of which such Lender, such Managing Agent or the Administrative Agent (as the case may be) is organized or conducts business or any political subdivision thereof, (3) in the case of a Foreign Lender, any withholding tax that is imposed on amounts payable to such Foreign Lender at the time such Foreign Lender becomes a party hereto (or designates a new lending office), except to the extent that such Foreign was entitled, at the time of designation of a new lending office (or assignment), to receive additional amounts from the Borrower with respect to such withholding tax pursuant to this Section 2.12(a), (4) any U.S. federal withholding Taxes imposed under FATCA, and (5) Taxes attributable to such recipient's failure to comply with Section 2.12(c) (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities being hereinafter referred to as "Taxes"). If the Borrower or the Collection Agent shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder to any Lender, any Managing Agent or the Administrative Agent, (i) the Borrower shall make an additional payment to such Lender, such Managing Agent or the Administrative Agent, as the case may be, in an amount sufficient so that, after making all required deductions (including deductions applicable to additional sums payable under this Section 2.12), such Lender, such Managing Agent or the Administrative Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the Borrower or the Collection Agent, as the case may be, shall make such deductions and (iii) the Borrower or the Collection Agent, as the case may be, shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with Applicable Law. Within 30 days after the date of any such payment of Taxes, the Borrower or the Collection Agent, as the case may be, will furnish to such Lender, such Managing Agent or the Administrative Agent (as the case may be) the original or a certified copy of a receipt evidencing payment thereof.

(b) The Borrower will indemnify each Lender, each Managing Agent and the Administrative Agent for the full amount of Taxes or Other Taxes (including any Taxes imposed by any jurisdiction on amounts payable under this Section 2.12) paid by such Lender, such Managing Agent or the Administrative Agent (as the case may be) and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto whether or not such Taxes or Other Taxes were correctly or legally asserted; *provided* that any Lender, any Managing Agent or the Administrative Agent, as appropriate, making a demand for indemnity payment hereunder shall provide the Borrower with a certificate from the relevant taxing authority or from a responsible officer of such Lender, such Managing Agent and the Administrative Agent stating or otherwise evidencing that such Lender, such Managing Agent or the Administrative Agent has made payment of such Taxes or Other Taxes and will provide a copy of or extract from documentation, if available, furnished by such taxing authority evidencing assertion or payment of such Taxes or Other Taxes. This indemnification shall be made within 10 days from the date such Lender, such Managing Agent or the Administrative Agent (as the case may be) makes written demand therefor.

(c)

(i) Each Lender, each Managing Agent and the Administrative Agent that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any this Agreement shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, each Lender, each Managing Agent and the Administrative Agent, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.12(c)(ii)(A), (ii)(B) and (ii)(C) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is a U.S. Person within the meaning of Section 7701(a)(30) of the Code,

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(i) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under this Agreement, executed originals of IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under this Agreement, IRS Form W-8BEN establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(ii) executed originals of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of either Exhibit F-1 or Exhibit F-2 to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN; or

(iv) to the extent a Foreign Lender is not the beneficial owner, or is a partnership, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, a U.S. Tax Compliance Certificate substantially in the form of Exhibit F-3 or Exhibit F-4, IRS Form W-9, and/or other certification documents from each beneficial owner or direct or indirect partner, as applicable;

(C) if a payment made to a recipient under any this Agreement would be subject to U.S. federal withholding Tax imposed by FATCA if such recipient were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such recipient shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C) (i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such recipient has complied with such recipient’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (C), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(d) If the each Lender, each Managing Agent and the Administrative Agent determines, in its sole discretion, that it has received a refund of any Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this Section, it shall pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses of the such Lender, Managing Agent, or Administrative Agent, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of such Lender, Managing Agent, or the Administrative Agent, agrees to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Lender, Managing Agent, or Administrative Agent, in the event the Lender, Managing Agent, or

Administrative Agent, is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent, any Lender or the Managing Agent to have any obligation to file for or otherwise pursue any refund of Taxes withheld or deducted from funds paid for the account of such Agent or Lender or make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person.

(e) Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements and obligations of the Borrower contained in this Section 2.12 shall survive the termination of this Agreement.

SECTION 2.13. Assignment of the Sale Agreement and the Contribution Agreement(a) . The Borrower hereby represents, warrants and confirms to the Administrative Agent that the Borrower has pledged to the Administrative Agent, for the benefit of itself and the Secured Parties hereunder, all of the Borrower's right and title to and interest in (i) the Contribution Agreement and (ii) as assignee thereof under the Assignment of Agreements, the Sale Agreement. The Borrower confirms and agrees that the Administrative Agent shall have pursuant to the Assignment of Agreements, the sole right to enforce the Borrower's rights and remedies under the Sale Agreement and the Contribution Agreement for the benefit of the Secured Parties hereunder, but without any obligation on the part of the Administrative Agent, any Secured Party or any of their respective Affiliates, to perform any of the obligations of the Borrower under the Sale Agreement the Contribution Agreement. The Borrower further confirms and agrees that such assignment to the Administrative Agent shall terminate upon the Collection Date; *provided, however*; that the rights of the Administrative Agent and the Secured Parties pursuant to the Assignment of Agreements with respect to rights and remedies in connection with any indemnities and any breach of any representation, warranty or covenants made (i) by the Company under the Contribution Agreement, or (ii) by the applicable Originator under the Sale Agreement, which rights and remedies survive the termination of the Sale Agreement and Contribution Agreement, shall be continuing and shall survive any termination of the Assignment of Agreements.

SECTION 2.14. Sharing of Payments(a) . If any Lender (for purposes of this Section only, referred to as a "Recipient") shall obtain payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) on account of the Advances made by it in excess of its ratable share of payments made on account of the Advances made by the Lenders (other than as a result of payments made to fewer than all of the Lenders as a result of the occurrence of a Scheduled Termination Date under clause (a) of such defined term), such Recipient shall forthwith purchase from the Lenders which received less than their ratable share participations in the Advances made by such Persons as shall be necessary to cause such Recipient to share the excess payment ratably with each such other Person; *provided, however*, that (a) if all or any portion of such excess payment is thereafter recovered from such Recipient, such purchase from each such other Person shall be rescinded and each such other Person shall repay to the Recipient the purchase price paid by such Recipient for such participation to the extent of such recovery, together with an amount equal to such other Person's ratable share (according to the proportion of (i) the amount of such other Person's required payment to (ii) the total amount so recovered from the Recipient) of any interest or other amount paid or payable by the Recipient in respect of the total amount so recovered and (b) the provisions of this Section shall not be construed to apply to the application of funds arising from the existence of a Defaulting Lender.

SECTION 2.15. Defaulting Lender.

(a) Notwithstanding anything to the contrary contained in this Agreement, if any Committed Lender becomes a Defaulting Lender, then, until such time as such Committed Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 2.07, Section 2.08, Article VII or otherwise, and including any amounts made available to the Administrative Agent by such Defaulting Lender pursuant to Section 10.04), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent or any Managing Agent hereunder; *second*, as the Borrowers may request (so long as no Default exists), to the funding of any Advance in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Advances under this Agreement; and *fourth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post cash collateral pursuant to this Section 2.15(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Such Defaulting Lender shall not be entitled to receive any Unused Fee for any period during which such Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to such Defaulting Lender).

(b) If the Borrower, the Administrative Agent and the Managing Agents each agrees in writing in their respective sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Committed Lender will, to the extent applicable, purchase such portion of the outstanding Advances of the other Lenders, or take such other actions as the Administrative Agent may determine to be necessary to cause the Lenders of such Committed Lender's Lender Group to hold such Lender Group's Lender Group Percentage of the Advances or as otherwise required by the terms of Section 2.01, whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while such Lender was a Defaulting Lender; and *provided, further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender having been a Defaulting Lender.

SECTION 2.16. Terminating Lender. If any Committed Lender shall be subject to an earlier Scheduled Termination Date hereunder than the Scheduled Termination Date applicable to all other Committed Lenders hereunder, Borrower, upon providing written notice to the related Managing Agent and the Administrative Agent, shall have the right to require such Committed Lender and the related Conduit Lender to sell and assign in accordance with Section 10.06 of this Agreement, all, but not less than all, of (A) such Committed Lender's Commitment, without recourse, and (B) all of its respective interests, rights, and obligations under this Agreement to any assignee(s) permitted under such Section 10.06; provided, however, that (a) such assignment shall not conflict with any statute, law, rule, regulation, order or decree of any governmental authority, (b) the assigning Committed Lender and Conduit Lender shall have received from such assignee(s) full payment in immediately available funds of all amounts payable to it in respect of outstanding Advances, accrued and unpaid Interest and fees, and other amounts owing to it under or in connection with this Agreement and the other Facility Documents, (c) such assignment shall be without representation or warranty (except to the extent set forth in the related Assignment and Acceptance) by the assigning Committed Lender and Conduit Lender and shall be at the sole expense of such assigning Committed Lender, and (d) the assigning Committed Lender and Conduit Lender shall continue to have the benefit of all indemnities and other agreements under this Agreement which survive the termination of this Agreement.

ARTICLE III
CONDITIONS OF ADVANCES

SECTION 3.01. Conditions Precedent to Initial Advance. The initial Advance hereunder is subject to the conditions precedent that (a) the Administrative Agent shall have received on or before the date of such Advance the items listed in Schedule II, each (unless otherwise indicated) dated such date, in form and substance satisfactory to the Administrative Agent and each Managing Agent; *provided, however*, to the extent that any item is designated on Schedule II for delivery on or before a specified date that is after the date of the initial Advance, delivery of such item shall not be a condition to the initial Advance, but the failure to deliver such item on or before the specified date shall constitute a breach of an obligation of the Borrower hereunder which such breach shall give rise to an Event of Default under Section 7.01(d) hereof, (b) all fees and expenses required to be paid prior to the initial Advance pursuant to (i) this Agreement and (ii) the Fee Letter have been paid, and (c) each Managing Agent and the Administrative Agent shall have completed satisfactory due diligence and obtained the requisite credit approvals.

SECTION 3.02. Conditions Precedent to All Advances. Each Advance (including the initial Advance) to the Borrower by any Lender and the right of the Collection Agent to remit Collections to the Borrower pursuant to Section 2.07(c) shall be subject to the further conditions precedent that (a) with respect to any such Advance, on or prior to the date of such Advance, the Collection Agent shall have delivered to the Administrative Agent, in each case in form and substance satisfactory to the Administrative Agent, a completed Monthly Report dated on or before the most recent Monthly Report Due Date and (b) on the date of such Advance or remittance of Collections the following statements shall be true and the Borrower by accepting the amount of such Advance or remittance of Collections shall be deemed to have certified that:

(i) The representations and warranties contained in Article IV are correct on and as of such day as though made on and as of such date, except for those that refer to specific dates, which shall be correct as of the dates indicated therein,

(ii) No event has occurred and is continuing, or would result from such Advance or remittance, which constitutes a Default or an Event of Default,

(iii) On and as of such day, after giving effect to such Advance or remittance, a Borrowing Base Deficiency does not exist, and

(iv) No law or regulation shall prohibit, and no order, judgment or decree of any federal, state or local court or governmental body, agency or instrumentality shall prohibit or enjoin, the making of such Advance by the Lenders in accordance with the provisions hereof.

Notwithstanding the fact that any of the above-described conditions precedent may not have been satisfied in connection with any Advance hereunder, prior to the Termination Date applicable to all Lender Groups then party hereto and as a result of the Borrower's acceptance of the amount of any Advance the Borrower shall be deemed to have certified to the Administrative Agent that such conditions precedent have, in fact, been satisfied.

ARTICLE IV REPRESENTATIONS AND WARRANTIES

SECTION 4.01. Representations and Warranties of the Borrower. The Borrower represents and warrants to and, where applicable, agrees with each of the Secured Parties, that:

(a) The Borrower is a limited liability company duly formed, validly existing and in good standing under the laws of the jurisdiction named at the beginning hereof and is duly qualified to do business, and is in good standing, in every jurisdiction in which the nature of its business requires it to be so qualified and the failure to do so could reasonably be expected to have a Material Adverse Effect.

(b) The execution, delivery and performance by the Borrower of this Agreement, the Contribution Agreement and all other Facility Documents to be entered into by it, including the Borrower's use of the proceeds of Advances and remittances of Collections, are within the Borrower's limited liability company powers, have been duly authorized by all necessary limited liability company action, do not contravene (i) the Borrower's certificate of formation or limited liability company agreement, (ii) any Applicable Law except where such contravention could not reasonably be expected to result in a Material Adverse Effect, (iii) any contractual restriction binding on or affecting the Borrower or its property other than such restrictions that could not reasonably be expected to adversely affect the Collection Agent's ability to perform its material obligations hereunder or, with respect to the transfer of the Receivables and Collections thereon, in any Immaterial Respect, or (iv) any order, writ, judgment, award, injunction or decree binding on or affecting the Borrower or its property, and do not result in or require the creation of any Lien upon or with respect to any of its properties (other than Permitted Liens and liens in favor of the Administrative Agent for the benefit of the

Secured Parties with respect to the Collateral), and no transaction contemplated hereby or by the Contribution Agreement requires compliance with any bulk sales act or similar law. This Agreement, the Contribution Agreement and each other Facility Document to be entered into by the Borrower have each been duly executed and delivered by the Borrower.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for the due execution, delivery and performance by the Borrower of this Agreement, the Contribution Agreement or any other Facility Document to be entered into by it, except for (i) the filing of UCC financing statements, all of which financing statements have been duly filed and, to the Borrower's knowledge, are in full force and effect, and (ii) such as have been obtained and are in full force and effect.

(d) This Agreement, the Contribution Agreement and each other Facility Document to be entered into by the Borrower constitute the legal, valid and binding obligation of the Borrower enforceable against the Borrower in accordance with their respective terms subject to bankruptcy and similar laws affecting creditors generally and general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(e) (i) The Borrower has furnished to the Administrative Agent copies of the Parent's audited consolidated balance sheet as at December 31, 2011, and the related audited consolidated statements of income and cash flow for the fiscal year of the Parent then ended reported on by Deloitte & Touche LLP which financial statements present fairly in all material respects in accordance with GAAP the financial position of the Parent and its consolidated subsidiaries as at December 31, 2011, and the results of operations of the Parent and its consolidated subsidiaries for the fiscal year of the Parent then ended, which financial statements present fairly in all material respects in accordance with GAAP the financial position of the Parent and its consolidated subsidiaries as at such date, and the results of operations of the Parent and its consolidated subsidiaries for the fiscal year then ended;

(ii) Since December 31, 2011, (A) no material adverse change has occurred in the business, assets, liabilities, financial condition or results of operations of the Parent and its subsidiaries taken as a whole, and (B) no event has occurred or failed to occur which has had or could reasonably be expected to result in, singly or in the aggregate, a Material Adverse Effect; and

(iii) The opening pro forma balance sheet of the Borrower as at March 21, 2012, giving effect to the initial Advance to be made under this Agreement, a copy of which has been furnished to the Administrative Agent, present fairly in all material respects in accordance with GAAP the financial position of the Borrower as at such date, and since January 23, 2012 no material adverse change has occurred in the business, assets, liabilities, financial condition or results of operations of the Borrower.

(f) There is no pending or, to the Borrower's knowledge, threatened action or proceeding affecting the Borrower before any court, governmental agency or arbitrator other than such actions and proceedings that the Collection Agent certifies to the Administrative Agent are, in the best judgment of the Collection Agent, without legal merit as related to the Borrower and are being contested in good faith. The Borrower is not in default with respect to any order of any court, arbitrator or Governmental Entity, except in any Immaterial Respect.

(g) No proceeds of any Advance will be used by the Borrower (i) to acquire any security in any transaction which is subject to Section 13 or 14 of the Securities Exchange Act of 1934, as amended, or (ii) for any purpose other than to indirectly fund a purchase of Receivables and related assets from an Originator and to make payments expressly contemplated under Section 3.1 of the Borrower's operating agreement.

(h) Each Receivable, together with the Contract related thereto, shall, at all times, be owned by the Borrower free and clear of any Lien (other than Permitted Liens), and the Administrative Agent shall have a valid and perfected first priority security interest in the property of the Borrower consisting of each Receivable then existing or thereafter arising and in the Related Security and Collections with respect thereto, free and clear of any Lien (other than Permitted Liens); *provided* that the Borrower (acting directly or through the Collection Agent) shall have up to 10 days following actual knowledge thereof to remove any immaterial Lien that was improvidently filed without the consent of the Borrower or the Collection Agent; *provided further* that the Borrower (acting through the Collection Agent) shall have the time period specified in Section 5.02(k) to remove and terminate the Kay County Lien. No effective financing statement or other instrument similar in effect with the Borrower as debtor, covering any Receivable or the Related Security or Collections with respect thereto shall at any time be on file in any recording office except such as may be filed in favor of the Administrative Agent relating to this Agreement; *provided* that the Borrower (acting directly or through the Collection Agent) shall have up to 10 days following actual knowledge thereof to remove any immaterial Lien that was improvidently filed without the consent of the Borrower or the Collection Agent; *provided further* that the Borrower (acting through the Collection Agent) shall have the time period specified in Section 5.02(k) to remove and terminate the Kay County Lien. The contributions of the Receivables and related assets to the Borrower by the Transferor under the Contribution Agreement constitute valid and "true contributions" and transfers for consideration (and not merely a pledge of such Receivables and assets for security purposes), enforceable against creditors of the Transferor, and no such Receivables or related assets shall constitute property of Transferor. The purchases of the Receivables and related assets by Buyer from each Originator under the Sale Agreement constitute valid and true sales and transfers for consideration (and not merely a pledge of such Receivables and assets for security purposes), enforceable against creditors of the Transferor and such Originator, and no such Receivables or related assets shall constitute property of the Transferor or such Originator.

(i) As of the close of business on each Business Day prior to the latest Termination Date hereunder, a Borrowing Base Deficiency shall not exist.

(j) No Monthly Report or Funding Request (if prepared by the Borrower, the Collection Agent or any Affiliate thereof, or to the extent that information contained therein is supplied by the Borrower, the Collection Agent or such Affiliate), information, exhibit, financial statement, document, book, record or report furnished or to be furnished by the Borrower to the Administrative Agent or any Managing Agent in connection with this Agreement is or will be inaccurate in any material respect as of the date it is or shall be dated or (except as otherwise disclosed to the Administrative Agent and the Managing Agents, as the case may be, at such

time) as of the date so furnished or dated, and no such document contains or will contain any material misstatement of fact or omits or shall omit to state a material fact or any fact necessary to make the statements contained therein not misleading; *provided* that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, the Borrower represents only that it acted in good faith and utilized assumptions that the Borrower believed to be reasonable at the time made.

(k) The principal place of business and chief executive office of the Borrower and the office where the Borrower keeps all of its Records are located at the address or addresses of the Borrower referred to in Section 10.02 hereof (or at such other locations as to which the notice and other requirements specified in Section 6.08 shall have been satisfied). The Borrower is located in the jurisdiction of organization named at the beginning hereof for purposes of Section 9-307 of the UCC as in effect in the State of New York, and the office in the jurisdiction of organization of the Borrower in which a UCC financing statement is required to be filed in order to perfect the security interest granted by the Borrower hereunder is Secretary of State of the State of Delaware. The Borrower's organizational identification number is 5099211.

(l) The Borrower has no trade names, fictitious names, assumed names or "doing business as" names or other names under which it has done or is doing business.

(m) The Contribution Agreement is the only agreement pursuant to which the Borrower acquires Receivables, the Borrower has furnished to the Administrative Agent a true, correct and complete copy of the Contribution Agreement and the Sale Agreement, and the Contribution Agreement and the Sale Agreement are in full force and effect and no "Event of Termination" under the Contribution Agreement or the Sale Agreement or event or circumstance that would with the passage of time or the giving of notice (or both) constitute an "Event of Termination" under the Contribution Agreement or the Sale Agreement.

(n) The Borrower was formed on January 23, 2012, and the Borrower did not engage in any business activities prior to the date of this Agreement. The Borrower has no subsidiaries.

(o) The Borrower shall have given reasonably equivalent value to the Transferor in consideration for the transfer by the Transferor to the Borrower of the Receivables and Related Security under the Contribution Agreement, no such transfer shall have been made for or on account of an antecedent debt owed by the Transferor to the Borrower, and no such transfer is or may be voidable or subject to avoidance under any section of the Bankruptcy Law.

(p) A copy of the Certificate of Formation of the Borrower as in effect on the date of this Agreement has been provided to the Administrative Agent.

(q) The Borrower is not an insolvent person, in insolvent circumstances or on the eve of insolvency, as applicable (within the meaning of such term in the Bankruptcy Law) at the time of (and immediately after) each transfer of Receivables to the Borrower under the Contribution Agreement, and at the time of (and immediately after) each Advance and remittance of Collections hereunder, the Borrower shall not have been an insolvent person, in insolvent circumstances or on the eve of insolvency, as applicable, within the meaning of the

Bankruptcy Law. The Borrower has entered into this Agreement for the purpose of indirectly financing its acquisition of Receivables and Related Security from the Originators, and not for the purpose of defeating, hindering, delaying, defrauding or oppressing the rights and claims of creditors or others against the Borrower or for any other purpose relating in any way to the claims of creditors or others against the Borrower.

(r) The Borrower accounts for the transfers to it from the Transferor of interests in Receivables, Related Security and Collections under the Contribution Agreement as “true” capital contributions and legal sales of such Receivables, Related Security and Collections in its books, records and financial statements, in each case consistent with GAAP and with the requirements set forth herein.

(s) The sole and exclusive business of the Borrower is the acquisition of Receivables and Related Security pursuant to the Contribution Agreement for its own account, the borrowing of money pursuant to the terms of this Agreement, and making operational cost payments expressly contemplated under Section 3.1 of the Borrower’s operating agreement.

(t) The Borrower is operated as an entity with assets and liabilities distinct from those of the Transferor, each Originator and any Affiliates thereof, and the Borrower hereby acknowledges that the Administrative Agent, the Managing Agents and each Lender are entering into the transactions contemplated by this Agreement in reliance upon the Borrower’s identity as a separate legal entity from, the Transferor, each Originator and from each such other Affiliate.

(u) The Borrower is not an “investment company” or a company controlled by an “investment company” registered or required to be registered under the Investment Company Act.

(v) The Borrower is not engaged, principally or as one of its important activities, in the business of extending credit for the purpose of “purchasing” or “carrying” any “margin stock” (as each of the quoted terms is defined or used in Regulation T, U or X promulgated pursuant to the securities Exchange Act of 1934, as amended). No part of the proceeds of any Receivable has been used for so purchasing or carrying margin stock or for any purpose which violates, or which would be inconsistent with, the provisions of Regulation T, U or X.

(w) The Borrower and the Collection Agent each has the right (whether by license, sublicense or assignment) to use all of the computer software used by the Transferor, the Collection Agent and/or any Originator to account for the Collateral to the extent necessary to administer the Collateral, and, in the case of the Borrower and the Collection Agent, to assign (by way of sale or collateral pledge) or sublicense such rights to use all of such software to the Administrative Agent.

(x) The Borrower has filed or caused to be filed all federal and other material tax returns which are required to be filed by it, and has paid or caused to be paid all taxes shown to be due and payable on such returns or on any assessments received by it, other than any taxes or assessments, the validity of which are being contested in good faith by appropriate proceedings and with respect to which the Borrower has set aside or has caused to be set aside adequate reserves on its books (consolidated or otherwise) in accordance with GAAP.

(y) Except as could not reasonably be expected to result in material liability to the Borrower, each of the Borrower and its ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in material liability of the Borrower or any of its ERISA Affiliates. The present value of all benefit liabilities under each Plan (based on the assumptions used for funding purposes) did not, as of the last annual valuation date applicable thereto, exceed the fair market value of the assets of such Plan in such amount that would reasonably be expected to result in a funding obligation that could reasonably be expected to result in a Material Adverse Effect, and the present value of all benefit liabilities of all underfunded Plans (based on the assumptions used for funding purposes) did not, as of the last annual valuation dates applicable thereto, exceed the fair market value of the assets of all such underfunded Plans in such amount that could reasonably be expected to result in a Material Adverse Effect.

(z) The Borrower has timely paid or caused to be paid all sales, excise or personal property taxes payable in connection with the Receivables, other than any taxes or assessments, the validity of which are being contested in good faith by appropriate proceedings and with respect to which the Borrower has set aside or has caused to be set aside adequate reserves on its books (consolidated or otherwise) in accordance with GAAP (*provided*, that, notwithstanding such contest, Receivables subject to such tax claims shall not constitute Eligible Receivables hereunder).

(aa) The Borrower has not intentionally (i) misstated any calculation of Eligible Receivables or Net Receivables Balance hereunder (other than in an immaterial amount and based on good faith estimates utilized in the calculation thereof), or (ii) misrepresented any Receivable as qualifying as an Eligible Receivable or intentionally included such misrepresented Receivable in the Net Receivables Balance at the time so included.

(bb) Each remittance of Collections by or on behalf of the Borrower to the Administrative Agent, for itself, or any Managing Agent or any related Lender, will have been (i) in payment of a debt incurred by the Borrower in the ordinary course of business or financial affairs of the Borrower, and (ii) made in the ordinary course of business or financial affairs of the Borrower.

(cc) All required Notices have been prepared and delivered to each of its Obligors (or, in the case of a Governmental Entity, its fiscal intermediary), and all invoices issued after the Closing Date bear only the appropriate remittance instructions for payment direction to a Lock-Box or a Collection Accounts, as the case may be. No direction is in effect directing Obligors to remit payments on Receivables other than to a Lock-Box or a Collection Account.

(dd) Each of the Collection Accounts has been established in the name of an Originator by a Collection Account Bank, and a Concentration Account has been established in the name of the Borrower by each Concentration Account Bank. Neither the Collection Agent nor the Borrower has established any lock-box, lock-box account or other deposit account for the receipt of Collections other than the Lock-Boxes and Collection Accounts. Each Lock-Box is linked to a Collection Account. Each Collection Account has been set up to so that all available funds automatically sweep to the applicable Concentration Account at the end of each Business Day. The Borrower has taken, or has caused to be taken, all actions necessary or advisable to assure that all Collections are received in the Lock-Boxes and Collection Accounts. The Borrower will not (i) close any Lock-Box, any Collection Account or any Concentration Account or open any new lock-box or account to function as a Lock-Box, a Collection Account or a Concentration Account, (ii) make any change to the instructions to the Obligor that all payments with respect to the Receivables be made to a Lock-Box or Collection Account or (iii) make any change to the instructions to a Collection Account Bank as set forth in the applicable Deposit Account Notification Agreement (Government Healthcare Receivables) requiring the automatic sweep of all available funds in each Collection Account to the applicable Concentration Account at the end of each Business Day, in each case, without the prior written consent of the Administrative Agent and each Managing Agent; *provided*, if provisions under clauses (i), (ii) or (iii) above have been violated with respect to any Lock-Box or Collection Account relating to an individual Originator without the prior knowledge or consent of the Borrower, the Collection Agent or CHS, the Borrower (itself or through the Collection Agent or CHS) shall have the opportunity to cure the violation of this clause (dd) within 15 days of obtaining knowledge of such breach by the Originator and, if such violation is cured within such 15 day period, the cure of such violation shall be effective to cure any breach of any covenant, representation or warranty by the Borrower under any Facility Document directly related to or directly arising from such violation without any further action.

(ee) Neither the Parent nor the Borrower is (i) a country, territory, organization, person or entity named on an Office of Foreign Asset Control (OFAC) list, (ii) a Person that resides or has a place of business in a country or territory named on such lists or which is designated as a “Non-Cooperative Jurisdiction” by the Financial Action Task Force on Money Laundering, or whose subscription funds are transferred from or through such a jurisdiction; (iii) a “Foreign Shell Bank” within the meaning of the USA PATRIOT Act, i.e., a foreign bank that does not have a physical presence in any country and that is not affiliated with a bank that has a physical presence and an acceptable level of regulation and supervision; or (iv) a person or entity that resides in or is organized under the laws of a jurisdiction designated by the United States Secretary of the Treasury under Sections 311 or 312 of the USA PATRIOT Act as warranting special measures due to money laundering concerns.

(ff) Notice of termination of each of the agreements and other documents relating to the sale, purchase or transfer of AccessOne Program Receivables from an Originator to any Person other than the Buyer was provided to such Person prior to the Closing Date.

(gg) The Borrower (i) is not a “covered fund” as defined in the final regulations issued December 10, 2013, implementing the Volcker Rule and (ii) is not, and after giving effect to the transactions contemplated hereby, will not be, required to register as an “investment company” within the meaning of the Investment Company Act. In determining that the Borrower is not a “covered fund”, the Borrower is entitled to rely on the exemption from the definition of “investment company” set forth in Section 3(c)(5) of the Investment Company Act, and may be able to rely on other exemptions or exclusions.

(hh) Policies and procedures have been implemented and maintained by or on behalf of the Borrower that are designed to achieve compliance by the Borrower and its directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, giving due regard to the nature of such Person's business and activities, and the Borrower and its officers and employees and, to the knowledge of the Borrower and its officers, employees, directors and agents acting in any capacity in connection with or directly benefitting from the loan facility established hereby, are in compliance with Anti-Corruption Laws and applicable Sanctions, in each case in all material respects. Neither the Borrower nor, to the knowledge of the Borrower, its directors, officers, employees, or agents that will act in any capacity in connection with or directly benefit from the loan facility established hereby, is a Sanctioned Person, and the Borrower is not organized or resident in a Sanctioned Country. No Advance or use of proceeds thereof by the Borrower in any manner will violate Anti-Corruption Laws or applicable Sanctions.

(ii) The Borrower is not an EEA Financial Institution.

SECTION 4.02. Representations and Warranties of the Collection Agent. The Collection Agent represents and warrants to and, where applicable, agrees with each of the Secured Parties, that:

(a) The Collection Agent is a limited liability company duly formed, validly existing and in good standing under the jurisdiction named at the beginning hereof and is duly qualified to do business, and is in good standing, in every jurisdiction in which the nature of its business requires it to be so qualified and the failure to do so could reasonably be expected to have a Material Adverse Effect.

(b) The execution, delivery and performance by the Collection Agent of this Agreement and any other documents to be delivered by it hereunder (i) are within the Collection Agent's limited liability company powers, (ii) have been duly authorized by all necessary limited liability company action, (iii) do not contravene (1) the Collection Agent's certificate of formation or limited liability company agreement, (2) any law, rule or regulation applicable to the Collection Agent, (3) any contractual restriction binding on or affecting the Collection Agent or its property (other than in an immaterial manner), or (4) any order, writ, judgment, award, injunction or decree binding on or affecting the Collection Agent or its property, and (iv) do not result in or require the creation of any Lien upon or with respect to any of its properties. This Agreement has been duly executed and delivered by the Collection Agent.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for the due execution, delivery and performance by the Collection Agent of this Agreement or any other document to be delivered by it hereunder except such as (i) have been made or obtained and are in full force and effect and (ii) where the failure to make or obtain could not reasonably be expected to adversely affect the Collection Agent's ability to perform its material obligations hereunder or the ability of the Borrower to assign or collect the Receivables hereunder (other than in an immaterial manner).

(d) This Agreement constitutes the legal, valid and binding obligation of the Collection Agent enforceable against the Collection Agent in accordance with its terms subject to bankruptcy and similar laws affecting creditors generally and general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(e) There is no pending or, to the Collection Agent's knowledge, threatened action, investigation or proceeding affecting the Collection Agent or any of its Subsidiaries before any court, governmental agency or arbitrator which may materially adversely affect the financial condition or operations of the Collection Agent or any of its Subsidiaries or the ability of the Collection Agent to perform its obligations under this Agreement, or which purports to affect the legality, validity or enforceability of this Agreement, except any such action, investigation or proceeding that the Collection Agent certifies to the Administrative Agent that, in the best judgment of the Collection Agent, if determined adversely, will not have a material impact on the ability of the Collection Agent to fulfill its duties hereunder, or result in a Lien on the Collateral.

(f) The Collection Agent has not intentionally (i) misstated any calculation of Eligible Receivables or Net Receivables Balance hereunder (other than in an immaterial amount and based on good faith estimates utilized in the calculation thereof), or (ii) misrepresented any Receivable as qualifying as an Eligible Receivable or intentionally included such misrepresented Receivable in the Net Receivables Balance at the time so included.

(g) Each Monthly Report (if prepared by the Collection Agent or one of its Affiliates, or to the extent that information contained therein is supplied by the Collection Agent or an Affiliate), information, exhibit, financial statement, document, book, record or report furnished or to be furnished at any time by the Collection Agent to the Administrative Agent, the Managing Agents or the Lenders in connection with this Agreement is or will be accurate in all material respects as of its date or (except as otherwise disclosed to the Administrative Agent, the Managing Agents or the Lenders, as the case may be, at such time) as of the date so furnished, and no such document contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements contained therein, in the light of the circumstances under which they were made, not misleading; *provided* that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, the Collection Agent represents only that it acted in good faith and utilized assumptions that the Collection Agent believed to be reasonable at the time made.

(h) The Collection Agent has (i) timely filed all federal tax returns required to be filed, (ii) timely filed all other material state and local tax returns and (iii) paid or made adequate provision for the payment of all taxes, assessments and other governmental charges (other than any tax, assessment or governmental charge which is being contested in good faith and by proper proceedings, and with respect to which the obligation to pay such amount is adequately reserved against in accordance with generally accepted accounting principles), in each case, other than as to which a failure to do so could reasonably be expected to result in a Material Adverse Effect.

(i) All required Notices have been prepared and delivered to each of its Obligors (or, in the case of a Governmental Entity, its fiscal intermediary), and all invoices issued after the Closing Date bear only the appropriate remittance instructions for payment direction to a Lock-Box or a Collection Accounts, as the case may be. No direction is in effect directing Obligors to remit payments on Receivables other than to a Lock-Box or a Collection Account.

(j) Each of the Collection Accounts has been established in the name an Originator by a Collection Account Bank, and each Concentration Account has been established in the name of the Borrower by a Concentration Account Bank. Neither the Collection Agent nor the Borrower has established any lock-box, lock-box account or other deposit account for the receipt of Collections other than the Lock-Boxes and Collection Accounts. Each Lock-Box is linked to a Collection Account. Each Collection Account has been set up to so that all available funds automatically sweep to the applicable Concentration Account at the end of each Business Day. The Collection Agent has taken, or has caused to be taken, all actions necessary or advisable to assure that all Collections are received in the Lock-Boxes and Collection Accounts. SECTION 6.01. Appointment and Designation of the Collection Agent. The Borrower may, from time to time, with the consent of the Administrative Agent, appoint one or more Persons as the Collection Agent of the Borrower to service, administer and collect the Receivables and otherwise to enforce its rights and interests in, to and under the Collateral, including the Receivables, the Related Security and the Contracts. Any such consent by the Administrative Agent shall be subject to the approval of the Managing Agents pursuant to this Section 6.01. The Collection Agent’s authorization under this Agreement shall terminate on the Collection Date. Until the Administrative Agent gives notice to the Borrower of a designation of a new Collection Agent after the occurrence and during the continuance of a Servicer Termination Event, or consents to the appointment by the Borrower of a new “Collection Agent” under and pursuant to the Sale Agreement, the Contribution Agreement and this Agreement, Professional Services is hereby designated as, and hereby agrees to perform the duties and obligations of, the Collection Agent pursuant to the terms hereof. The Borrower and the Collection Agent may from time to time agree in any collection agency or services agreement among them on the allocation of servicing duties to be performed by the Collection Agent.

Notwithstanding the foregoing, the Administrative Agent may (with the approval of the Managing Agents), after the occurrence and during the continuance of a Servicer Termination Event, designate as Collection Agent any Person to succeed Professional Services or any successor Collection Agent, on the condition in each case that any such Person so designated shall agree to perform the duties and obligations of the collection agent pursuant to the terms hereof and in accordance with applicable Healthcare Laws. The Collection Agent may subcontract the performance of its duties and obligations to a third Person with the prior consent of each Managing Agent, including with respect to Collection Agency Receivables. Any such subcontract shall not affect the Collection Agent's liability for performance of its duties and obligations pursuant to the terms hereof, and any such subcontract shall automatically terminate upon designation of a successor Collection Agent. Notwithstanding anything to the contrary contained in this Agreement, the Collection Agent, if not the Borrower or an Affiliate thereof, shall have no obligation to collect, enforce or take any other action described in this Article VI with respect to any Receivable that is not a Pledged Receivable other than to deliver to the Borrower or at its direction, the Collections and documents with respect to any such Receivable that is not a Pledged Receivable as described in Sections 6.03 and 6.07.

SECTION 6.02. Collection of Receivables by the Collection Agent; Extensions and Amendments of Receivables.

If the Termination Date applicable to all Lender Groups then party hereto shall not have occurred, Professional Services, while such Person is the Collection Agent, may, with respect to the Receivables and, with respect to any Eligible Receivable, in accordance with the Credit and Collection Policy, (i) extend the maturity or adjust the Expected Net Value of any Defaulted Receivable as Professional Services may determine to be appropriate to maximize Collections thereof and (ii) adjust the Expected Net Value of any Receivable to reflect the reductions or cancellations described in the first sentence of Section 2.09, in each such case (except with

respect to Receivables which are not Eligible Receivables) (x) in accordance with the requirements of the Credit and Collection Policy and (y) provided that such extension or adjustment shall not alter the status of such Receivable as a Defaulted Receivable or limit the rights of the Administrative Agent, any Managing Agent or any Lender under this Agreement. Except as otherwise permitted pursuant to the immediately preceding sentence, neither the Collection Agent nor the Borrower will extend, amend, cancel or otherwise modify the terms of any Receivable without the prior written approval of the Administrative Agent, or amend, modify, cancel or waive any term or condition of any Contract related to a Receivable, except to the extent consistent with the Credit and Collection Policy or otherwise with the prior written approval of the Administrative Agent.

(b) Notwithstanding anything else contained herein, neither the Collection Agent nor any subcontractor or delegatee thereof is the agent of the Administrative Agent, any Managing Agent or any Lender, and they are not permitted to (nor do they have any authority to) (i) establish an office or other fixed place of business of the Administrative Agent, any Managing Agent or any Lender, or (ii) contract for, or conclude a contract in the name of, the Administrative Agent, any Managing Agent or any Lender.

(c) The Borrower, the Collection Agent, the Transferor and any applicable Originator may amend the Credit and Collection Policy from time to time provided that (i) no change shall be made in the Credit and Collection Policy that would be adverse to any of the Lenders, including by impairing the collectibility of any Receivable or the ability of the Borrower or the Collection Agent to perform its obligations under this Agreement and (ii) in the event that any change is made to the Credit and Collection Policy, promptly following such change and, in any event within 30 days thereof, the Collection Agent shall provide the Administrative Agent and each of the Managing Agents with an updated Credit and Collection Policy and a summary of all material changes.

SECTION 6.03. Distribution and Application of Collections. The Collection Agent shall set aside the Collections of Receivables in accordance with Sections 2.07. (v) The Administrative Agent is authorized to date and deliver to each Concentration Account Bank, a notice in substantially the form attached to the Control Agreement to transfer exclusive control of such Concentration Account to the Administrative Agent; and

(vi) The Administrative Agent shall have all other rights and remedies provided under the UCC and other Applicable Law, which rights and remedies shall be cumulative.

(b) At any time following the occurrence and during the continuance of an ENV Event, the Administrative Agent may, and shall at the direction of the Managing Agents, itself or through any agent designated by it, determine the Contractual Allowances. The Administrative Agent shall notify the Collection Agent of its determination of the Contractual Allowances at least 10 days prior to the Monthly Report Due Date for the Collection Period immediately prior to such Collection Period, and such Contractual Allowances shall thereafter be approved by each Managing Agent in accordance with Section 6.06.

(c) At all times following the delivery by the Administrative Agent of the notice referred to in Section 6.04(a)(v) to any Concentration Account Bank, the parties agree that the provisions of Section 2.08(c) shall apply with respect to any proceeds of Self Pay Obligations on deposit in the Concentration Accounts.

SECTION 6.05. Records. The Collection Agent, whether or not the Borrower or an Affiliate thereof, shall hold all Records in trust for the Borrower and the Administrative Agent, for the benefit of the Secured Parties, in accordance with their respective interests. Subject to the receipt of contrary instructions from the Administrative Agent that are delivered following the occurrence and continuance of a Servicer Termination Event, the Borrower will deliver all Records to the Collection Agent; *provided, however,* that the Collection Agent, if other than the Borrower or any Affiliate thereof, shall as soon as practicable upon demand deliver to the Borrower copies of Records in its possession relating to Receivables.

SECTION 6.06. Receivable Reporting.

(a) On each Monthly Report Due Date, the Collection Agent shall deliver to the Administrative Agent and each Managing Agent a Monthly Report for the preceding Collection Period, which delivery may be in electronic form. In addition, simultaneously with each delivery of an updated Monthly Report required under the Contribution Agreement and Sale Agreement, the Collection Agent shall deliver a copy of such updated Monthly Report to the Administrative Agent and each Managing Agent.

(b) The Contractual Allowances for the immediately succeeding Collection Period as set forth in a Monthly Report will be deemed approved by the Administrative Agent and the Managing Agents unless the Administrative Agent or a Managing Agent has notified the Collection Agent, in writing before the later of (i) the last Business Day of the month in which such Monthly Report is received and (ii) 10 days after receipt by such Person of such Monthly Report, that the Contractual Allowances as set forth therein is not approved. SECTION 6.07. Collections and Lock-Boxes.

(a) The Borrower and the Collection Agent will instruct all Obligors to cause all Collections to be either (i) remitted to a Lock-Box to be retrieved therefrom by the applicable Collection Account Bank for prompt deposit to the applicable Collection Account or (ii) remitted directly to a Collection Account. If the Borrower, the Transferor, the Collection Agent or any Originator receives any Collections, the Borrower or the Collection Agent will, and shall instruct such Originator to, immediately remit such Collections to the applicable Collection Account within two Business Days of receipt thereof, and the Collection Agent, the Transferor or the Borrower shall promptly take, or direct the applicable Originator to take, all such actions as are reasonably necessary in the Collection Agent's or the Borrower's discretion or reasonably requested by the Administrative Agent to ensure that future payments from any Obligor be made to a Collection Account or Lock-Box. If the Borrower or the Collection Agent does not, or does not cause the applicable Originator to, promptly (and in any event within two Business Days from the Administrative Agent's request) take such actions as the Administrative Agent may reasonably request, then the Administrative Agent, its assigns or designees, may, to the maximum extent permitted by law take such actions as the Administrative Agent, its assigns or designees may, on its direction, deem appropriate.

(b) In accordance with the terms of the applicable Control Agreement, the Collection Agent shall instruct each Concentration Account Bank to allocate and remit Collections in accordance with Sections 2.07 and 2.08; *provided, however*, that the Administrative Agent may, at any time following a Trigger Event and shall, at the direction of any Managing Agent, revoke the Collection Agent's authority with respect to each Concentration Account, direct each Concentration Account Bank to cease taking instructions from the Collection Agent or the Borrower and to thereafter take direction solely from the Administrative Agent in each case by delivery of a notice substantially in the form attached to the Control Agreement for such purpose. Neither the Borrower nor the Collection Agent will (i) add or terminate any bank as a Collection Account Bank or a Concentration Account Bank, (ii) close any Lock-Box, any Collection Account or any Concentration Account or open any new lock-box or account to function as a Lock-Box, Collection Account or Concentration Account, (iii) make any change to the instructions to the Obligor that all payments with respect to the Receivables be made to a Lock-Box or Collection Account or (iv) make any change to the instructions to a Collection Account Bank as set forth in the applicable Deposit Account Notification Agreement (Government Healthcare Receivables) requiring all available funds in each Collection Account to automatically sweep to the applicable Concentration Account at the end of each Business Day, in each case, without the prior written consent of the Administrative Agent and each Managing Agent. The Borrower and the Collection Agent each hereby agrees to take, or cause to be taken, any and all actions reasonably requested by the Administrative Agent to protect and perfect the interest of the Administrative Agent, for the benefit of the Secured Parties, in the event any such change is permitted.

(c) At all times following the revocation by the Administrative Agent of the Collection Agent's authority with respect to any Concentration Account referred to in Section 6.07(b), the parties agree that the provisions of Section 2.08(c) shall apply with respect to any proceeds of Self Pay Obligations on deposit in such Concentration Accounts.

SECTION 6.08. UCC Matters; Protection and Perfection of Collateral. The Collection Agent will direct the Borrower to, keep its jurisdiction of organization, principal place of business and chief executive office, and the offices where it keeps its Records, in the jurisdictions and at the addresses set forth on Schedule V, or, in any such case, upon 30 days' prior written notice to the Administrative Agent, at such other jurisdiction or locations within the United States where all actions reasonably requested by the Administrative Agent to protect and perfect the interest of the Administrative Agent, for the benefit of the Secured Parties, in the Collateral have been taken and completed. Each of the Borrower and the Collection Agent agrees that from time to time, at the Borrower's expense, it will promptly execute and deliver all further instruments and documents, and take all further action that the Administrative Agent may reasonably request in order to perfect, protect or more fully evidence the interest in the Collateral acquired by the Administrative Agent hereunder, or to enable the Administrative Agent to exercise or enforce any of its rights hereunder. Without limiting the generality of the foregoing, each of the Borrower and the Collection Agent agrees that it will upon the request of the Administrative Agent, execute and file such financing or continuation statements, or amendments thereto or assignments thereof, and such other instruments or notices, as may be necessary or appropriate. The Borrower hereby authorizes the Administrative Agent to file one or more financing or continuation statements, and amendments thereto and assignments thereof, relative to all or any of the Collateral now existing or hereafter arising without the signature of

the Borrower where permitted by law. If the Borrower or the Collection Agent fails to perform any of its agreements or obligations under this Section 6.08, the Administrative Agent may (but shall not be required to) itself perform, or cause performance of, such agreement or obligation, and the reasonable expenses of the Administrative Agent incurred in connection therewith shall be payable by the Borrower upon the Administrative Agent's demand therefor. For purposes of enabling the Administrative Agent to exercise its rights described in the preceding sentence and elsewhere in this Article VI, the Borrower and the Collection Agent each hereby authorizes the Administrative Agent following the occurrence and during the continuance of a Trigger Event to take any and all steps in the Borrower's or the Collection Agent's, as applicable, name and on behalf of the Borrower or the Collection Agent, as the case may be, necessary or desirable, in the determination of the Administrative Agent, to collect all amounts due under any and all Receivables, including endorsing the Borrower's or the Collection Agent's name on checks and other instruments representing Collections and enforcing such Receivables and the related Contracts, subject to Applicable Law.

SECTION 6.09. Obligations With Respect to Receivables. Each of the Borrower and the Collection Agent will (a) at the Borrower's expense, regardless of any exercise by the Administrative Agent, any Managing Agent or any Lender of its rights hereunder, timely and fully perform and comply or cause each of the Originators to perform or comply with all material provisions, covenants and other promises required to be observed by it under the Contracts related to the Receivables to the same extent as if the Receivables had not been pledged and assigned hereunder and (b) pay or direct the applicable Originator to pay, when due any taxes, including sales, excise or personal property taxes, payable in connection with the Receivables. In no event shall the Administrative Agent, any Managing Agent or any Lender have any obligation or liability with respect to any Receivables or related Contracts, nor shall any of them be obligated to perform any of the obligations of the Borrower, the Collection Agent or any Originator or any of their respective Affiliates thereunder. Each of the Borrower and the Collection Agent agrees it will timely and fully comply in all material respects with the Credit and Collection Policy in regard to each Receivable and the related Contract.

SECTION 6.10. Applications of Collections. Any payment by an Obligor in respect of any indebtedness owed by it to the Borrower or any Originator shall, except as otherwise specified by such Obligor or otherwise required by contract or Applicable Law and unless otherwise instructed by the Administrative Agent, be applied as a Collection of any Receivable of such Obligor, in the order of the age of such Receivables, starting with the oldest such Receivable, to the extent of any amounts then due and payable thereunder, before being applied to any other indebtedness, account, general intangible or obligation of such Obligor.

SECTION 6.11. Annual Servicing Report of Independent Audit Firm. On an annual basis on or before the date which is 90 days after the end of each fiscal year (or such other date as may be approved by the Administrative Agent in its sole discretion), beginning with the fiscal year ending December 31, 2012, the Collection Agent shall engage and cause FTI Consulting, Inc. or another firm acceptable to each Managing Agent and the Borrower to provide the Collection Agent, each Managing Agent and the Administrative Agent with a report setting forth the results of such firm's review of the Receivables in form and in scope satisfactory to the Administrative Agent, the Managing Agents and the Collection Agent; *provided* that in no event shall such report include "Protected Health Information", as such term is defined in regulations

implementing HIPAA; *provided further* that such independent audit firm shall be required to enter into a Business Associate Agreement with the Collection Agent; *provided further* that, solely with respect to the annual servicing report commenced in 2015, the Collection Agent shall engage FTI Consulting, Inc. or another firm acceptable to each Managing Agent and the Borrower within 30 days after the Fifth Omnibus Amendment Effective Date to provide such report. The Borrower hereby authorizes such firm to discuss such affairs, finances and performance with representatives of the Administrative Agent and each of the Managing Agents.

SECTION 6.12. Indemnities by the Collection Agent. (a) Without limiting any other rights which any Indemnified Party may have hereunder or under Applicable Law, and in consideration of its appointment as Collection Agent, the Collection Agent hereby agrees to indemnify each Indemnified Party from and against any and all Indemnified Amounts awarded against or actually incurred by any of them arising out of or resulting from any actions it has taken or the failure to perform its duties under this Agreement or the other Facility Documents or with respect to the use of proceeds of Advances or remittances or the security interests in the Collateral or in respect of any Receivable, Related Security or Contract. Without limiting or being limited by the foregoing, the Collection Agent shall pay on demand to each Indemnified Party any and all amounts necessary to indemnify such Indemnified Party from and against any and all Indemnified Amounts relating to or resulting from any of the following:

(i) reliance on any representation made or deemed made by the Collection Agent or any of its officers under or in connection with this Agreement or any other Facility Document which shall have been false, incorrect or misleading in any material respect when made or deemed made or delivered;

(ii) the failure by the Collection Agent to comply with any term, provision or covenant contained in this Agreement, any of the other Facility Documents, or any Contract, or with any Applicable Law with respect to any Receivable, the related Contract or the Related Security;

(iii) the failure to file, or any delay in filing, financing statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Law with respect to any Receivables, whether at the Closing Date or at any subsequent time;

(iv) any failure of the Collection Agent to perform its duties or obligations in accordance with the provisions of this Agreement or the other Facility Documents;

(v) the commingling of Collections of Receivables at any time with other funds;

(vi) any action or omission by the Collection Agent that reduces or impairs the rights of the Administrative Agent, any Managing Agent or any of the Lenders with respect to any Receivable or the value of any Receivable;

(vii) any Servicing Fees or other costs and expenses payable to any replacement Collection Agent, to the extent in excess of the Servicing Fees payable to the Collection Agent hereunder; or

(viii) any claim brought by any Person other than an Indemnified Party arising from any activity by the Collection Agent or its Affiliates in servicing, administering or collecting any Receivable.

(b) Any amounts subject to the indemnification provisions of this Section 6.12 shall be paid by the Collection Agent to the Administrative Agent within 10 Business Days following the Administrative Agent's demand therefor. Notwithstanding any other provision of this Agreement to the contrary, the Collection Agent shall not indemnify any Indemnified Party for or with respect to any Indemnified Amounts (i) that would constitute recourse for uncollectible Receivables due to the bankruptcy or insolvency of the related Obligor or (ii) which arise solely from such Indemnified Party's gross negligence, bad faith or willful misconduct as determined in a final non-appealable judgment of a court of competent jurisdiction.

ARTICLE VII EVENTS OF DEFAULT

SECTION 7.01. Events of Default. If any of the following events (any such event, an "Event of Default") shall occur:

(a) The Collection Agent or the Borrower shall fail to make any payment or deposit to be made by it hereunder when due, and, if such failure to make any payment or deposit arises in connection with the payment of Interest or Fees hereunder, such failure shall remain unremedied for five Business Days; or

Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

(b) Notwithstanding the provisions of Section 10.01(a), the written consent of each Lender shall be required for any amendment, modification or waiver (A) reducing any Revolving Principal Balance, or the Interest thereon, for any Fixed Period, or any fee payable to all Lenders, (B) postponing any date for any payment of any Revolving Principal Balance or the Interest thereon, for any Fixed Period, or for any payment of fees payable under the terms of the Fee Letter in effect at such time, (C) extending the Scheduled Termination Date with respect to the Obligations, (D) increasing the Facility Limit or the Commitment of any Lender, (E) modifying the calculation of the Borrowing Base, (F) releasing all or substantially all of the Collateral, or (G) modifying the provisions of this Section 10.01.

(c) Any time that the Commercial Paper of any Conduit Lender is being rated by one or more nationally recognized statistical ratings organizations (as applicable) (each, a "Rating Agency"), at the request of such Conduit Lender, no material amendment or modification of any material provisions hereof or of the Sale Agreement or the Contribution Agreement shall be effective absent confirmation, in form satisfactory to such Conduit Lender, by each such Rating Agency that such amendment or modification will not result in a withdrawal or downgrading of the then-current rating of the Commercial Paper by such Rating Agency.

(d) Notwithstanding any other provision of this Section 10.01, the Administrative Agent shall not (x) agree to the “Addition” (as defined in the Sale Agreement) of any proposed Originator pursuant to Section 9.14(a)(i), or (y) waive compliance of Section 9.14(b)(iii) of the Sale Agreement with respect to the “Removal” (as defined in the Sale Agreement) of a Material Originator, in each case, without the prior approval of the Required Lenders.

(e) Notwithstanding any other provision of this Section 10.01, the provisions of Sections 4.03 hereof, Section 4.02 of the Sale Agreement and Section 4.02 of the Contribution Agreement may not be amended or waived without confirmation from S&P that the rating of any Conduit Lender’s Commercial Paper by S&P will not be reduced or withdrawn as a result thereof.

(f) The Administrative Agent shall provide notice to S&P of any amendment or modification of any provision of this Agreement or the Contribution Agreement.

(g) Notwithstanding any other provision of this Section 10.01, for so long as the Collection Agent is an Affiliate of CHS and the Performance Undertaking is in effect, no amendment, waiver or consent shall, without the prior written consent of CHS, affect the rights or duties of CHS under this Agreement (such consent not to be unreasonably withheld or delayed).

SECTION 10.02. Notices.

(a) *Addresses.* All notices, demands, requests and other communications required or expressly authorized to be made by this Agreement shall be given in writing, unless otherwise expressly specified herein and shall be delivered by hand or overnight courier service, mailed by certified or registered mail or sent by Electronic Transmission, and addressed to the address set forth on the applicable signature page hereto or, as applicable, the relevant Assignment and Acceptance or to such other address as shall be notified in writing to the Borrower, the Administrative Agent and each Managing Agent.

(b) *Effectiveness.*

(i) All communications described in clause (a) above and all other notices, demands, requests and other communications made in connection with this Agreement shall be effective and be deemed to have been received (x) if delivered by hand or overnight courier service or sent by Electronic Transmission, on the date of receipt, or (y) if delivered by certified or registered mail, five Business Days after dispatch, in each case under clauses (x) and (y), delivered, sent, transmitted or mailed (properly addressed) to such party as provided in this Section 10.02 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 10.02. Notwithstanding the foregoing, no notice, demand, request or other communication to the Administrative Agent pursuant to Article II shall be effective until received by the Administrative Agent.

(ii) The submission by the Borrower or the Collection Agent of any communication pursuant to an Electronic Transmission shall constitute a representation and warranty by such Person that any representation, warranty, certification or other similar statement required by the Facility Documents to be provided, given or made by such Person in connection with any such communication is true, correct and complete except as expressly noted in such communication.

(c) Each Lender shall notify the Administrative Agent in writing of any changes in the address to which notices to such Lender should be directed, of addresses of its lending office, of payment instructions in respect of all payments to be made to it hereunder and of such other administrative information as the Administrative Agent shall reasonably request.

SECTION 10.03. Electronic Transmissions. Subject to the provisions of Subsection 10.02(a), each of the Administrative Agent, each Managing Agent, each Lender, the Borrower, the Collection Agent and each of their respective officer, directors, employees and agents, is authorized (but not required) to transmit, post or otherwise make or communicate, in its sole discretion, Electronic Transmissions in connection with any Facility Document and the transactions contemplated therein. The Borrower, the Collection Agent and each Secured Party acknowledges and agrees that the use of Electronic Transmissions is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse and each indicates it assumes and accepts such risks by hereby authorizing the transmission of Electronic Transmissions.

SECTION 10.04. Right of Setoff. Without in any way limiting the provisions of Section 2.14, the Administrative Agent, each Managing Agent and each Lender is hereby authorized (in addition to any other rights it may have) to set-off, appropriate and apply (without presentment, demand, protest or other notice which are hereby expressly waived) any deposits and any other indebtedness held or owing by the Administrative Agent, such Managing Agent or such Lender to, or for the account of, the Borrower, the Collection Agent, the Transferor or any Originator against any amount owing by the Borrower, the Collection Agent, the Transferor or any Originator, as the case may be, to such Person or to the Administrative Agent or Managing Agent on behalf of such Person (even if contingent or unmatured); *provided*, that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.15 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the other Secured Parties, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. For avoidance of doubt, the right of setoff set forth in this Section 10.04 does not permit setoff of deposits and indebtedness held or owing by one Person to or for the account of a second Person against amounts owing by any Person other than such second Person.

SECTION 10.05. No Waiver, Remedies. No failure on the part of the Administrative Agent, any Managing Agent or any Lender to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 10.06. Binding Effect; Assignability.

(a) This Agreement shall be binding upon and inure to the benefit of the Borrower, the Lenders, the Managing Agents, the Administrative Agent, the Collection Agent, and their respective successors and permitted assigns.

(b) The Borrower may not assign any of its rights or delegate any of its duties hereunder or under the other Facility Documents without the prior written consent of the Administrative Agent and each Managing Agent. A Lender may assign any of its rights and delegate any of its duties hereunder and under the other Facility Documents (i) without the consent of the Borrower, to any Lender (other than a Defaulting Lender), any Affiliate of any Lender or to any Liquidity Provider and (ii) with the prior written consent of the Borrower (which consent shall not be unreasonably withheld or delayed), to any other Person; *provided* that no such consent shall be required during the continuance of an Event of Default.

(c) Notwithstanding any other provision of this Agreement, any Lender may at any time in its sole and absolute discretion assign, participate, grant a security interest in, transfer or pledge all or a portion of its rights (including its rights to payment of the principal and Interest on its Advances) under this Agreement or under its Liquidity Agreement to secure its obligations to (x) a Federal Reserve Bank or any similar entity or federal program or (y) a trustee or collateral agent, without notice to or consent of the Borrower (and without the execution of any document in connection therewith); *provided* that no such assignment under this clause (c) shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto, and the Administrative Agent, the Managing Agents, the other Lenders, the Collection Agent and the Borrower shall have the right to continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement.

(d) The parties to each assignment made pursuant to this Section 10.06 shall execute and deliver to the Administrative Agent for its acceptance and recording in its books and records, an Assignment and Acceptance or other transfer instrument reasonably satisfactory in form and substance to the Administrative Agent, the related Managing Agent and the Borrower. Each such assignment shall be effective as of the date specified in the applicable Assignment and Acceptance or other instrument only after the execution, delivery, acceptance and recording as described in the preceding sentence. The Administrative Agent shall notify the Borrower of any assignment made pursuant to this Section 10.06. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the obligations under this Agreement (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.06(d) shall be construed so that the obligations under this Agreement are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(e) Each Lender may sell participations, to one or more banks or other entities in or to all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment); *provided, however*, that

(i) such Lender's obligations under this Agreement (including its Commitment to the Borrower hereunder) shall remain unchanged,

(ii) such Lender shall remain solely responsible to the other parties to this Agreement for the performance of such obligations,

(iii) the Administrative Agent, the Managing Agents, the other Lenders, the Collection Agent and the Borrower shall have the right to continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and

(iv) such Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each Participant's interest in the obligations under the this Agreement (the "Participant Register"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under this Agreement) to any person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. This Section 10.06(e)(iv) shall be construed so that the obligations under this Agreement are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) such Lender obtains a representation from any proposed assignee of such participation that either (i) the assignee is not acquiring and will not hold the participation with "plan assets" of any "benefit plan investor" within the meaning of Section 3(42) of ERISA or (ii) the acquisition and holding by the assignee of the participation will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

(f) The Lenders may, in connection with any assignment or participation by any of them or any proposed assignment or participation pursuant to this Section 10.06, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrower, the Collection Agent and the Collateral furnished to such Lender by or on behalf of the Borrower or the Collection Agent; *provided* that prior to any such disclosure of information designated by the Borrower as confidential, each such assignee or participant or proposed assignee or participant shall executed an agreement whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 10.14.

SECTION 10.07. Term of this Agreement. This Agreement, including the Borrower's obligation to observe its covenants set forth in Article V, and the Collection Agent's obligation to observe its covenants set forth in Articles V and VI, shall remain in full force and effect until the Collection Date; *provided, however*, that the rights and remedies with respect to any breach of any representation and warranty made or deemed made by the Borrower or the Collection Agent pursuant to Articles III and IV, the indemnification and payment provisions of Section 6.12, Article VIII and Article IX and the provisions of Section 2.11, 2.12, 10.10, 10.11 and Section 10.12 shall be continuing and shall survive any termination of this Agreement.

Nothing in this Section 10.08 shall affect the right of any party to serve legal process in any other manner permitted by law.

SECTION 10.09. WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH LENDER, EACH MANAGING AGENT, THE ADMINISTRATIVE AGENT, THE BORROWER AND THE COLLECTION AGENT EACH WAIVES ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE BETWEEN THE PARTIES HERETO ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP BETWEEN ANY OF THEM IN CONNECTION WITH THIS AGREEMENT, ANY OTHER FACILITY DOCUMENT, ANY OTHER DOCUMENT DELIVERED PURSUANT HERETO OR THERETO, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY INSTEAD, ANY SUCH DISPUTE RESOLVED IN COURT WILL BE RESOLVED IN A BENCH TRIAL WITHOUT A JURY.

SECTION 10.10. Costs, Expenses and Taxes.

(a) In addition to the rights of indemnification granted to the Administrative Agent, the Managing Agents, the Lenders and the other Indemnified Parties under Article VIII hereof, the Borrower agrees to pay on demand all reasonable out-of-pocket costs and expenses of the Managing Agents, the Lenders and the Administrative Agent incurred in connection with the preparation, execution, delivery, administration (including periodic auditing permitted hereunder), amendment or modification of, or any waiver or consent issued in connection with, this Agreement and the other documents to be delivered hereunder or in connection herewith, including rating agency fees, auditor fees, the annual servicing report referred to in Section 6.11 and out-of-pocket expenses and the reasonable fees and out-of-pocket expenses of one external counsel for the Administrative Agent, any Managing Agent and any Lender with respect thereto, collectively, with respect to advising the Administrative Agent, any Managing Agent and any Lender as to their respective rights and remedies under this Agreement and the other documents to be delivered hereunder or in connection herewith, and all costs and expenses, if any (including counsel fees and expenses), incurred by the Administrative Agent, any Managing Agent and any Lender in connection with the enforcement of this Agreement and the other documents to be delivered hereunder or in connection herewith.

SECTION 10.11. Waiver of Consequential Damages. (a) Each of the Collection Agent, the Transferor and the Borrower agrees that no Indemnified Party shall have any liability to them or any of their equity holders or creditors in connection with this Agreement, the other Facility Documents or the transactions contemplated thereby on any theory of liability for any special, indirect, consequential or punitive damages (including any loss of profits, business or anticipated savings), and hereby waives any such claim.

(b) The Administrative Agent, each Managing Agent and each Lender agrees that none of the Transferor, the Originators, the Collection Agent, the Borrower or their respective Affiliates shall have any liability to them or any of their equity holders or creditors in connection with this Agreement, the other Facility Documents or the transactions contemplated thereby on any theory of liability for any special, indirect, consequential or punitive damages (including any loss of profits, business or anticipated savings), and hereby waives any such claim.

(c) The Administrative Agent, the Managing Agents and each other Lender hereby agrees that it will not, and the Collection Agent agrees that it will not, and will not suffer or permit any Affiliate of the Collection Agent to, institute against, or join any other Person in instituting against, the Borrower any proceedings of the type referred to in clause (i)(C) of Section 7.01(g) so long as there shall not have elapsed one year and one day since the last day on which any Obligations hereunder shall have been outstanding.

(d) The provisions of this Section 10.12 shall survive the termination of this Agreement.

SECTION 10.13. Execution in Counterparts; Severability; Integration. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. This Agreement and the other Facility Documents contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof, superseding all prior oral or written understandings other than the fee letters described in Section 2.06.

SECTION 10.14. Confidentiality.

(a) Except to the extent otherwise required by Applicable Law, unless the provider thereof shall otherwise consent in writing each of the Borrower and the Collection Agent agrees that it shall maintain the confidentiality of information received from any Secured Party related to such Secured Party or its business other than any such information that was available to the Borrower or the Collection Agent on a non-confidential basis prior to its disclosure by such Secured Party ("Secured Party Information"); *provided, however,* that the Borrower and the Collection Agent may disclose any Secured Party Information (w) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel, administration and service providers, and other advisors (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Secured Party Information and instructed to keep such Secured Party Information confidential), (x) to the extent such disclosure may be required by Applicable Law, or by any court or administrative agency having jurisdiction over any party or as may be requested by any regulatory body, (y) to the extent the relevant Secured Party consents in writing to the release of the Secured Party Information, (z) subject to a written confidentiality agreement having terms substantially similar to this Section 10.14, to the Transferor, any Originator or any Affiliate thereof or to any financial institution or other party that extends or is considering the extension of debt or equity financing or swap or derivative arrangement to the Transferor, any Originator or any Affiliate thereof, or (aa) as may be required or appropriate in response to a court order or in connection with any litigation; *provided further, however,* that the Borrower and the Collection Agent shall have no obligation of confidentiality whatsoever in respect of any Secured Party Information or other information which (i) may be generally available to the public other than as a result of a breach of this Section 10.14(a), (ii) is in the possession of Borrower or the Collection Agent prior to the date hereof and receipt thereof from a Secured Party, and is not subject to a confidentiality agreement or legal or regulatory restriction on disclosure or (iii) is independently developed by the Borrower or the Collection Agent or one or more of their respective representatives without violating the terms of this Section 10.14(a).

(b) Except to the extent otherwise required by Applicable Law, unless the provider thereof shall otherwise consent in writing each of the Administrative Agent, each Managing Agent and each Lender agrees that it shall maintain the confidentiality of (i) the Credit and Collection Policy, and (ii) all other information received from the Borrower, the Collection Agent or any of their Affiliates (each a “CHS Party” and, collectively, the “CHS Parties”) related to such CHS Party or its business, other than any such information that was available to such Person on a non-confidential basis prior to its disclosure by such CHS Party (“CHS Party Information”); *provided, however*, that each of the Administrative Agent, any Managing Agent and any Lender may disclose any CHS Party Information (w) to its and its Affiliates’ officers, directors, employees and agents, including accountants, legal counsel, administration and service providers, and other advisors (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such CHS Party Information and instructed to keep such CHS Party Information confidential), (x) to the extent such disclosure may be required by Applicable Law, or by any court or administrative agency having jurisdiction over any party or as may be requested by any regulatory body, (y) to the extent the relevant CHS Party consents in writing to the release of the CHS Party Information, (z) subject to a written confidentiality agreement having terms substantially similar to this Section 10.14, to any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Facility Documents, (aa) as may be required or appropriate in response to a court order or in connection with any litigation, (bb) to any Rating Agency in connection with the rating of any Commercial Paper of any Conduit Lender and (cc) as contemplated by Rule 17g-5 under the Securities Exchange Act of 1934 (and various agreements between the Administrative Agent, any Managing Agent or any Conduit Lender and any nationally recognized statistical rating organization), to any nationally recognized statistical rating organization which is not then rating such Conduit Lender’s Commercial Paper, and which accesses such CHS Party Information on a website maintained by a Conduit Lender in compliance with such Rule 17g-5 or (dd) to credit enhancers and dealers and investors in respect of promissory notes of each Conduit Lender in accordance with customary practices of such Conduit Lender for disclosures to credit enhancers, dealers or investors, as the case may be; *provided further, however*, that each of the Administrative Agent, each Managing Agent and each Lender shall have no obligation of confidentiality whatsoever in respect of any CHS Party Information or other information which (i) becomes known or which may be generally available to the public other than as a result of a breach of this Section 10.14(b), (ii) is in the possession of the Administrative Agent, any Managing Agent or and any Lender prior to receipt thereof from a CHS Party and is not subject to a confidentiality agreement or legal or regulatory restriction on disclosure, or (iii) is independently developed by the Administrative Agent, any Managing Agent or any Lender, or one or more of their respective representatives without violating the terms of this Section 10.14(b).

(c) Notwithstanding any other provision herein or in any other Facility Document, each Managing Agent, each Lender and the Administrative Agent hereby confirms that the Borrower, the Transferor, each Originator and the Collection Agent (and each employee, representative or other agent of each such party) may disclose to any and all Persons, without limitation of any kind, the U.S. tax treatment and U.S. tax structure of the transaction contemplated by this Agreement and the other Facility Documents.

(d) The Administrative Agent hereby agrees to comply with the terms and conditions of the Business Associate Agreement. Each member of the Lender Group hereby agrees to, and shall take reasonable steps to cause each other member of the Lender Group to, comply with all applicable Healthcare Laws (including the provisions set forth in the Business Associate Agreement, if applicable) regarding confidential patient information, if any, it receives in connection with the transactions described in this Agreement.

SECTION 10.15. Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Facility Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Facility Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Facility Documents; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

[THE REST OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

(a) On the Initial Transfer Date and on each Business Day after the Initial Transfer until the Termination Date (each, a “Transfer Date”), on the terms and conditions hereinafter set forth, and without recourse to the Transferor (except to the extent specifically provided herein) the Transferor hereby offers to sell or contribute to the capital of the Company and, upon satisfaction of the applicable conditions set forth in Article III, the Transferor does hereby sell or contribute and the Company does hereby purchase or accept as a capital contribution from the Transferor on such Transfer Date all Receivables owned by the Transferor as of the close of business on the immediately preceding Business Day (other than any AccessOne Program Receivables originated prior to the date that is 30 days after the Closing Date) which have not been previously Transferred to the Company hereunder, together with all of the Related Security relating to such Receivables and all Collections with respect to and other proceeds of such Receivables; *provided* that notwithstanding anything to contrary, each Transfer of an Illinois Receivable hereunder shall be effectuated through a Contribution and not a Purchase.

(b) The Company shall convey to the Transferor the Transfer Value in respect of each Transfer, which shall be conveyed in the manner provided in Sections 2.02 and 2.03.

(c) Effective on each Transfer Date hereunder, the Company shall own the Transferred Property that was Transferred by the Transferor to the Company on such Transfer Date, and the Transferor shall not take any action inconsistent with such ownership and shall not claim any ownership interest in such Transferred Property.

(d) It is the intention of the parties hereto that each Purchase of Receivables to be made hereunder shall constitute a “sale of accounts,” as such term is used in Article 9 of the UCC of the State of New York, and not a loan secured by such accounts. Each sale of Receivables by Transferor to the Company is made without recourse; *provided, however*, that (i) the Transferor shall be liable to the Company for all representations, warranties and covenants made by the Transferor pursuant to the terms of this Agreement, and (ii) such sale does not

constitute and is not intended to result in an assumption by the Company or any assignee thereof of any obligation of the Originator or any other Person arising in connection with the Purchased Property, or any other obligations of any Originator or the Transferor. In view of the expressed intention of the parties hereto that the Purchases of Receivables to be made hereunder shall constitute a sale of such Receivables to the Company, the Transferor and the Company each agrees to note on its financial statements that the Receivables have been sold to the Company to the extent other treatment in the financial statements is not required by GAAP. If at any time contrary to the mutual intent of the Transferor and the Company a court characterizes the transactions hereunder as loans by the Company to the Transferor, then the Transferor shall, effective as of the Closing Date, be deemed to have granted (and the Transferor hereby does grant) to the Company a first priority security interest in all of its right and title to and interest in all Purchased Property and the proceeds thereof as security for such loans advanced to the Transferor hereunder with accrued interest thereon, and this Agreement shall be deemed to be a security agreement.

(e) It is the intention of the parties hereto that each Contribution of Receivables to be made hereunder shall constitute a “true contribution” and not a loan secured by the Receivables. Each contribution of Receivables by the Transferor to the Company is made without recourse; *provided, however*, that (i) the Transferor shall be liable to the Company for all representations, warranties and covenants made by the Transferor pursuant to the terms of this Agreement, and (ii) such Contribution does not constitute and is not intended to result in an assumption by the Company or any assignee thereof of any obligation of the Originator or any other Person arising in connection with the Contributed Property, or any other obligations of any Originator or the Transferor. In view of the expressed intention of the parties hereto that the Contributions of Receivables to be made hereunder shall constitute a capital contribution of such Receivables to the Company, the Transferor and the Company each agrees to note on its financial statements that the Receivables have been Contributed to the capital of the Company to the extent other treatment in the financial statements is not required by GAAP. If at any time contrary to the mutual intent of the Transferor and the Company a court characterizes the transactions hereunder as loans by the Company to the Transferor, then the Transferor shall, effective as of the Closing Date, be deemed to have granted (and the Transferor has granted) to the Company a first priority security interest in all of its right and title to and interest in all Contributed Property and the proceeds thereof as security for such loans advanced to the Transferor hereunder with accrued interest thereon, and this Agreement shall be deemed to be a security agreement.

(f) In no event does the Transferor pledge, sell or offer to sell, nor does the Company obtain a security interest, purchase or offer to purchase from the Transferor, (A) any Self Pay Obligation or any collections thereon or proceeds thereof or (B) any account, general intangible, instrument, license, property right, permit or any other contract or agreement to which the Transferor is a party or any of its rights or interests thereunder if and for so long as the grant of such security interest or such sale shall constitute or result in (x) the abandonment, invalidation or unenforceability of any right, title or interest of the Transferor therein, or (y) a violation of a valid and enforceable restriction in respect of such account, general intangible, instrument, license, property right, permit or any other contract or agreement or other such rights (1) in favor of a third party or (2) under any Applicable Law; *provided, however*, that such security interest shall attach, or such sale shall be consummated, immediately at such time as the

condition causing such abandonment, invalidation or unenforceability, as the case may be, shall be remedied and, to the extent severable, shall attach or be consummated, as applicable, immediately to any portion of such account, general intangible, instrument, license, property right, permit or any other contract or agreement that does not result in any of the consequences specified in the immediately preceding clause (x) or clause (y) including any proceeds of such account, general intangible, instrument, license, property rights, permit or any other contract or agreement.

SECTION 2.02. Consideration for the Transferred Receivables.

(a) With respect to each Purchase, the Company shall pay the Transferor an amount equal to the Purchase Price for such Purchased Property.

(b) With respect to each Contribution, the Company shall increase the amount of the capital account of the Company held by the Transferor in an amount equal to the Contribution Value of such Contributed Property.

(c) Settlement of the amounts specified in the foregoing clauses (a) and (b) shall be effected as provided in Section 2.03.

(d) The Transferor hereunder shall be deemed to have certified, with respect to the Transferred Property to be Transferred by the Company on any Transfer Date, that its representations and warranties contained in Sections 4.01 and 4.02 are true and correct on and as of such day, with the same effect as though made on and as of such day (other than any representation or warranty that is made as of a specific date), that no Termination or Event of Termination has occurred and is continuing or would result therefrom.

SECTION 2.03. Settlement Procedures.

(a) On each Business Day during the term of this Agreement, the Company (or the Collection Agent on behalf of the Company) shall remit to the Transferor all funds that are available to the Company on such Business Day, whether constituting (i) amounts on deposit in a Concentration Account that may be withdrawn by the Collection Agent as provided in Section 2.07(c) of the Loan Agreement, (ii) Advances (as defined in the Loan Agreement) deposited to the Company's account as provided in Section 2.01(g) of the Loan Agreement or (iii) other funds available to the Company, in each case other than (x) funds required to be maintained by the Company to comply with Applicable Law and the requirements of the Loan Agreement and (y) to the extent the Company determines to retain any or all of such available funds for its own purposes. The funds transferred to the Transferor on a Business Day pursuant to the preceding sentence constitute the "Distributed Funds" for such Business Day, and all Distributed Funds transferred to the Transferor during a Collection Period constitute the "Monthly Distributed Funds" for such Collection Period.

(b) The Monthly Report with respect to each Collection Period shall specify, among other things, the Aggregate Transfer Value, the aggregate Monthly Distributed Funds, the Purchase Percentage, the Contribution Percentage and the Noncomplying Receivables Adjustment, in each case in respect of such Collection Period.

(c) On each Settlement Date, based on calculations set forth in the Monthly Report:

(i) (A) an amount of the Monthly Distributed Funds equal to the Purchase Percentage of the Aggregate Transfer Value shall constitute and shall be deemed for all purposes as payment of the Purchase Price to the Transferor, and (B) the Purchased Property for such Collection Period shall be the Purchase Percentage of the Receivables, Related Security and Collections Transferred to the Company during such Collection Period;

(ii) (A) an amount equal to the Contribution Percentage of the Aggregate Transfer Value shall constitute and shall be deemed for all purposes as a contribution by the Transferor to its capital account in the Company, and (B) the Contributed Property for such Collection Period shall be the Contribution Percentage of the Receivables, Related Security and Collections Transferred to the Company during such Collection Period; and

(iii) if the Monthly Distributed Funds exceeds the Aggregate Transfer Value for the related Collection Period, then (A) the amount of such excess, to the extent permitted by Applicable Law, shall be treated as a distribution by the Company to the Transferor of that amount of capital, and (B) the Transferor's capital account in the Company shall be reduced by the amount of such excess and any amount of such excess that cannot be treated as a distribution under Applicable Law may be treated as part of the Monthly Distributed Funds for the following Collection Period.

(d) If the Company notifies the Collection Agent of any exceptions to its calculations in the Monthly Report, the Transferor and the Company shall promptly endeavor to resolve and reconcile the matters set forth in such notice.

(e) The Transferor shall make a payment to the Company, within two Business Days of notice thereof and in immediately available funds in an amount equal to the Noncomplying Receivables Adjustment with respect to any Noncomplying Receivables identified by the Collection Agent or the Company (or its assigns) from time to time. Notwithstanding such payment obligation, on any Settlement Date prior to the occurrence of a Termination or Event of Termination, the Company in its sole discretion may elect to setoff or subtract all or any portion of such Noncomplying Receivables Adjustment for the related Collection Period from the Aggregate Transfer Value which would otherwise be paid to the Transferor or credited to the capital account of the Transferor on such day, which setoff will reduce such payment or credit obligation on a dollar for dollar basis.

SECTION 2.04. Payments and Computations, Etc. The payment or deposit of all amounts to be paid by the Transferor or the Collection Agent to the Company hereunder shall be initiated in accordance with the terms hereof no later than 12:00 P.M. In the event that any payment becomes due on a day which is not a Business Day, then such payment shall be made on the next succeeding Business Day. The Transferor shall, to the extent permitted by law, pay to the Company, on demand, interest on all

amounts not paid when due hereunder (whether owing by the Transferor or by a Collection Agent) at 2.0% *per annum* above the Base Rate, payable on demand; *provided, however*, that such interest rate shall not at any time exceed the maximum rate permitted by applicable law. (b) The Transferor shall take such action requested by the Company, from time to time hereafter, that may be necessary or appropriate to ensure that the Company and its assignees have (i) an enforceable ownership interest in the Records relating to the Receivables Transferred hereunder and (ii) an enforceable right (whether by license or sublicense or otherwise) to use all of the computer software used to account for the Receivables and/or to recreate such Records.

(c) No authorization or approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required for its due execution, delivery and performance of this Agreement or any other Transferor Document to be entered into by it, except (i) for the filing of UCC financing statements, all of which financing statements have been duly filed and, to its knowledge, are in full force and effect, (ii) such as have been made or obtained and are in full force and effect and (iii) where the failure to make or obtain could not reasonably be expected to adversely affect the Company's ability to perform its material obligations hereunder or the ability to assign or collect the Receivables hereunder.

(d) This Agreement and each other Transferor Document to be entered into by the Transferor constitute its legal, valid and binding obligation enforceable against the Transferor in accordance with their respective terms subject to bankruptcy and similar laws affecting creditors generally and general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(e) (i) The Transferor has furnished to the Company and the Administrative Agent copies of the Parent's audited consolidated balance sheet as at December 31, 2011, and the related audited consolidated statements of income and cash flow for the fiscal year of the Parent then ended reported on by Deloitte & Touche LLP which financial statements present fairly in all material respects in accordance with GAAP the financial position of the Parent and its consolidated subsidiaries as at December 31, 2011, and the results of operations of the Parent and its consolidated subsidiaries for the fiscal year of the Parent then ended, which financial statements present fairly in all material respects in accordance with GAAP the financial position of the Parent and its consolidated subsidiaries as at such date, and the results of operations of the Parent and its consolidated subsidiaries for the fiscal year then ended; and

(ii) Since December 31, 2011, (A) no material adverse change has occurred in the business, assets, liabilities, financial condition or results of operations of the Parent and its subsidiaries taken as a whole, and (B) no event has occurred or failed to occur which has had or could reasonably be expected to result in, singly or in the aggregate, a Material Adverse Effect.

(f) Except as disclosed in the periodic and other reports, proxy statements and other materials filed with or publicly furnished to the U.S. Securities Exchange Commission by the Parent and its subsidiaries prior to the date hereof, there is no material pending legal proceeding (i) other than ordinary routine litigation incidental to the business, to which the Parent or any of its subsidiaries is a party or of which any of their property is the subject, or

(ii) that could reasonably be expected to impair any material rights, remedies or benefit that otherwise would be available to the Company, the Collection Agent or the Administrative Agent to obtain Collections on the Receivables. None of the Parent, CHS, any Originator or the Collection Agent is in default with respect to any order of any court, arbitrator or governmental body except for defaults with respect to orders of governmental agencies which defaults are not material to the business or operations of the Parent and its subsidiaries taken as a whole.

(g) No proceeds of any Purchase will be used by it to acquire any security of a class which is registered pursuant to Section 12 of the Securities Exchange Act of 1934, as amended or in any transaction which is subject to Section 13 or 14 of the Securities Exchange Act of 1934, as amended.

(h) Immediately prior to each Transfer hereunder, each Receivable to be Transferred hereunder, together with the Contract related thereto and the other Transferred Property relating thereto, is owned by the Transferor free and clear of any Lien (other than Permitted Liens), and the Company shall acquire all of the Transferor's right, title and interest in such Transferred Property and a valid and perfected first priority ownership interest in each such Transferred Receivable then existing or thereafter arising and in the Related Security and Collections with respect thereto, free and clear of any Lien (other than Permitted Liens referred to in clauses (b) and (d) of the definition thereof) except as created hereby, by the Buyer under the Sale Agreement (to the extent assigned to the Company, to the extent further assigned to the Administrative Agent), and by the Administrative Agent under the Loan Agreement; *provided* that the Transferor (acting directly or through the Collection Agent) shall have up to 10 days following actual knowledge thereof to remove any immaterial Lien that was improvidently filed without the consent of the Transferor or the Collection Agent; *provided further* that the Transferor (acting through the Collection Agent) shall have the time period specified in Section 5.01(p) to remove and terminate the Kay County Lien. No effective financing statement or other instrument similar in effect covering any Transferred Property shall at any time be on file in any recording office except such as may be filed in favor of the Company relating to this Agreement or in favor of the Buyer under the Sale Agreement (to the extent assigned to the Company, to the extent further assigned to the Administrative Agent), and by the Administrative Agent under the Loan Agreement; *provided* that the Transferor (acting directly or through the Collection Agent) shall have up to 10 days following actual knowledge thereof to remove any immaterial Lien that was improvidently filed without the consent of the Transferor or the Collection Agent; *provided further* that the Transferor (acting through the Collection Agent) shall have the time period specified in Section 5.01(p) to remove and terminate the Kay County Lien. The Transfers of the Transferred Property by the Transferor to the Company constitute valid and true Transfers for consideration (and not merely a pledge of such Transferred Property for security purposes), enforceable against creditors of the Company and no Transferred Property shall constitute property of the Transferor.

(i) No Monthly Report (if prepared by the Collection Agent, the Transferor or any of their respective Affiliates, or to the extent that information contained therein is supplied by the Collection Agent, the Transferor or any such Affiliates), information, exhibit, financial statement, document, book, record or report furnished or to be furnished by the Transferor to the Company (or its assigns) in connection with this Agreement is or will be inaccurate in any material respect as of the date it is or shall be dated or (except as otherwise disclosed to the

Company, as the case may be, at such time) as of the date so furnished or dated, and no such document contains or will contain any material misstatement of fact or omits or shall omit to state a material fact or any fact necessary to make the statements contained therein not misleading; *provided* that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, the Transferor represents only that it acted in good faith and utilized assumptions that the Transferor believed to be reasonable at the time made.

(j) The Transferor's correct legal name, jurisdiction of incorporation or formation, organizational identification number, principal place of business and chief executive office and the office where the Transferor keeps all of its Records are set forth on Schedule II hereto. As of the Sixth Omnibus Amendment Effective Date, the Transferor does not have any currently registered trade names, fictitious names, assumed names or "doing business as" names or other names under which it is doing business, except as set forth on Schedule II.

(k) No event or circumstance has occurred and is continuing, or would result from any Transfer hereunder or from the application of the proceeds therefrom, which constitutes an Event of Termination.

(l) This Agreement is the only agreement pursuant to which the Transferor transfers Receivables.

(m) The Transfer Value constitutes reasonably equivalent value in consideration for the transfer to the Company of the Transferred Property from the Transferor, no such transfer shall have been made for or on account of an antecedent debt owed by the Transferor to the Company, and no such transfer is or may be voidable or subject to avoidance under any section of the Bankruptcy Law.

(n) The Transferor is not an insolvent person, in insolvent circumstances or on the eve of insolvency, as applicable (within the meaning of such term in the Bankruptcy Law) and at the time of (and immediately after) each Transfer hereunder, the Transferor shall not have been an insolvent person, in insolvent circumstances or on the eve of insolvency, as applicable, within the meaning of the Bankruptcy Law. The Transferor will not become an insolvent person or be put in insolvent circumstances within the meaning of the Bankruptcy Law by entering into, or immediately after completion of the transactions contemplated by, this Agreement. The transfers of Transferred Property by the Transferor to the Company pursuant to this Agreement, and all other transactions between the Transferor and the Company, have been and will be made in good faith and not for the purpose of defeating, hindering, delaying, defrauding or oppressing the rights and claims of creditors or others against the Transferor.

(o) The Transferor accounts for and otherwise treats (i) each Purchase of Purchased Property hereunder in its books, records and financial statements as a legal sale of such Purchased Property, and (ii) each Contribution of Contributed Property hereunder in its books, records and financial statements as a legal contribution of such Contributed Property, in each case to the extent other treatment is not required by GAAP.

(p) The Transferor has not (i) guaranteed or otherwise become liable for any obligation of the Company, allowed any of its other Affiliates to guarantee any obligations of the Company, and neither the Transferor nor any of its other Affiliates has held itself out as responsible for debts of the Company or actions with respect to the business and affairs of the Company (other than as set forth in the Performance Undertaking), or (ii) permitted the commingling or pooling of its funds or other assets with those of the Company and has not otherwise permitted any other of its Affiliates to commingle or pool any of its funds or other assets with those of the Company in a manner that would not allow such funds or other assets to be readily identifiable from those of any other Person. The Transferor and the Company allocate between themselves shared corporate operating services and expenses which are not reflected in the Servicing Fee (including the services of shared employees, consultants and agents and reasonable legal and auditing expenses) on the basis of the reasonably projected use or the projected value of services rendered, and otherwise on a basis reasonably related to actual use or the value of services rendered. The Transferor acknowledges that the Company, the Lenders, the Managing Agents and the Administrative Agent are entering into the transactions contemplated by this Agreement and the Loan Agreement in reliance upon the Company's identity as a separate legal entity from each of the Parent, the Transferor and each of their other respective Affiliates.

(q) The Transferor is not an "investment company" or a company controlled by an "investment company" registered or required to be registered under the Investment Company Act.

(r) The Transferor is not engaged, principally or as one of its important activities, in the business of extending credit for the purpose of "purchasing" or "carrying" any "margin stock" (as each of the quoted terms is defined or used in Regulation T, U or X promulgated pursuant to the Securities Exchange Act of 1934, as amended). No part of the proceeds of any Transferred Property has been used for so purchasing or carrying margin stock or for any purpose which violates, or which would be inconsistent with, the provisions of Regulation T, U or X.

(s) The Transferor and the Collection Agent each has the right (whether by license, sublicense or assignment) to use all of the computer software used by the Collection Agent and/or the Transferor to account for the Transferred Property to the extent necessary to administer the Transferred Property, and, in the case of the Transferor and the Collection Agent, to assign (by way of Transfer) or sublicense such rights to use all of such software to the Company.

(t) The Transferor has filed or caused to be filed all federal and other material tax returns which are required to be filed by it, and has paid or caused to be paid all taxes shown to be due and payable on such returns or on any assessments received by it, other than any taxes or assessments, (i) the validity of which are being contested in good faith by appropriate proceedings and with respect to which the Transferor has set aside or has caused to be set aside adequate reserves on its books (consolidated or otherwise) in accordance with GAAP or (ii) which the failure to pay could not reasonably be expected to have a Material Adverse Effect.

(u) Except as could not reasonably be expected to result in material liability to the Transferor, the Transferor and its ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in material liability of the Transferor or any of its ERISA Affiliates. The present value of all benefit liabilities under each Plan (based on the assumptions used for funding purposes) did not, as of the last annual valuation date applicable thereto, exceed the fair market value of the assets of such Plan in such amount that would reasonably be expected to result in a funding obligation that could reasonably be expected to result in a Material Adverse Effect, and the present value of all benefit liabilities of all underfunded Plans (based on the assumptions used for funding purposes) did not, as of the last annual valuation dates applicable thereto, exceed the fair market value of the assets of all such underfunded Plans in such amount that could reasonably be expected to result in a Material Adverse Effect.

(v) The Transferor has not intentionally (i) misstated any calculation of Eligible Receivables or Net Receivables Balance hereunder (other than in an immaterial amount and based on good faith estimates utilized in the calculation thereof), or (ii) misrepresented any Receivable as qualifying as an Eligible Receivable or intentionally included such misrepresented Receivable in the Net Receivables Balance at the time so included.

(w) All required Notices have been prepared and delivered to each of its Obligor (or, in the case of a Governmental Entity, its fiscal intermediary), and all invoices issued after the Closing Date bear only the appropriate remittance instructions for payment direction to a Lock-Box or a Collection Accounts, as the case may be. No direction is in effect directing Obligor to remit payments on Receivables other than to a Lock-Box or a Collection Account.

(x) Each of the Collection Accounts has been established in the name of an Originator by a Collection Account Bank, and a Concentration Account has been established in the name of the Company by each Concentration Account Bank. Such Originator has not established any lock-box, lock-box account or other deposit account for the receipt of Collections other than the Lock-Boxes and Collection Accounts. Each Lock-Box is linked to a Collection Account. Each Collection Account has been set up so that all available funds automatically sweep to the applicable Concentration Account at the end of each Business Day. The Transferor has taken, or has caused to be taken, all actions necessary or advisable to assure that all Collections are received in the Lock-Boxes and Collection Accounts. The Transferor will not (i) close any Lock-Box, any Collection Account or any Concentration Account or open any new lock-box or account to function as a Lock-Box, a Collection Account or a Concentration Account, (ii) make any change to the instructions to the Obligor that all payments with respect to the Receivables be made to a Lock-Box or Collection Account or (iii) make any change to the instructions to a Collection Account Bank as set forth in the applicable Deposit Account Notification Agreement (Government Healthcare Receivables) requiring the automatic sweep of all available funds in each Collection Account to the applicable Concentration Account at the end of each Business Day, in each case, without the prior written consent of the Company and the Administrative Agent and each Managing Agent; *provided*, if any of the provisions under clauses (i), (ii) or (iii) above have been violated with respect to any Lock-Box or Collection

Account relating to an individual Originator without the prior knowledge or consent of the Transferor or the Collection Agent, the Transferor (itself or through the Collection Agent) shall have the opportunity to cure the violation of this clause (x) within 15 days of obtaining knowledge of such breach by the Originator and, if such violation is cured within such 15 day period, the cure of such violation shall be effective to cure any breach of any covenant, representation or warranty by the Transferor under any Facility Document directly related to or directly arising from such violation without any further action.

(y) No Lien on the Transferor's inventory attaches to the proceeds of the sale or contribution of such inventory to the extent that such sale or contribution would give rise to a Receivable.

(z) No Lien on the Transferor's accounts receivable attaches to Transferred Receivables, except for Liens granted under the Documents.

(aa) The Transferor has all power and authority, and has all material permits, licenses, accreditations, certifications, authorizations, approvals, consents and agreements of all Obligors, Governmental Entities, accreditation agencies and other Persons (including (i) accreditation by the appropriate Governmental Entities and industry accreditation agencies, (ii) accreditation and certifications as a provider of healthcare services eligible to receive payment and compensation and to participate under Medicare, Medicaid, TRICARE/CHAMPUS, Blue Cross/Blue Shield and other equivalent programs, and (iii) valid provider identification numbers and licenses to generate the Receivables) necessary or required for it, except in any Immaterial Respect, (A) to own the assets (including Receivables) that it now owns, (B) to carry on its business as now conducted, (C) to execute, deliver and perform this Agreement and the other Transferor Documents to which it is a party, and (D) if applicable, to receive payments from the Obligors in the manner contemplated in this Agreement and the other Transferor Documents, except in an Immaterial Respect.

(bb) The Transferor, except in any Immaterial Respect has (i) maintained all relevant records required to be maintained by the Joint Commission on Accreditation of Healthcare Organizations, the Food and Drug Administration, the Drug Enforcement Agency, the State Boards of Pharmacy, and the federal and state Medicare and Medicaid programs as required by Healthcare Laws, and that, to the best knowledge of the Transferor, there are no presently existing circumstances which likely would result in material violations of any Healthcare Laws and (ii) complied in all material respects with all other Applicable Law to which it may be subject and no Receivable or other Transferred Property contravenes in any material respect any Applicable Law, except in any Immaterial Respect.

(cc) Commencing September 30, 2012, Patient Consent Forms are being obtained from each patient and customer receiving services or products.

(dd) Without limiting or being limited by any other provision of any Transferor Document, the Transferor has timely filed or caused to be filed all material cost and other reports of every kind required by law, agreement or otherwise. There are no material claims, actions or appeals pending before any commission, board or agency or other Governmental Entity, including any intermediary or carrier, the Provider Reimbursement Review Board, or the

administrator of CMS, with respect to any material state or federal Medicare or Medicaid cost reports or material claims filed by the Transferor, or any disallowance by any commission, board or agency or other Governmental Entity in connection with any audit of such cost reports, except in any Immaterial Respect or which would affect the ability of the Buyer to fulfill its material obligations under any Facility Document. No validation review or program integrity review related to the Transferor, the consummation of the transactions contemplated by this Agreement, or the Transferred Property have been conducted by any commission, board, or agency or other Governmental Entity in connection with the Medicare or Medicaid programs, and, to the knowledge of the Transferor, no such reviews are scheduled, pending, or threatened against or affecting the Transferor, any of the Transferred Property or the consummation of the transactions contemplated by this Agreement except in any Immaterial Respect or which would affect the ability of the Company to fulfill its material obligations under any Facility Document.

(ee) The Transferor has not been notified by any Governmental Entity, accreditation agency or any other Person, during the immediately preceding 24-month period, that such Person has rescinded or not renewed, or is reasonably likely to rescind or not renew, any material permit, license, accreditation, certification, authorization, approval, consent or agreement granted to the Transferor or to which it is a party and no other condition exists or event has occurred which, in itself or with the giving of notice or lapse of time or both, would result in the suspension, revocation, impairment, forfeiture or non renewal of any material permit, license, authorization, approval, entitlement or accreditation, and to the best of the Transferor's knowledge, there is no claim that any thereof is not in full force and effect.

(ff) Notice of termination of each of the agreements and other documents relating to the sale, purchase or transfer of AccessOne Program Receivables from an Originator to any Person other than the Buyer has been delivered to such Person prior to the Closing Date.

(gg) The Transferor is not an EEA Financial Institution (as defined in the Loan Agreement).

SECTION 4.02. Article 9 Representations and Warranties. The Transferor represents and warrants as follows:

(a) This Agreement creates a valid and continuing security interest (as defined in the applicable UCC) in the Receivables in favor of the Company, which security interest is prior to all other Liens, and is enforceable as such against creditors of and purchasers from the Transferor.

(b) The Receivables constitute "accounts" (including health-care-insurance receivables) or general intangibles within the meaning of the applicable UCC.

(c) Immediately prior to each Transfer hereunder, the Transferor owns and has good and marketable title to the Receivables and the other Transferred Property free and clear of any Lien of any Person.

(d) The Transferor has caused or will have caused, within ten days after the date hereof, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under Applicable Law in order to perfect the security interest in the Receivables Transferred to the Company hereunder.

(e) Other than the ownership interest conveyed to the Company pursuant to this Agreement, the Transferor has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Receivables. The Transferor has not authorized the filing of and is not aware of any financing statements against the Transferor relating to the Receivables or to all assets of the Transferor other than any financing statement relating to (i) the Transfers to the Company hereunder and (ii) the security interest granted to the collateral agent under the Parent Credit Agreement. The Transferor is not aware of any judgment or tax lien filings against it.

(f) Policies and procedures have been implemented and maintained by or on behalf of the Transferor that are designed to achieve compliance by the Transferor and its directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, giving due regard to the nature of such Person's business and activities, and the Transferor and its officers and employees and, to the knowledge of the Transferor and its officers, employees, directors and agents acting in any capacity in connection with or directly benefitting from the loan facility established hereby, are in compliance with Anti-Corruption Laws and applicable Sanctions, in each case in all material respects. Neither the Transferor nor, to the knowledge of the Transferor, its directors, officers, employees, or agents that will act in any capacity in connection with or directly benefit from the loan facility established hereby, is a Sanctioned Person, and the Transferor is not organized or resident in a Sanctioned Country. No Advance or use of proceeds thereof by the Transferor in any manner will violate Anti-Corruption Laws or applicable Sanctions.

ARTICLE V GENERAL COVENANTS

SECTION 5.01. General Covenants.

(a) Compliance with Laws; Preservation of Existence. The Transferor shall comply in all material respects with all Applicable Law (including all applicable Healthcare Laws), orders and the Transferor Documents and preserve and maintain its corporate, limited liability company or limited partnership existence, rights, franchises, qualifications and privileges, except where the failure to comply could not reasonably be expected to materially adversely affect the Transferor's ability to perform its obligations hereunder or the ability to sell or collect the Transferred Property hereunder.

(b) Sales, Liens, Etc. Except as otherwise specifically provided herein, the Transferor shall not (i) sell, assign (by operation of law or otherwise) or otherwise dispose of, or create or suffer to exist any Lien (other than Permitted Liens referred to in clauses (b), (c) and (d) of the definition thereof) upon or with respect to, any of its Receivables, Related Security, Collections, any Collection Account or any Concentration Account, or assign any right to receive income in respect thereof or (ii) create or suffer to exist any Lien (other than Permitted Liens referred to in clauses (c) and (d) of the definition thereof) upon or with respect to the proceeds of the sale of any of the Transferor's inventory, to the extent such sale would give rise to a Receivable; *provided*, that the Transferor shall have up to 10 days following actual knowledge

thereof to remove any immaterial Lien that was improvidently filed without the consent of the Transferor; *provided further* that the Transferor (acting through the Collection Agent) shall have the time period specified in Section 5.01(p) to remove and terminate the Kay County Lien.

(c) Treatment of Purchases and Contributions. The Transferor will account for and treat (whether in financial statements, records or otherwise) the transactions contemplated hereby as (i) a legal sale of the Purchased Property by the Transferor to the Company, in the case of a Purchase, and (ii) a capital contribution of the Contributed Property by the Transferor to the Company, in the case of a Contribution.

(d) Change in Company Name. The Transferor will not make any change to its legal name unless it shall have, prior to the effectiveness of such name change: (i) given the Company prompt written notice thereof and (ii) delivered to the Company (in a manner that will provide reasonable opportunity to allow the Company to make the filing thereof prior to or simultaneously with the effectiveness of such name change) all financing statements, instruments and other documents the Company determines are necessary or appropriate to file under the UCC or that are otherwise necessary or appropriate for the Company to continue at all times following such change to have a valid, legal and perfected security interest in the Transferred Property of the Transferor.

(e) Audits. From time to time, but at least once per calendar year, upon reasonable prior written notice from the Company during regular business hours, the Transferor will permit the Company, or its agents or representatives, to (i) examine and make copies of and abstracts from all Records, (ii) visit the offices and properties of the Transferor for the purpose of examining such Records, and to discuss matters relating to the Receivables or the Transferor's performance hereunder with any of the officers or employees of the Transferor having knowledge of such matters and (iii) have access to its software for the purposes of examining such Records; provided that in no event shall Transferor be required to allow examination of or access to "Protected Health Information", as such term is defined in regulations implementing HIPAA, where such examination or access is prohibited by Applicable Law without a Patient Consent Form that lists the Company and its specific agents or representatives who will access "Protected Health Information". Unless an Event of Termination or an "Event of Default" or a "Trigger Event" under the Loan Agreement has occurred and is continuing, only one such examination and visit per calendar year shall be at the expense of the Transferor.

(f) Keeping of Records and Books of Account. The Transferor will maintain (or cause to be maintained) and implement administrative and operating procedures (including an ability to recreate records evidencing the Receivables in the event of the destruction of the originals thereof) and keep and maintain, all documents, books, records and other information reasonably necessary or advisable for the collection of all Transferred Property (including records adequate to permit the daily identification of each new Receivable and all collections of and adjustments of each Receivable). The Transferor will indicate in its books and records that the Receivables have been transferred to the Transferor by the Originators and Transferred by the Transferor to the Company.

(g) Jurisdiction of Organization; Location of Records; Structure. The Transferor will keep its jurisdiction of incorporation or organization, principal place of business

and chief executive office and the offices where it keeps its Records, in the jurisdictions and at the addresses set forth on Schedule II, or, in any such case, upon prompt prior written notice to the Company in the manner provided in Section 6.08, at such other jurisdiction or locations within the United States where all action required by Section 6.08 shall have been taken and completed, and will not change its structure or identity other than upon prior written notice to the Company and subject to the further requirement that all action required by Section 6.08 shall have been taken and completed.

(h) Credit and Collection Policy. The Transferor will, and will cause the Collection Agent to, comply in all material respects with the Credit and Collection Policy in regard to each Receivable and the related Contract. The Transferor shall not, without the written consent of the Company and the Administrative Agent, (i) make any material change in the character of its business such that its principal business ceases to be a provider of healthcare services, or (ii) make or agree to make or permit any material change in the Credit and Collection Policy other than in accordance with Section 6.02(c).

(i) Change in Payment Instructions to Obligors. The Transferor will not (i) add or terminate any bank as a Collection Account Bank or a Concentration Account Bank, (ii) close any Lock-Box, any Collection Account or any Concentration Account or open any new lock-box or account to function as a Lock-Box, Collection Account or Concentration Account, (iii) make any change to the instructions to the Obligors that all payments with respect to the Receivables be made to a Lock-Box or Collection Account or (iv) make any change to the instructions to a Collection Account Bank as set forth in the applicable Deposit Account Notification Agreement (Government Healthcare Receivables) requiring all available funds in each Collection Account to automatically sweep to the applicable Concentration Account at the end of each Business Day, in each case, without the prior written consent of the Company, Administrative Agent and each of the Managing Agents in their sole discretion, which consent shall not be unreasonably withheld or delayed; *provided*, if any of the provisions under clauses (i) through (iv) above have been violated with respect to any Lock-Box or Collection Account relating to an individual Originator without the prior knowledge or consent of the Transferor or the Collection Agent, the Transferor (itself or through the Collection Agent) shall have the opportunity to cure the violation of this clause (i) within 15 days of obtaining knowledge of such breach by the Originator and, if such violation is cured within such 15 day period, the cure of such violation shall be effective to cure any breach of any covenant, representation or warranty by the Transferor under any Facility Document directly related to or directly arising from such violation without any further action.

(j) Taxes. The Transferor will file or cause to be filed all federal and other material returns which are required to be filed by it. The Transferor shall pay or cause to be paid all taxes shown to be due and payable on such returns or on any assessments received by it, other than any taxes or assessments, the validity of which are being contested in good faith by appropriate proceedings and with respect to which the Transferor shall have set aside or has caused to be set aside adequate reserves on its books (consolidated or otherwise) in accordance with GAAP.

(k) Transferor Documents. The Transferor will comply in all material respects with the terms of this Agreement and employ the procedures outlined herein, enforce all

of its other rights under each of the Transferor Documents to which it is a party, take all such action to such end as may be from time to time reasonably requested by the Company, and maintain all such Transferor Documents and the UCC financing statements filed in connection with this Agreement in full force and effect.

(l) Segregation of Collections. The Transferor will require the deposit of all Collections into a Collection Account and the deposit of all Collections received in the Collection Accounts solely into the applicable Concentration Account, will prevent the deposit into any Concentration Account of any funds other than Collections and proceeds of Self Pay Obligations and, with respect to proceeds of Self Pay Obligations, the Transferor will hold all such proceeds in trust for the applicable Originator and promptly (and in any event within three Business Days) identify such funds to the Collection Agent for segregation and remittance to the owner thereof; *provided*, that the Transferor and the Collection Agent will use reasonable efforts to avoid deposit of the proceeds of Self Pay Obligations into any Collection Account or Concentration Account if such parties determine in their reasonable business judgment that it is practical to do so, except to the extent requiring unreasonable additional effort or expense; *provided further* that the parties acknowledge that the Transferor and the Collection Agent have determined that such identification and segregation is impractical as of the Second Omnibus Amendment Effective Date. With respect to any funds other than Collections and proceeds of Self Pay Obligations that are nevertheless deposited into such Concentration Account, the Transferor will promptly identify any such funds to the Collection Agent for segregation and remittance to the owner thereof.

(m) Payment to Lenders. The Transferor will pay to the Company (and forward to the Administrative Agent) all amounts owing by the Company to the Lenders under Article VIII of the Loan Agreement.

(n) Sales Taxes. The Transferor shall timely pay or cause to be paid when due all sales, excise or personal property taxes payable in connection with the Receivables, other than any taxes or assessments, the validity of which are being contested in good faith by appropriate proceedings and with respect to which the Transferor has set aside or has caused to be set aside adequate reserves on its books (consolidated or otherwise) in accordance with GAAP.

(o) AccessOne Program Receivables. After May 31, 2012, no Receivables will be sold pursuant to any agreement other than the Documents, and prior to May 31, 2012, the aggregate Expected Net Value of the AccessOne Program Receivables shall not exceed \$500,000.

(p) Kay County Lien. The Transferor will cause the Collection Agent to remove and terminate the Kay County Lien within six months of the Second Omnibus Amendment Effective Date and will utilize its best efforts to remove and terminate such Kay County Lien as promptly as practicable, and the existence of the Kay County Lien shall not constitute a breach of this covenant or any other representation or covenant hereunder during the continuance of such time period.

(a) Anti-Corruption Laws and Sanctions – Policies and Procedures. Policies and procedures will be maintained and enforced by or on behalf of the Transferor that are designed in good faith and in a commercially reasonable manner to promote and achieve compliance, in the reasonable judgment of the Transferor, by the Transferor and its directors, officers, employees and agents with Anti-Corruption Laws and applicable Sanctions, in each case giving due regard to the nature of such Person's business and activities.

(b) Anti-Corruption Laws and Sanctions – Requests for Advances and Uses of Proceeds. The Transferor and its Affiliates and its or their respective directors, officers, employees and agents shall not use, the proceeds of any Purchase (A) in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any Person in violation of any Anti-Corruption Laws, (B) for the purpose of funding or financing any activities, business or transaction of or with any Sanctioned Person, or in any Sanctioned Country, in each case to the extent doing so would violate any Sanctions, or (C) in any other manner that would result in liability to any party hereto under any applicable Sanctions or the violation of any Sanctions by any such Person.

ARTICLE VI
ADMINISTRATION, COLLECTION AND MONITORING OF ASSETS

SECTION 6.01. Appointment and Designation of the Collection Agent. The Transferor and the Company may, from time to time, appoint one or more Persons, as the Collection Agent of the Company to service, administer and collect the Receivables and otherwise to enforce its rights and interests in, to and under the Receivables, the Related Security and the Contracts. The Collection Agent's authorization under this Agreement shall terminate on the Collection Date. Until the Company, with the consent of the Administrative Agent as its assignee, gives notice to the Transferor of a designation of a new Collection Agent after the occurrence and during the continuance of a Servicer Termination Event, Professional Services is hereby designated as, and hereby agrees to perform the duties and obligations of, the Collection Agent pursuant to the terms hereof. The Transferor, the Company and the Collection Agent may from time to time agree in any collection agency or services agreement among them on the allocation of servicing duties to be performed by the Collection Agent. Notwithstanding the foregoing, the Company may (with the approval of the Administrative Agent, as its assignee, and the Managing Agents), after the occurrence and during the continuance of a Servicer Termination Event, designate as Collection Agent any Person to succeed Professional Services or any successor Collection Agent, on the condition in each case that any such Person so designated shall agree to perform the duties and obligations of the Collection Agent pursuant to the terms hereof and of the Sale Agreement and the Loan Agreement and in accordance with applicable Healthcare Laws. The Transferor hereby grants to the Collection Agent and any successor Collection Agent, and the Collection Agent hereby grants to any successor Collection Agent, an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take any and all steps in the Transferor's or the Collection Agent's name, as applicable, and on behalf of the Company, as may be necessary or desirable, in the determination of the Collection Agent or the successor Collection Agent, as the case may be, to collect all amounts due under any and all Receivables, including endorsing the Transferor's name on checks and other instruments representing Collections and enforcing such Receivables and the related Contracts. The Collection Agent may subcontract the performance of its duties and obligations to a third

Person with the prior consent of the Company, including with respect to Collection Agency Receivables. Any such subcontract shall not affect the Collection Agent's liability for performance of its duties and obligations pursuant to the terms hereof, and any such subcontract shall automatically terminate upon designation of a successor Collection Agent. Notwithstanding anything to the contrary contained in this Agreement, the Collection Agent, if not the Transferor or an Affiliate thereof, shall have no obligation to collect, enforce or take any other action described in this Article VI with respect to any Receivable that is not a Transferred Receivable other than to deliver to the Transferor or at its direction, the Collections and documents with respect to any such Receivable that is not a Transferred Property as described in Sections 6.03 and 6.07.

SECTION 6.02. Collection of Receivables by the Collection Agent; Extensions and Amendments of Receivables.

(a) The Collection Agent shall take or cause to be taken all such reasonable actions as may be necessary or advisable to collect each Receivable from time to time, all in accordance with Applicable Law, with reasonable care and diligence, and in accordance with the Credit and Collection Policy; *provided, however*, that, if a Servicer Termination Event shall have occurred and be continuing, (i) the Company shall have the right to direct the Collection Agent (whether the Collection Agent is the Transferor or an Affiliate thereof or otherwise) to commence or settle any legal action, to enforce collection of any Transferred Property or to foreclose upon or repossess any Related Security, and (ii) the Collection Agent shall not make the Company a party to any litigation without the express written consent of the Company, such consent not to be unreasonably withheld or delayed. If the Termination Date shall not have occurred, Professional Services, while such Person is the Collection Agent, may, with respect to the Receivables and, with respect to any Eligible Receivable, in accordance with the Credit and Collection Policy, (i) extend the maturity or adjust the Expected Net Value of any Defaulted Receivable as Professional Services may determine to be appropriate to maximize Collections thereof and (ii) adjust the Expected Net Value of any Receivable to reflect (x) any reduction or adjustment as a result of any defective, rejected, returned, repossessed or foreclosed merchandise, any defective or rejected services, any failure to provide services, any discount, rebate or any other adjustment made or performed by the Company or any other Person or (y) any reduction or cancellation as a result of a setoff in respect of any claim by the Obligor thereof against the Transferor or an Affiliate of the Transferor, in each such case (except with respect to Receivables which are not Eligible Receivables) (x) in accordance with the requirements of the Credit and Collection Policy and (y) provided that such extension or adjustment shall not alter the status of such Receivable as a Defaulted Receivable or limit the rights of the Company under this Agreement. Except as otherwise permitted pursuant to the immediately preceding sentence, neither the Collection Agent nor the Transferor will extend, amend, cancel or otherwise modify the terms of any Receivable without the prior written approval of the Company, or amend, modify, cancel or waive any term or condition of any Contract related to a Receivable, except to the extent consistent with the Credit and Collection Policy or otherwise with the prior written approval of the Company.

(b) Notwithstanding anything else contained herein, neither the Collection Agent nor any subcontractor or delegatee thereof is the agent of the Company, and they are not permitted to (nor do they have any authority to) (i) establish an office or other fixed place of business of the Company, or (ii) contract for, or conclude a contract in the name of, the Company.

(c) The Credit and Collection Policy may be amended from time to time provided that (i) no change shall be made in the Credit and Collection Policy that would be adverse to any of the Company or its assignees, including by impairing the collectibility of any Receivable or the ability of the Company or the Collection Agent to perform its obligations under this Agreement, the Sale Agreement or the Loan Agreement and (ii) in the event that any change is made to the Credit and Collection Policy, promptly following such change and, in any event within 30 days thereof, the Collection Agent shall provide the Company with an updated Credit and Collection Policy and a summary of all material changes.

SECTION 6.03. Distribution and Application of Collections. The Collection Agent shall set aside and segregate funds to the extent required in this Agreement and the Loan Agreement and shall set aside and segregate all Collections of Receivables from the other funds belonging to the Collection Agent. The Collection Agent shall as soon as practicable (and in any event within two Business Days) following receipt turn over to the Transferor or other Person entitled thereto the collections of any account receivable which is not a Transferred Property less, in the event neither Professional Services nor an Affiliate thereof is the Collection Agent, all reasonable and appropriate out-of-pocket costs and expenses of the Collection Agent of servicing, collecting and administering the Receivables to the extent not covered by the Servicing Fee received by it.

SECTION 6.04. Other Rights of the Company. At any time following the occurrence and during the continuance of a Servicer Termination Event or the designation pursuant to Section 6.01 of a Collection Agent other than Professional Services, the Company or any Affiliate of either thereof, subject to Applicable Law:

(a) The Company may or, at the request of the Company, the Transferor shall (in either case, at the Transferor's expense) direct any or all of the Obligors to pay all amounts payable under any Receivable directly to the Company or its designee;

(b) The Company may or, at the request of the Company, the Transferor shall (in either case, at the Transferor's expense) give each of the Obligors notice of the Company's interests in the Transferred Property;

(c) The Company may have a representative present during any or all business hours at each office of the Collection Agent and the Transferor involved in the administration, servicing and collections of the Receivables;

(d) The Company, or its representatives, may, during regular business hours, (i) review any or all Records, computer programs and files related to the administration, servicing and collection of the Receivables and (ii) visit the offices of the Transferor for the purpose of such review, and, at the Company's request and at the Transferor's expense, the Company shall (i) assemble all Records and make the same available to the Company or its designee at a place selected by the Company or its designee, and (ii) segregate all cash, checks and other instruments received by it from time to time constituting Collections of Receivables in

the manner provided herein or such other manner acceptable to the Company and, promptly following receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to the Company or its designee; and

(e) The Company shall have all other rights and remedies provided under the UCC and other Applicable Law, which rights and remedies shall be cumulative.

SECTION 6.05. Records.

(a) The Transferor will maintain and implement administrative and operating procedures (including an ability to recreate records evidencing the Receivables in the event of the destruction of the originals thereof), and keep and maintain all documents, books, records and other information reasonably necessary or advisable for the timely and full collection of all Receivables (including records adequate to permit the daily identification of each new Transferred Property and all Collections of and adjustments to each existing Transferred Property). The Transferor will indicate in its books and records that the Receivables have been transferred to the Transferor by the Originators and Transferred by the Transferor to the Company. The Collection Agent will maintain access and copies of all such documents, books, records and other information of the Transferor necessary to comply with clause (b) below.

(b) The Transferor and the Collection Agent, whether or not the Company or an Affiliate thereof, shall hold all Records in trust for the Company and its assigns. Subject to the receipt of contrary instructions from the Company that are delivered following the occurrence and continuance of a Servicer Termination Event, the Collection Agent and the Transferor will deliver all Records to any new Collection Agent hereunder; *provided, however*, that such new Collection Agent, if other than an Affiliate of the Company, shall as soon as practicable upon demand deliver to the Transferor copies of Records in its possession relating to Transferred Property.

SECTION 6.06. Receivable Reporting. On each Monthly Report Due Date, the Collection Agent shall deliver to the Company a Monthly Report for the preceding Collection Period, which delivery may be in electronic form; *provided*, that so long as Professional Services is acting as Collection Agent, a Monthly Report delivered in a timely fashion under the Loan Agreement shall constitute delivery of a Monthly Report under this Section 6.06.

SECTION 6.07. Collections and Lock-Boxes.

(a) The Transferor and the Collection Agent will instruct all Obligor to cause all Collections to be either (i) remitted to a Lock-Box to be retrieved therefrom by the applicable Collection Account Bank for prompt deposit to the applicable Collection Account or (ii) remitted directly to a Collection Account. If the Collection Agent or the Transferor receives any Collections, the Transferor or the Collection Agent shall immediately remit such Collections to the applicable Collection Account within two Business Days of receipt thereof and the Collection Agent or the Transferor will take all such actions as are reasonably necessary in the Collection Agent or Transferor's discretion or as reasonably requested by the Company to ensure that future payments from any Obligor be made to a Collection Account or Lock-Box. If the Transferor or the Collection Agent does not promptly (and in any event within two Business

Days from the Company's request) take such actions as the Company may reasonably request, then the Company, its assigns or designees, may, to the maximum extent permitted by law take such actions as the Company, its assigns or designees may, on its direction, deem appropriate.

(b) In accordance with the terms of the Control Agreement, the Collection Agent shall instruct each Concentration Account Bank to allocate and remit Collections in accordance with the Loan Agreement; *provided, however*, that the Company may, at any time following a Trigger Event and shall, at the direction of the Administrative Agent, as its assignee, revoke the Collection Agent's authority with respect to each Concentration Account, direct each Concentration Account Bank to cease taking instructions from the Collection Agent or the Company and to thereafter take direction solely from the Administrative Agent, in each case by delivery of a notice substantially in the form attached to such Control Agreement for such purpose. None of the Transferor, the Company or the Collection Agent will (i) add or terminate any bank as a Collection Account Bank or a Concentration Account Bank, (ii) close any Lock-Box, any Collection Account or any Concentration Account or open any new lock-box or account to function as a Lock-Box, Collection Account or Concentration Account, (iii) make any change to the instructions to the Obligors that all payments with respect to the Receivables be made to a Lock-Box or Collection Account or (iv) make any change to the instructions to a Collection Account Bank as set forth in the applicable Deposit Account Notification Agreement (Government Healthcare Receivables) requiring all available funds in each Collection Account to automatically sweep to the applicable Concentration Account at the end of each Business Day, in each case, without the prior written consent of the Company and the Administrative Agent and each Managing Agent; *provided*, if any of the provisions under clauses (i) through (iv) above have been violated with respect to any Lock-Box or Collection Account relating to an individual Originator without the prior knowledge or consent of the Transferor or the Collection Agent, the Transferor or the Collection Agent shall have the opportunity to cure the violation of this clause (b) within 15 days of obtaining knowledge of such breach by the Originator and, if such violation is cured within such 15 day period, the cure of such violation shall be effective to cure any breach of any covenant, representation or warranty by the Transferor under any Facility Document directly related to or directly arising from such violation without any further action. The Transferor and the Collection Agent each hereby agrees to take, or cause to be taken, any and all actions reasonably requested by the Company to protect and perfect the interest of the Company in the event any such change is permitted.

SECTION 6.08. UCC Matters; Protection and Perfection of Transferred Property. The Transferor will keep its jurisdiction of incorporation or organization, principal place of business and chief executive office, and the offices where it keeps its Records, in the jurisdictions and at the addresses set forth on Schedule II, or, in any such case, upon 30 days' prior written notice to the Company, at such other jurisdictions or locations within the United States where all actions reasonably requested by the Company to protect and perfect the interest of the Company in the Transferred Property have been taken and completed. Each of the Transferor and the Collection Agent agrees that from time to time, at the Transferor's expense, it will promptly execute and deliver all further instruments and documents, and take all further action that the Company may reasonably request in order to perfect, protect or more fully evidence the Transferred Property acquired by the Company hereunder, or to enable the Company to exercise or enforce any of its rights hereunder. Without limiting the generality of the foregoing, each of the Transferor and the Collection Agent agrees that it will, upon the

request of the Company, execute and file such financing or continuation statements, or amendments thereto or assignments thereof, and such other instruments or notices, as may be necessary or appropriate. The Transferor hereby authorizes the Company to file one or more financing or continuation statements, and amendments thereto and assignments thereof, relative to all or any of the Transferred Property now existing or hereafter arising without the signature of the Transferor where permitted by law. If the Transferor or the Collection Agent fails to perform any of its agreements or obligations under this Section 6.08, the Company, or its assignee, may (but shall not be required to) itself perform, or cause performance of, such agreement or obligation, and the reasonable expenses of the Company incurred in connection therewith shall be payable by the Transferor upon the Company's demand therefor. For purposes of enabling the Company to exercise its rights described in the preceding sentence and elsewhere in this Article VI, each of the Transferor and the Collection Agent hereby authorizes the Company to take any and all steps following an Event of Termination in the Transferor's or the Collection Agent's, as applicable, name and on behalf of the Transferor necessary or desirable, in the determination of the Company, to collect all amounts due under any and all Receivables, including endorsing the Transferor's or the Collection Agent's name on checks and other instruments representing Collections and enforcing such Receivables and the related Contracts.

SECTION 6.09. Obligations With Respect to Receivables. Each of the Transferor and the Collection Agent will (a) at the Transferor's expense, regardless of any exercise by the Company of its rights hereunder, timely and fully perform and comply with all material provisions, covenants and other promises required to be observed by it under the Contracts related to the Transferred Property to the same extent as if Transferred Property therein had not been Transferred hereunder and (b) pay when due any taxes, including sales, excise or personal property taxes, payable in connection with the Transferred Property. In no event shall the Company have any obligation or liability with respect to any Transferred Property or related Contracts, nor shall it be obligated to perform any of the obligations of the Collection Agent or the Transferor or any of their respective Affiliates thereunder. Each of the Transferor and the Collection Agent agrees it will timely and fully comply in all material respects with the Credit and Collection Policy in regard to each Receivable and the related Contract.

SECTION 6.10. Applications of Collections. Any payment by an Obligor in respect of any indebtedness owed by it to the Transferor shall, except as otherwise specified by such Obligor or otherwise required by contract or Applicable Law and unless otherwise instructed by the Company, be applied as a Collection of any Receivables constituting Transferred Property of such Obligor, in the order of the age of such Receivables, starting with the oldest such Receivable, to the extent of any amounts then due and payable thereunder, before being applied to any other indebtedness, account, general intangible or obligation of such Obligor.

SECTION 6.11. Annual Servicing Report of Independent Audit Firm. On an annual basis on or before the date which is 90 days after the end of each fiscal year, beginning with the fiscal year ending December 31, 2012, the Collection Agent shall engage and cause FTI Consulting, Inc. or another firm acceptable to the Company and its assigns, to provide the Collection Agent and the Company with a report setting forth the results of such firm's review of the Receivables, in form and in scope satisfactory to the Company and the Collection Agent; *provided* that in no event shall such report include "Protected Health Information", as such term

is defined in regulations implementing HIPAA; *provided further* that such independent audit firm shall be required to enter into a Business Associate Agreement with the Collection Agent. The Transferor hereby authorizes such firm to discuss such affairs, finances and performance with representatives of the Company and its designees.

ARTICLE VII

SECTION 7.01. Events of Termination. If any of the following events (any such event, an “Event of Termination”) shall occur:

(d) (i) The Transferor, the Parent or the Collection Agent shall fail to pay any principal, interest or other amount due in respect of any Material Indebtedness, when and as the same shall become due and payable (after giving effect to any grace period) or (ii) any other event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (after giving effect to any grace period) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any

Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity or that results in the termination or permits any counterparty to terminate any interest rate protection agreement, foreign currency exchange agreement, commodity price protection agreement or other interest or currency exchange rate or commodity price hedging arrangement, the obligations under which constitute Material Indebtedness; *provided* that this clause (ii) shall not apply to secured Debt that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Debt; or

(e) Either (i) any Transfer shall, for any reason, except to the extent permitted by the terms hereof, cease to create with the Company a valid and perfected first priority ownership interest in the Transferred Property with respect thereto free and clear of any Lien (other than Permitted Liens referred to in clause (b) of the definition thereof and, during the continuance of the time period specified in Section 5.01(p), the Kay County Lien), which shall remain unremedied for five Business Days after the earlier of delivery of notice thereof by the Company or discovery thereof by the Collection Agent or the Transferor or (ii) this Agreement shall for any reason cease to evidence the transfer to the Company of legal and equitable title to, and ownership of, the Transferred Property; or

(g) There shall have occurred and be continuing an “Event of Default” under the Loan Agreement; or

(h) There shall have occurred and be continuing an “Event of Termination” under the Sale Agreement; or

(i) There shall have occurred a Change in Control; or

(j) There shall have occurred any material adverse change in the business or financial condition of the Transferor since December 31, 2011, which could reasonably be expected to affect the value or collectability of the Receivables or the ability of the Company, the Collection Agent or the Transferor to collect the Receivables or otherwise perform its respective obligations under this Agreement or any other Document; or

(k) A Servicer Termination Event shall have occurred and be continuing; or

(l) The Transferor or the Company shall have become subject to registration as an “investment company” within the meaning of the Investment Company Act; or

(m) One or more judgments shall be rendered against the Transferor, the Collection Agent, the Company or the Parent or any combination thereof (to the extent not paid or fully covered by insurance) and the same shall remain undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon assets or properties of the Transferor, the Collection Agent, the Company or the Parent to enforce any such judgment and such judgment is for the payment of money in an aggregate amount in excess of \$50,000,000; or

(n) An ERISA Event shall have occurred that, in the opinion of the Company, when taken together with all other such ERISA Events, could reasonably be expected to result in liability of the Parent and its ERISA Affiliates in an aggregate amount exceeding \$50,000,000;

then, and in any such event, the Company may, by notice to the Transferor (a “Termination Declaration Notice”) declare the Termination Date to have occurred, except that, in the case of any event described in clause (i)(B) or clause (i)(C) of Section 7.01(f) above or any event described in Section 7.01(d) above, the Termination Date shall be deemed to have occurred automatically without notice upon the occurrence of such event.

ARTICLE VIII INDEMNIFICATION

SECTION 8.01. Indemnities by the Transferor.

(a) Without limiting any other rights which the Company may have hereunder or under Applicable Law, each of the Collection Agent and the Transferor hereby agrees to indemnify the Company and its transfers and assigns, and each of their respective directors, officers, employees, agents and attorneys (all of the foregoing being individually referred to as an “Indemnified Party” and being collectively referred to as “Indemnified Parties”) from and against any and all damages, losses, claims, liabilities and related costs and expenses, including reasonable attorneys’ fees and disbursements (all of the foregoing being collectively referred to as “Indemnified Amounts”) awarded against or actually incurred by any of them arising out of or resulting from this Agreement, the Sale Agreement, the Loan Agreement or any other Document or the use of proceeds of any Transfer or in respect of any Transferred Property. (i) Any Receivable represented or deemed represented by the Transferor to be an Eligible Receivable which was not an Eligible Receivable as of the Transfer Date thereof;

(ii) reliance on any representation or warranty made or deemed made by the Transferor, the Collection Agent or any of their respective officers under or in connection

(iii) the failure by the Transferor or the Collection Agent to comply with any term, provision or covenant contained in this Agreement, the Sale Agreement, the Loan Agreement or any other Documents, or any Contract, or with any Applicable Law with respect to any Receivable, the related Contract or the Related Security, or the nonconformity of any Receivable, the related Contract or the Related Security with any such Applicable Law;

(iv) the failure to (A) vest and maintain vested in the Company or to transfer to the Company, legal and equitable title to and ownership of, the Receivables and the other Transferred Property which are, or are intended to be, Contributed by the Transferor hereunder or (B) grant to the Company a valid and perfected first priority "security interest" under Article 9 of the UCC in and to the Receivables which are, or are purported to be, Transferred Property, together with all Collections and Related Security, in each case free and clear of any Lien (other than Permitted Liens referred to in clause (b) of the definition thereof) whether existing at the time of the Transfer of any such Receivable or at any time thereafter;

(v) the failure by the Transferor to make any payment required on its part to be made hereunder;

(vi) the failure to file, or any delay in filing, financing statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Law with respect to any Receivables and other Transferred Property which are, or are intended to be, Transferred by the Transferor hereunder, whether at the time of any Transfer or at any subsequent time;

Notwithstanding any other provision of this Agreement to the contrary, the Transferor shall not indemnify any Indemnified Party for or with respect to any Indemnified Amounts (i) that would constitute recourse for uncollectible Receivables due to the bankruptcy or insolvency of the related Obligor or (iii) that arise solely from such Indemnified Party's gross negligence, bad faith or willful misconduct as determined in a final non-appealable judgment of a court of competent jurisdiction.

AMOUNTS AND TERMS OF THE PURCHASES.

SECTION 2.01. Agreement to Purchase.

(a) On the Initial Purchase Date and on each Business Day after the Initial Purchase until the Termination Date (each, a “Purchase Date”), on the terms and conditions hereinafter set forth, and without recourse to the Originators (except to the extent specifically provided herein), each of the Originators hereby offers to sell to the Buyer and, upon satisfaction of the applicable conditions set forth in Article III, each of the Originators does hereby sell and the Buyer does hereby purchase from each of the Originators on such Purchase Date all Receivables owned by such Originator as of the close of business on the immediately preceding Business Day (other than any AccessOne Program Receivables originated prior to the date that is 30 days after the Closing Date) which have not been previously sold to the Buyer hereunder, together with all of the Related Security relating to such Receivables and all Collections with respect to and other proceeds of such Receivables.

(b) The Buyer shall convey to the Authorized Representative, for the benefit of the Originators, the Purchase Price in respect of each Purchase, which shall be conveyed in the manner provided in Sections 2.02 and 2.03.

(c) Effective on each Purchase Date hereunder, the Buyer shall own the Purchased Property that was sold by the Originators to the Buyer on such Purchase Date, and the Originators shall not take any action inconsistent with such ownership and shall not claim any ownership interest in such Purchased Property.

(d) It is the intention of the parties hereto that each Purchase of Receivables to be made hereunder shall constitute a “sale of accounts,” as such term is used in Article 9 of the UCC of the State of New York, and not a loan secured by such accounts. Each sale of Receivables by an Originator to the Buyer is made without recourse; *provided, however*, that (i) the Originators shall be jointly and severally liable to the Buyer for all representations, warranties and covenants made by any Originator pursuant to the terms of this Agreement, (*provided*, that the liability of the Specified Originators shall be limited to representations, warranties and covenants relating to the Purchased Property of each such Specified Originator), and (ii) such sale does not constitute and is not intended to result in an assumption by the Buyer or any assignee thereof of any obligation of any Originator or any other Person arising in connection with the Purchased Property, or any other obligations of any Originator. In view of the expressed intention of the parties hereto that the Purchases of Receivables to be made hereunder shall constitute a sale of such Receivables, each Originator agrees to note on its financial statements that the Receivables have been sold to the Buyer to the extent other treatment in the financial statements is not required by GAAP. If at any time contrary to the mutual intent of the Originators and the Buyer a court characterizes the transactions hereunder as loans by the Buyer to the Originators, then each of the Originators shall, effective as of the Closing Date (with respect to Initial Originators) or effective as of the date of such Originator’s Addition (with respect to Originators added as additional Originators hereunder after the Closing Date), be deemed to have granted (and each Originator hereby does grant) to the Buyer a first priority security interest in all of its right and title to and interest in all Purchased Property and

the proceeds thereof as security for such loans and for the repayment of all amounts advanced to the Originators hereunder with accrued interest thereon, and this Agreement shall be deemed to be a security agreement.

(e) In no event does any Originator pledge, sell or offer to sell, nor does the Buyer obtain a security interest, purchase or offer to purchase from any Originator, (A) any Self Pay Obligation or any collections thereon or proceeds thereof or (B) any account, general intangible, instrument, license, property right, permit or any other contract or agreement to which such Originator is a party or any of its rights or interests thereunder if and for so long as the grant of such security interest or such sale shall constitute or result in (x) the abandonment, invalidation or unenforceability of any right, title or interest of such Originator therein, or (y) a violation of a valid and enforceable restriction in respect of such account, general intangible, instrument, license, property right, permit or any other contract or agreement or other such rights (1) in favor of a third party or (2) under any Applicable Law; *provided, however*, that such security interest shall attach, or such sale shall be consummated, immediately at such time as the condition causing such abandonment, invalidation or unenforceability, as the case may be, shall be remedied and, to the extent severable, shall attach or be consummated, as applicable, immediately to any portion of such account, general intangible, instrument, license, property right, permit or any other contract or agreement that does not result in any of the consequences specified in the immediately preceding clause (x) or clause (y) including any proceeds of such account, general intangible, instrument, license, property rights, permit or any other contract or agreement.

SECTION 2.02. Payment for the Purchases.

(a) With respect to each Purchase, the Buyer shall pay to the Authorized Representative for the benefit of the applicable Originator(s) an amount equal to the Purchase Price for such Purchased Property by means of any one or combination of the following in accordance with the terms of Section 2.03: (i) a transfer of funds to the Authorized Representative (for distribution or crediting by the Authorized Representative to such Originators), and (ii) an Originator Loan in accordance with Section 2.03(c)(ii).

(b) Settlement of the amounts specified in the foregoing clause (a) shall be effected as provided in Section 2.03.

(c) Each of the Originators hereunder shall be deemed to have certified, with respect to the Purchased Property to be Purchased by the Buyer on any Purchase Date, that its representations and warranties contained in Sections 4.01 and 4.02 are true and correct on and as of such day, with the same effect as though made on and as of such day (other than any representation or warranty that is made as of a specific date), and that no Termination or Event of Termination has occurred and is continuing or would result therefrom.

SECTION 2.03. Settlement Procedures.

(a) On each Business Day during the term of this Agreement, the Buyer (or the Collection Agent on behalf of the Buyer) shall remit to the Authorized Representative for the benefit of the Originators all funds that are received by the Buyer on such Business Day pursuant

to the Contribution Agreement and the Buyer may (but is not required to) remit additional funds to the Authorized Representative for the benefit of the Originators. The funds transferred to the Authorized Representative for the benefit of the Originators on a Business Day pursuant to the preceding sentence constitute the “Distributed Funds” for such Business Day, and all Distributed Funds transferred to the Authorized Representative for the benefit of the Originators during a Collection Period constitute the “Monthly Distributed Funds” for such Collection Period.

(b) The Monthly Report with respect to each Collection Period shall specify, among other things, the Aggregate Purchase Price, the aggregate Monthly Distributed Funds and the Noncomplying Receivables Adjustment due to the Buyer from the Originators, in each case in respect of such Collection Period.

(c) On each Settlement Date, based on calculations set forth in the Monthly Report:

(i) Monthly Distributable Funds for such Collection Period will be credited to each Originator by the Authorized Representative in proportion to the Allocable Share of each Originator on such Settlement Date, to be applied in the following order:

(1) first, so long as (i) no Event of Termination exists, (ii) no Event of Default exists under the Loan Agreement and (iii) no Event of Termination exists under the Contribution Agreement and otherwise to the extent permitted under the Originator Notes, to accrued and unpaid interest owed to such Originator in respect of the Originator’s interest in the applicable Originator Note;

(2) next, so long as (i) no Event of Termination exists, (ii) no Event of Default exists under the Loan Agreement and (iii) no Event of Termination exists under the Contribution Agreement and otherwise to the extent permitted under the Originator Notes, to the extent of remaining amounts, to unpaid principal owed to such Originator in respect of such Originator’s interest in the applicable Originator Note;

(3) then, to the extent of remaining amounts, to pay the unpaid Purchase Price of Receivables transferred by such Originator to the Buyer; and

(4) any remaining Monthly Distributed Funds shall be returned to the Buyer, unless the Buyer elects to treat such amounts as Monthly Distributed Funds for the following Collection Period; and

(ii) to the extent that the funds available in the preceding clause (c)(i)(3) are insufficient to pay the full unpaid Purchase Price of Receivables transferred by an Originator to the Buyer during the applicable Collection Period, the remaining amount owing to such Originator shall be treated as a loan from such Originator (an “Originator Loan”) and shall be added to the principal balance of the applicable Originator Note on such Originator’s account.

(d) If the Authorized Representative or the Buyer notifies the Collection Agent of any exceptions to its calculations in the Monthly Report, the Authorized Representative and the Buyer shall promptly endeavor to resolve and reconcile the matters set forth in such notice.

(e) The Authorized Representative on behalf of the relevant Originators shall make a payment to the Buyer, within two Business Days of notice thereof and in immediately available funds in an amount equal to the Noncomplying Receivables Adjustment with respect to any Noncomplying Receivables identified by the Collection Agent or the Buyer (or its assigns) from time to time. Notwithstanding such payment obligation, on any Settlement Date prior to the occurrence of a Termination or Event of Termination, the Buyer in its sole discretion may elect to setoff or subtract all or a portion of such Noncomplying Receivables Adjustment for the related Collection Period from the Aggregate Purchase Price which would otherwise be paid to the Originators on such day, which setoff will reduce such payment obligation on a dollar for dollar basis.

SECTION 2.04. Payments and Computations, Etc. The payment or deposit of all amounts to be paid by the Originators or the Collection Agent to the Buyer hereunder shall be initiated in accordance with the terms hereof no later than 12:00 P.M. (New York City time) on the day when due in immediately available funds to such account as the Buyer may from time to time specify in writing. In the event that any payment becomes due on a day which is not a Business Day, then such payment shall be made on the next succeeding Business Day. The Originators shall, to the extent permitted by law, pay to the Buyer, on demand, interest on all amounts not paid when due hereunder (whether owing by an Originator individually, the Originators collectively or by a Collection Agent) at 2.0% *per annum* above the Base Rate, payable on demand; *provided, however*, that such interest rate shall not at any time exceed the maximum rate permitted by applicable law. All computations of interest payable hereunder shall be made on the basis of a year of 360 days for the actual number of days (including the first but excluding the last day) elapsed.

SECTION 2.05. Transfer of Records to the Buyer.

(a) Each Purchase of Receivables hereunder shall include the transfer to the Buyer of all the applicable Originator's right and title to and interest in the Records relating to such Receivables and rights to the use of such Originator's computer software to access and create the Records, and each of the Originators hereby agrees that such transfer shall be effected automatically with each such Purchase, without any action on the part of the parties hereto or any further documentation.

(b) Each of the Originators shall take such action requested by the Buyer, from time to time hereafter, that may be necessary or appropriate to ensure that the Buyer and its assignees have (i) an enforceable ownership interest in the Records relating to the Receivables Purchased hereunder and (ii) an enforceable right (whether by license or sublicense or otherwise) to use all of the computer software used to account for the Receivables and/or to recreate such Records.

(l) This Agreement is the only agreement pursuant to which such Originator sells Receivables (other than, prior to May 31, 2012, AccessOne Receivables).

(m) The Purchase Price constitutes reasonably equivalent value in consideration for the transfer to the Buyer of the Purchased Property from such Originator, no such transfer shall have been made for or on account of an antecedent debt owed by such Originator to the Buyer, and no such transfer is or may be voidable or subject to avoidance under any section of the Bankruptcy Law.

(n) Such Originator is not an insolvent person, in insolvent circumstances or on the eve of insolvency, as applicable (within the meaning of such term in the Bankruptcy Law) and at the time of (and immediately after) each Purchase hereunder, such Originator shall not have been an insolvent person, in insolvent circumstances or on the eve of insolvency, as applicable, within the meaning of the Bankruptcy Law. Such Originator will not become an insolvent person or be put in insolvent circumstances within the meaning of the Bankruptcy Law by entering into, or immediately after completion of the transactions contemplated by, this Agreement. The transfers of Purchased Property by such Originator to the Buyer pursuant to this Agreement, and all other transactions between such Originator and the Buyer, have been and will be made in good faith and not for the purpose of defeating, hindering, delaying, defrauding or oppressing the rights and claims of creditors or others against such Originator.

(o) Such Originator accounts for and otherwise treats each Purchase of Purchased Property hereunder in its books, records and financial statements as a legal sale of such Purchased Property, in each case to the extent other treatment is not required by GAAP.

(p) Such Originator has not (i) guaranteed or otherwise become liable for any obligation of the Company, allowed any of its other Affiliates to guarantee any obligations of the Company, and neither such Originator nor any of its other Affiliates has held itself out as responsible for debts of the Company or actions with respect to the business and affairs of the Company, or (ii) permitted the commingling or pooling of its funds or other assets with those of the Company and has not otherwise permitted any other of its Affiliates to commingle or pool any of its funds or other assets with those of the Company in a manner that would not allow such funds or other assets to be readily identifiable from those of any other Person. The Originators and the Company allocate between themselves shared corporate operating services and expenses which are not reflected in the Servicing Fee (including the services of shared employees, consultants and agents and reasonable legal and auditing expenses) on the basis of the reasonably projected use or the projected value of services rendered, and otherwise on a basis reasonably related to actual use or the value of services rendered. Such Originator acknowledges that the Company, the Lenders, the Managing Agents and the Administrative Agent are entering into the transactions contemplated by the Contribution Agreement and the Loan Agreement in reliance upon the Company's identity as a separate legal entity from each of the Parent, CHS, each Originator and each of their other respective Affiliates.

(q) Such Originator is not an "investment company" or a company controlled by an "investment company" registered or required to be registered under the Investment Company Act.

(r) Such Originator is not engaged, principally or as one of its important activities, in the business of extending credit for the purpose of “purchasing” or “carrying” any “margin stock” (as each of the quoted terms is defined or used in Regulation T, U or X promulgated pursuant to the Securities Exchange Act of 1934, as amended). No part of the proceeds of any Purchased Property has been used for so purchasing or carrying margin stock or for any purpose which violates, or which would be inconsistent with, the provisions of Regulation T, U or X.

(s) Such Originator and the Collection Agent each has the right (whether by license, sublicense or assignment) to use all of the computer software used by the Collection Agent and/or such Originator to account for the Purchased Property to the extent necessary to administer the Purchased Property, and, in the case of such Originator and the Collection Agent, to assign (by way of sale) or sublicense such rights to use all of such software to the Buyer.

(t) Such Originator has filed or caused to be filed all federal and other material tax returns which are required to be filed by it, and has paid or caused to be paid all taxes shown to be due and payable on such returns or on any assessments received by it, other than any taxes or assessments, (i) the validity of which are being contested in good faith by appropriate proceedings and with respect to which such Originator has set aside or has caused to be set aside adequate reserves on its books (consolidated or otherwise) in accordance with GAAP or (ii) which the failure to pay could not reasonably be expected to have a Material Adverse Effect.

(u) Except as could not reasonably be expected to result in material liability to an Originator, such Originator and its ERISA Affiliates is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, could reasonably be expected to result in material liability of such Originator or any of its ERISA Affiliates. The present value of all benefit liabilities under each Plan (based on the assumptions used for funding purposes) did not, as of the last annual valuation date applicable thereto, exceed the fair market value of the assets of such Plan in such amount that would reasonably be expected to result in a funding obligation that could reasonably be expected to result in a Material Adverse Effect, and the present value of all benefit liabilities of all underfunded Plans (based on the assumptions used for funding purposes) did not, as of the last annual valuation dates applicable thereto, exceed the fair market value of the assets of all such underfunded Plans in such amount that could reasonably be expected to result in a Material Adverse Effect.

(y) No Lien on such Originator's inventory attaches to the proceeds of the sale of such inventory to the extent that such sale would give rise to a Receivable.

(z) Each Originator has all power and authority, and has all material permits, licenses, accreditations, certifications, authorizations, approvals, consents and agreements of all Obligor, Governmental Entities, accreditation agencies and other Persons (including (i) accreditation by the appropriate Governmental Entities and industry accreditation agencies, (ii) accreditation and certifications as a provider of healthcare services eligible to receive payment and compensation and to participate under Medicare, Medicaid, TRICARE/CHAMPUS, Blue Cross/Blue Shield and other equivalent programs in which such Originator participates, and (iii) valid provider identification numbers and licenses to generate the Receivables) necessary or required for it, except in any Immaterial Respect, (A) to own the assets (including Receivables) that it now owns, (B) to carry on its business as now conducted, (C) to execute, deliver and perform this Agreement and the other Originator Documents to which it is a party, and (D) if applicable, to receive payments from the Obligor in the manner contemplated in this Agreement and the other Originator Documents, except in an Immaterial Respect.

There are no material claims, actions or appeals pending before any commission, board or agency or other Governmental Entity, including any intermediary or carrier, the Provider Reimbursement Review Board, or the administrator of CMS, with respect to any material state or federal Medicare or Medicaid cost reports or material claims filed by any Originator, or any disallowance by any commission, board or agency or other Governmental Entity in connection with any audit of such cost reports, except in any Immaterial Respect or which would affect the ability of the Buyer to fulfill its material obligations under any Facility Document. No validation review or program integrity review related to any Originator, the consummation of the transactions contemplated by this Agreement, or the Purchased Property have been conducted by any commission, board, or agency or other Governmental Entity in connection with the Medicare or Medicaid programs, and, to the knowledge of the Originators, no such reviews are scheduled, pending, or threatened against or affecting any of the Originators, any of the Purchased Property or the consummation of the transactions contemplated by this Agreement except in any Immaterial Respect or which would affect the ability of the Buyer to fulfill its material obligations under any Facility Document.

(ee) No portion of the Originator's assets include "plan assets" of any "benefit plan investor" within the meaning of Section 3(42) of ERISA.

(b) The Receivables constitute "accounts" (including health-care-insurance receivables) or general intangibles within the meaning of the applicable UCC.

The Collection Agent's authorization under this Agreement shall terminate on the Collection Date. Until the Buyer, with the consent of the Administrative Agent as its assignee, gives notice to the Authorized Representative of a designation of a new Collection Agent after the occurrence and during the continuance of a Servicer Termination Event, Professional Services is hereby designated as, and hereby agrees to perform the duties and obligations of, the Collection Agent pursuant to the terms hereof. The Authorized Representative, the Buyer and the Collection Agent may from time to time agree in any collection agency or services agreement among them on the allocation of servicing duties to be performed by the Collection Agent. Notwithstanding the foregoing, the Buyer may (with the approval of the Administrative Agent, as its assignee, and the Managing Agents), after the occurrence and during the continuance of a Servicer Termination Event, designate as Collection Agent any Person to succeed Professional Services or any successor Collection Agent, on the condition in each case that any such Person so designated shall agree to perform the duties and obligations of the Collection Agent pursuant to the terms hereof and of the Contribution Agreement and the Loan Agreement and in accordance with applicable Healthcare Laws. Each of the Originators hereby grants to the Collection Agent and any successor Collection Agent, and the Collection Agent hereby grants to any successor Collection Agent, an irrevocable power of attorney, with full power of substitution, coupled with an interest, to take any and all steps in any Originator's or the Collection Agent's name, as applicable, and on behalf of the Buyer, as may be necessary or desirable, in the determination of the Collection Agent or the successor Collection Agent, as the case may be, to collect all amounts due under any and all Receivables, including endorsing such Originator's name on checks and other instruments representing Collections and enforcing such Receivables and the related Contracts. The Collection Agent may subcontract the performance of its duties and obligations to a third Person with the prior consent of Buyer, including with respect to Collection Agency Receivables. Any such

subcontract shall not affect the Collection Agent's liability for performance of its duties and obligations pursuant to the terms hereof, and any such subcontract shall automatically terminate upon designation of a successor Collection Agent. Notwithstanding anything to the contrary contained in this Agreement, the Collection Agent, if not an Originator or an Affiliate thereof, shall have no obligation to collect, enforce or take any other action described in this Article VI with respect to any Receivable that is not a Purchased Receivable other than to deliver to the Authorized Representative or at its direction, the Collections and documents with respect to any such Receivable that is not a Purchased Property as described in Sections 6.03 and 6.07.

SECTION 6.02. Collection of Receivables by the Collection Agent; Extensions and Amendments of Receivables.

(a) The Collection Agent shall take or cause to be taken all such reasonable actions as may be necessary or advisable to collect each Receivable from time to time, all in accordance with Applicable Law, with reasonable care and diligence, and in accordance with the Credit and Collection Policy; *provided, however*, that, if a Servicer Termination Event shall have occurred and be continuing, (i) the Buyer shall have the right to direct the Collection Agent (whether the Collection Agent is an Originator or an Affiliate thereof or otherwise) to commence or settle any legal action, to enforce collection of any Purchased Property or to foreclose upon or repossess any Related Security, and (ii) the Collection Agent shall not make the Buyer a party to any litigation without the express written consent of the Buyer, such consent not to be unreasonably withheld or delayed. If the Termination Date shall not have occurred, Professional Services, while such Person is the Collection Agent, may, with respect to the Receivables and, with respect to any Eligible Receivable, in accordance with the Credit and Collection Policy, (i) extend the maturity or adjust the Expected Net Value of any Defaulted Receivable as Professional Services may determine to be appropriate to maximize Collections thereof and (ii) adjust the Expected Net Value of any Receivable to reflect (x) any reduction or adjustment as a result of any defective, rejected, returned, repossessed or foreclosed merchandise, any defective or rejected services, any failure to provide services, any discount, rebate or any other adjustment made or performed by the Company or any other Person or (y) any reduction or cancelation as a result of a setoff in respect of any claim by the Obligor thereof against an Originator or an Affiliate of an Originator or an Affiliate of an Originator, in each such case (except with respect to Receivables which are not Eligible Receivables) (x) in accordance with the requirements of the Credit and Collection Policy and (y) provided that such extension or adjustment shall not alter the status of such Receivable as a Defaulted Receivable or limit the rights of the Buyer under this Agreement. Except as otherwise permitted pursuant to the immediately preceding sentence, neither the Collection Agent nor any Originator will extend, amend, cancel or otherwise modify the terms of any Receivable without the prior written approval of the Buyer, or amend, modify, cancel or waive any term or condition of any Contract related to a Receivable, except to the extent consistent with the Credit and Collection Policy or otherwise with the prior written approval of the Buyer.

(b) Notwithstanding anything else contained herein, neither the Collection Agent nor any subcontractor or delegatee thereof is the agent of the Buyer, and they are not permitted to (nor do they have any authority to) (i) establish an office or other fixed place of business of the Buyer, or (ii) contract for, or conclude a contract in the name of, the Buyer.

(c) The Credit and Collection Policy may be amended from time to time provided that (i) no change shall be made in the Credit and Collection Policy that would be adverse to any of the Buyer or its assignees, including by impairing the collectibility of any Receivable or the ability of the Buyer or the Collection Agent to perform its obligations under this Agreement, the Contribution Agreement or the Loan Agreement and (ii) in the event that any change is made to the Credit and Collection Policy, promptly following such change and, in any event within 30 days thereof, the Collection Agent shall provide the Buyer with an updated Credit and Collection Policy and a summary of all material changed.

SECTION 6.03. Distribution and Application of Collections. The Collection Agent shall set aside and segregate all Collections of Receivables from the other funds belonging to the Collection Agent. The Collection Agent shall as soon as practicable (and in any event within two Business Days) following receipt turn over to the Authorized Representative or other Person entitled thereto the collections of any account receivable which is not a Purchased Property less, in the event neither Professional Services nor an Affiliate thereof is the Collection Agent, all reasonable and appropriate out-of-pocket costs and expenses of the Collection Agent of servicing, collecting and administering the Receivables to the extent not covered by the Servicing Fee received by it.

SECTION 6.04. Other Rights of the Buyer. At any time following the occurrence and during the continuance of a Servicer Termination Event or the designation pursuant to Section 6.01 of a Collection Agent other than Professional Services, the Buyer or any Affiliate of either thereof, subject to Applicable Law:

(a) The Buyer may or, at the request of the Buyer, the Originators shall (in either case, at the Originators' expense) direct any or all of the Obligors to pay all amounts payable under any Receivable directly to the Buyer or its designee;

(b) The Buyer may or, at the request of the Buyer, the Originators shall (in either case, at the Originators' expense) give each of the Obligors notice of the Buyer's interests in the Purchased Property;

(c) The Buyer may have a representative present during any or all business hours at each office of the Collection Agent and the Originators involved in the administration, servicing and collections of the Receivables;

(d) The Buyer, or its representatives, may, during regular business hours, (i) review any or all Records, computer programs and files related to the administration, servicing and collection of the Receivables and (ii) visit the offices of the Originators for the purpose of such review, and, at the Buyer's request and at the Originators' expense, the Buyer shall (i) assemble all Records and make the same available to the Buyer or its designee at a place selected by the Buyer or its designee, and (ii) segregate all cash, checks and other instruments received by it from time to time constituting Collections of Receivables in the manner provided herein or such other manner acceptable to the Buyer and, promptly following receipt, remit all such cash, checks and instruments, duly endorsed or with duly executed instruments of transfer, to the Buyer or its designee; and

(e) The Buyer shall have all other rights and remedies provided under the UCC and other Applicable Law, which rights and remedies shall be cumulative.

SECTION 6.05. Records.

(a) Each Originator will maintain and implement administrative and operating procedures (including an ability to recreate records evidencing the Receivables in the event of the destruction of the originals thereof), and keep and maintain all documents, books, records and other information reasonably necessary or advisable for the timely and full collection of all Receivables (including records adequate to permit the daily identification of each new Purchased Property and all Collections of and adjustments to each existing Purchased Property). Each Originator will indicate in its books and records that its Receivables have been transferred to CHS. The Collection Agent will maintain access and copies of all such documents, books, records and other information of the Originators necessary to comply with clause (b) below.

(b) Each Originator and the Collection Agent, whether or not the Buyer or an Affiliate thereof, shall hold all Records in trust for the Buyer and its assigns. Subject to the receipt of contrary instructions from the Buyer that are delivered following the occurrence and continuance of a Servicer Termination Event, the Collection Agent and each Originator will deliver all Records to any new Collection Agent hereunder; *provided, however*, that such new Collection Agent, if other than an Affiliate of the Buyer, shall as soon as practicable upon demand deliver to the Authorized Representative copies of Records in its possession relating to Purchased Property.

SECTION 6.06. Receivable Reporting. On each Monthly Report Due Date, the Collection Agent shall deliver to the Buyer a Monthly Report for the preceding Collection Period, which delivery may be in electronic form; *provided*, that so long as Professional Services is acting as Collection Agent, a Monthly Report delivered in a timely fashion under the Loan Agreement shall constitute delivery of a Monthly Report under this Section 6.06.

SECTION 6.07. Collections and Lock-Boxes.

(a) Each Originator and the Collection Agent will instruct all Obligors to cause all Collections to be either (i) remitted to a Lock-Box to be retrieved therefrom by the applicable Collection Account Bank for prompt deposit to the applicable Collection Account or (ii) remitted directly to a Collection Account. If the Collection Agent or any Originator receives any Collections, such Originator or the Collection Agent shall immediately remit such Collections to the applicable Collection Account within two Business Days of receipt thereof and the Collection Agent or the applicable Originator will take all such actions as are reasonably necessary in the Collection Agent or Originator's discretion or as reasonably requested by the Buyer to ensure that future payments from any Obligor be made to a Collection Account or Lock-Box. If the applicable Originator or the Collection Agent does not promptly (and in any event within two Business Days from the Buyer's request) take such actions as the Buyer may reasonably request, then the Buyer, its assigns or designees, may, to the maximum extent permitted by law take such actions as the Buyer, its assigns or designees may, on its direction, deem appropriate.

(b) The Collection Agent shall allocate and remit Collections in accordance with the Loan Agreement; *provided, however,* that the Buyer may, at any time following a Trigger Event and shall, at the direction of the Administrative Agent, as its assignee, revoke the Collection Agent's authority with respect to each Concentration Account, direct each Concentration Account Bank to cease taking instructions from the Collection Agent or the Buyer and to thereafter take direction solely from the Administrative Agent, in each case by delivery of a notice substantially in the form attached to the Control Agreement for such purpose. Neither any Originator nor the Collection Agent will (i) add or terminate any bank as a Collection Account Bank or a Concentration Account Bank, (ii) close any Lock-Box, any Collection Account or any Concentration Account or open any new lock-box or account to function as a Lock-Box, Collection Account or Concentration Account, (iii) make any change to the instructions to the Obligor that all payments with respect to the Receivables be made to a Lock-Box or Collection Account or (iv) make any change to the instructions to the Collection Account Bank set forth in the Deposit Account Notification Agreement (Government Healthcare Receivables) requiring all available funds in each Collection Account to automatically sweep to the applicable Concentration Account at the end of each Business Day, in each case, without the prior written consent of the Buyer and the Administrative Agent and each Managing Agent; *provided,* if any Originator violates any of the provisions under clauses (i) through (iv) above with respect to any Lock-Box or Collection Account relating to such Originator without the prior knowledge or consent of the Buyer or the Collection Agent, the Originator (itself or through the Collection Agent) shall have the opportunity to cure the violation of this clause (b) within 15 days of obtaining knowledge of such breach and, if such violation is cured within such 15 day period, the cure of such violation shall be effective to cure any breach of any covenant, representation or warranty by any Originator or the Collection Agent under any Facility Document directly related to or directly arising from such violation without any further action. Each of the Originators and the Collection Agent each hereby agrees to take, or cause to be taken, any and all actions reasonably requested by the Buyer to protect and perfect the interest of the Buyer in the event any such change is permitted.

SECTION 6.08. UCC Matters: Protection and Perfection of Purchased Property. Each Originator will keep its jurisdiction of incorporation or organization, principal place of business and chief executive office, and the offices where it keeps its Records, in the jurisdictions and at the addresses set forth on Schedule III, or, in any such case, upon 30 days' prior written notice to the Buyer, at such other jurisdictions or locations within the United States where all actions reasonably requested by the Buyer to protect and perfect the interest of the Buyer in the Purchased Property have been taken and completed. Each of the Originators and the Collection Agent agrees that from time to time, at the Originators' expense, it will promptly execute and deliver all further instruments and documents, and take all further action that the Buyer may reasonably request in order to perfect, protect or more fully evidence the Purchased Property acquired by the Buyer hereunder, or to enable the Buyer to exercise or enforce any of its rights hereunder. Without limiting the generality of the foregoing, each of the Originators and the Collection Agent agrees that it will, upon the request of the Buyer, execute and file such financing or continuation statements, or amendments thereto or assignments thereof, and such other instruments or notices, as may be necessary or appropriate. Each Originator hereby authorizes the Buyer to file one or more financing or continuation statements, and amendments thereto and assignments thereof, relative to all or any of the Purchased Property now existing or hereafter arising without the signature of such Originator where permitted by law. If an

Originator or the Collection Agent fails to perform any of its agreements or obligations under this Section 6.08, the Buyer, or its assignee, may (but shall not be required to) itself perform, or cause performance of, such agreement or obligation, and the reasonable expenses of the Buyer incurred in connection therewith shall be payable by the Originators upon the Buyer's demand therefor. For purposes of enabling the Buyer to exercise its rights described in the preceding sentence and elsewhere in this Article VI, each of the Originators and the Collection Agent hereby authorizes the Buyer to take any and all steps following an Event of Termination in such Originator's or the Collection Agent's, as applicable, name and on behalf of the Originator necessary or desirable, in the determination of the Buyer, to collect all amounts due under any and all Receivables, including endorsing such Originator's or the Collection Agent's name on checks and other instruments representing Collections and enforcing such Receivables and the related Contracts.

SECTION 6.09. Obligations With Respect to Receivables. Each of the Originators and the Collection Agent will (a) at the Originators' expense, regardless of any exercise by the Buyer of its rights hereunder, timely and fully perform and comply with all material provisions, covenants and other promises required to be observed by it under the Contracts related to the Purchased Property to the same extent as if Purchased Property therein had not been sold hereunder and (b) pay when due any taxes, including sales, excise or personal property taxes, payable in connection with the Purchased Property. In no event shall the Buyer have any obligation or liability with respect to any Purchased Property or related Contracts, nor shall it be obligated to perform any of the obligations of the Collection Agent or any Originator or any of their respective Affiliates thereunder. Each of the Originators and the Collection Agent agrees it will timely and fully comply in all material respects with the Credit and Collection Policy in regard to each Receivable and the related Contract.

SECTION 6.10. Applications of Collections. Any payment by an Obligor in respect of any indebtedness owed by it to any Originator shall, except as otherwise specified by such Obligor or otherwise required by contract or Applicable Law and unless otherwise instructed by the Buyer, be applied as a Collection of any Receivables constituting Purchased Property of such Obligor, in the order of the age of such Receivables, starting with the oldest such Receivable, to the extent of any amounts then due and payable thereunder, before being applied to any other indebtedness, account, general intangible or obligation of such Obligor.

SECTION 6.11. Annual Servicing Report of Independent Audit Firm. On an annual basis on or before the date which is 90 days after the end of each fiscal year, beginning with the fiscal year ending December 31, 2012, the Collection Agent shall engage and cause FTI Consulting, Inc. or another firm acceptable to the Buyer and its assigns, to provide the Collection Agent and the Buyer with a report setting forth the results of such firm's review of the Receivables in form and in scope satisfactory to the Buyer and the Collection Agent; *provided* that in no event shall such report include "Protected Health Information", as such term is defined in regulations implementing HIPAA; *provided further* that such independent audit firm shall be required to enter into a Business Associate Agreement with the Collection Agent. Each of the Originators hereby authorizes such firm to discuss such affairs, finances and performance with representatives of the Buyer and its designees.

ARTICLE VII
EVENTS OF TERMINATION

SECTION 7.01. Events of Termination. If any of the following events (any such event, an “Event of Termination”) shall occur:

(a) The Collection Agent, the Authorized Representative or any Originator shall fail to make any payment or deposit to be made by it hereunder when due and such failure shall remain unremedied for five Business Days; or

(b) Any representation or warranty made or deemed to be made by any Originator, the Collection Agent or CHS (or any of their respective officers or agents) under or in connection with any Document, including any Monthly Report other than with respect to the status of a Receivable as an Eligible Receivable or any other information, report or officer’s certificate delivered pursuant hereto, shall prove to have been false, incorrect or misleading in any material respect when made or deemed made, unless and solely to the extent (i) such representation or warranty does not contain a grace period within such provision, and (ii) such misrepresentation is capable of being cured within 10 days, the Collection Agent, the Authorized Representative and any relevant Originator deliver a written certificate to the Buyer certifying that such false, incorrect or misleading statement, and all ramifications thereof under this Agreement or any Document has been cured in full (together with such data demonstrating such cure) by earlier to occur of (x) the date on which written notice shall have been given to the Authorized Representative and (y) the date on which a Responsible Officer of the Collection Agent, the Authorized Representative or the relevant Originator acquires knowledge thereof; or

(c) Any Originator, the Authorized Representative, CHS or the Collection Agent shall fail to perform or observe, beyond the applicable grace or cure period therein, any term, covenant or agreement (other than any term, covenant or agreement described in another clause of this Section 7.01) contained in any Document on its part to be performed or observed and any such failure (other than a failure with respect to any of Section 5.01(d), (g), (l), and (q), in each case, as to which no grace period shall apply) shall remain unremedied for 10 days after written notice thereof shall have been given by the Buyer to the Authorized Representative, or this Agreement or any other Document shall cease to be effective or be a legally valid, binding and enforceable obligation of the Buyer, any Originator or the Collection Agent, as the case may be or any of their respective Affiliates shall contest in any manner the effectiveness, validity, binding nature or enforceability of this Agreement or any other Document; or

(d) (i) Any Originator, the Parent or the Collection Agent shall fail to pay any principal, interest or other amount due in respect of any Material Indebtedness, when and as the same shall become due and payable (after giving effect to any grace period) or (ii) any other event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (after giving effect to any grace period) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity or that results in the termination or permits any counterparty to terminate any interest rate protection agreement, foreign currency exchange agreement, commodity price protection agreement or other interest or currency exchange rate or

commodity price hedging arrangement, the obligations under which constitute Material Indebtedness; *provided* that this clause (ii) shall not apply to secured Debt that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Debt; or

(e) Either (i) any Purchase shall, for any reason, except to the extent permitted by the terms hereof, cease to create a valid and perfected first priority ownership interest in each Purchased Property with respect thereto free and clear of any Lien (other than Permitted Liens referred to in clause (b) of the definition thereof and, during the continuance of the time period specified in Section 5.01(u), the Kay County Lien), which shall remain unremedied for five Business Days after the earlier of delivery of notice thereof by the Buyer or discovery thereof by the Collection Agent or any Originator or (ii) this Agreement shall for any reason cease to evidence the transfer to the Buyer of legal and equitable title to, and ownership of, the Purchased Property; or

(f) (i) Any Material Originator, the Parent, CHS or the Collection Agent shall (A) become insolvent, generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally or shall make a general assignment for the benefit of creditors; (B) any Insolvency Proceeding or any other proceeding seeking the entry of an order for relief or the appointment of a receiver, receiver/manager, custodian, trustee, or other similar official for it or for any substantial part of its property shall be instituted by any Material Originator, the Parent, CHS or the Collection Agent or (C) any Insolvency Proceeding or any other proceeding seeking the entry of an order for relief or the appointment of a receiver, receiver/manager, custodian, trustee, or other similar official for it or for any substantial part of its property shall be instituted against any Material Originator, the Parent, CHS or the Collection Agent, and such other proceeding shall remain unstayed for a period of 60 days, or the requested adjudication, relief or other action sought thereby shall have been made, granted or taken, or (ii) any Material Originator, the Parent, CHS or the Collection Agent shall take any corporate or entity-level action that authorizes any of the actions set forth above in this Section 7.01(f); or

(g) There shall have occurred and be continuing an “Event of Default” under the Loan Agreement; or

(h) There shall have occurred and be continuing an “Event of Termination” under the Contribution Agreement; or

(i) There shall have occurred a Change in Control; or

(j) There shall have occurred any material adverse change in the business or financial condition of CHS or the Originators taken as a whole since December 31, 2011, which could reasonably be expected to affect the value or collectability of the Receivables or the ability of the Buyer, the Collection Agent or any Originator to collect the Receivables or otherwise perform its respective obligations under this Agreement or any other Document; or

(k) A Servicer Termination Event shall have occurred and be continuing; or

(l) The Buyer shall have become subject to registration as an “investment company” within the meaning of the Investment Company Act; or

(m) One or more judgments shall be rendered against any Originator, the Collection Agent, the Company, CHS or the Parent or any combination thereof (to the extent not paid or fully covered by insurance) and the same shall remain undischarged for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon assets or properties of any Originator, the Collection Agent, the Company, CHS or the Parent to enforce any such judgment and such judgment is for the payment of money in an aggregate amount in excess of \$50,000,000; or

(n) An ERISA Event shall have occurred that, in the opinion of the Buyer, when taken together with all other such ERISA Events, could reasonably be expected to result in liability of the Parent and its ERISA Affiliates in an aggregate amount exceeding \$50,000,000;

then, and in any such event, the Buyer may, by notice to the Authorized Representative (a “Termination Declaration Notice”) declare the Termination Date to have occurred, except that, (i) in the case of any event described in clause (i)(B) or clause (i)(C) of Section 7.01(f) above or any event described in Section 7.01(d) above, the Termination Date shall be deemed to have occurred automatically without notice upon the occurrence of such event, and (ii) in the case of any event described in Sections 7.01(c) and (h) that relate to an Originator and not Material Originators, no Event of Termination shall be deemed to have occurred so long as the Buyer immediately ceases future purchases of Receivables from such Originator.

Notwithstanding the foregoing, the occurrence of one or more events listed above that would otherwise constitute an Event of Termination with respect to any Originator or Originators not constituting Material Originators (as calculated over any period of 30 consecutive days) shall not constitute an Event of Termination hereunder if such Originator or Originators subject to such event are subject to a Removal (without consideration of the requirement for a 30 day prior written request as set forth in Section 9.14(b)) within 10 days of the occurrence of such event or events.

ARTICLE VIII INDEMNIFICATION

SECTION 8.01. Indemnities by the Originators.

(a) Without limiting any other rights which the Buyer may have hereunder or under Applicable Law, each of the Collection Agent and the Originators hereby each agrees, jointly and severally, to indemnify the Buyer and its transfers and assigns, and each of their respective directors, officers, employees, agents and attorneys (all of the foregoing being individually referred to as an “Indemnified Party” and being collectively referred to as “Indemnified Parties”) from and against any and all damages, losses, claims, liabilities and related costs and expenses, including reasonable attorneys’ fees and disbursements (all of the foregoing being collectively referred to as “Indemnified Amounts”) awarded against or actually incurred by any of them arising out of or resulting from this Agreement, the Contribution Agreement, the Loan Agreement or any other Document or the use of proceeds of any Purchase or in respect of any Purchased Property. Without limiting or being limited by the foregoing, each Originator shall pay on demand to each Indemnified Party any and all amounts necessary to indemnify such Indemnified Party from and against any and all Indemnified Amounts relating to or resulting from any of the following:

(i) Any Receivable represented or deemed represented by an Originator to be an Eligible Receivable which was not an Eligible Receivable as of the Purchase Date thereof;

(ii) reliance on any representation or warranty made or deemed made by any Originator, CHS, the Collection Agent or any of their respective officers under or in connection with this Agreement, the Contribution Agreement, the Loan Agreement or any other Document, which shall have been false, incorrect or misleading in any material respect when made or deemed made or delivered;

(iii) the failure by any Originator, CHS or the Collection Agent to comply with any term, provision or covenant contained in this Agreement, the Contribution Agreement, the Loan Agreement or any other Documents, or any Contract, or with any Applicable Law with respect to any Receivable, the related Contract or the Related Security, or the nonconformity of any Receivable, the related Contract or the Related Security with any such Applicable Law;

(iv) the failure to (A) vest and maintain vested in the Buyer or to transfer to the Buyer, legal and equitable title to and ownership of, the Receivables and the other Purchased Property which are, or are intended to be, sold by the Originators hereunder or (B) grant to the Buyer a valid and perfected first priority "security interest" under Article 9 of the UCC in and to the Receivables which are, or are purported to be, Purchased Property, together with all Collections and Related Security, in each case free and clear of any Lien (other than Permitted Liens referred to in clause (b) of the definition thereof) whether existing at the time of the Purchase of any such Receivable or at any time thereafter;

(v) the failure by any Originator to make any payment required on its part to be made hereunder;

(vi) the failure to file, or any delay in filing, financing statements or other similar instruments or documents under the UCC of any applicable jurisdiction or other Applicable Law with respect to any Receivables and other Purchased Property which are, or are intended to be, sold by the Originators hereunder, whether at the time of any Purchase or at any subsequent time;

(vii) any failure of any Originator, CHS or the Collection Agent to perform its duties or obligations in accordance with the provisions of this Agreement or the other Documents or to perform its duties under the Contracts;

(viii) any products liability claim or personal injury or property damage suit or other similar or related claim or action of whatever sort arising out of or in connection with merchandise or services which are the subject of any Receivable or Contract;

-
- (ix) any set-off by any Collection Account Bank or any Concentration Account Bank against Collections;
 - (x) the failure to pay when due any taxes which are an Originator's responsibility, including sales, excise or personal property taxes payable in connection with the Purchased Property or the purchase thereof;
 - (xi) the commingling of Collections of Purchased Property at any time with other funds;
 - (xii) any investigation, litigation or proceeding related to this Agreement or the use of proceeds of Purchases or the ownership by the Buyer of Purchased Property;
 - (xiii) any attempt by any Person to void or otherwise avoid any transfer of any Purchased Property from an Originator to the Buyer under any statutory provision or common law or equitable action, including any provision of the Bankruptcy Law; or
 - (xiv) the inclusion in any Purchased Receivable any portion of the Expected Net Value of which represents sales taxes.

(b) Any amounts subject to the indemnification provisions of this Section 8.01 shall be paid by the Originators to the Buyer within 10 Business Days following the Buyer's demand therefor. Notwithstanding any other provision of this Agreement to the contrary, the Originators shall not indemnify any Indemnified Party for or with respect to any Indemnified Amounts (i) that would constitute recourse for uncollectible Receivables due to the bankruptcy or insolvency of the related Obligor or (ii) that arise solely from such Indemnified Party's gross negligence, bad faith or willful misconduct as determined in a final non-appealable judgment of a court of competent jurisdiction.

(c) Notwithstanding the foregoing, the liability of the Specified Originators shall be limited to indemnification events relating to each such Specified Originator or the Purchased Property it has transferred under this Agreement.

ARTICLE IX MISCELLANEOUS

SECTION 9.01. Amendments and Waivers. No amendment or modification of any provision of this Agreement or any Document shall be effective without the written agreement of the parties hereto and, to the extent then required in the Loan Agreement, the written consent of the Administrative Agent and the Majority Lenders (or their respective Managing Agents), and no termination or waiver of any provision of this Agreement or any Document or consent to any departure therefrom shall be effective without the written concurrence of the Company, the Administrative Agent and the Majority Lenders (or their respective Managing Agents). All payments to be made by any Originator or the Collection Agent under this Agreement shall be made free and clear and each of the Originators and the Collection Agent hereby irrevocably and unconditionally waives all rights of any counterclaim, set-off, deduction or other defense, which such Originator or the Collection Agent may have against the Buyer, or against each other, whether under contract (including this Agreement), Applicable Law, in equity or otherwise. The obligation of each Originator and the Collection Agent to make the payments and deposits contemplated by this Agreement is absolute and unconditional.

SECTION 9.04. No Waiver; Remedies. No failure on the part of the Buyer to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.05. Binding Effect; Assignability; Third Party Beneficiary. This Agreement shall be binding upon and inure to the benefit of the Originators, the Buyer, the Collection Agent and their respective successors and permitted assigns. No Originator may assign its rights and obligations or any interest herein or delegate any of its duties hereunder or under the other Originator Documents, in each case, without the prior written consent of the Buyer. The Buyer may, subject to any restrictions in the Loan Agreement, assign at any time all of its rights and obligations hereunder and interests herein without the consent of any Originator or the Collection Agent. All such assignees, including parties to the Loan Agreement, shall be third party beneficiaries of, and shall be entitled to enforce the Buyer's rights and remedies

under, this Agreement to the same extent as if they were parties thereto, except to the extent specifically limited under the terms of their assignment. Without limiting the foregoing, each of the Originators acknowledges (a) the assignment of Buyer's rights and interests hereunder to the Administrative Agent (via the assignment by the Company to the Administrative Agent) pursuant to the Assignment of Agreements and agrees that, subject to the terms set forth in the Assignment of Agreements, the Contribution Agreement and the Loan Agreement, the Administrative Agent (and any further assignee of any such assignee) shall have the right, as the assignee of the Buyer (or the assignee of such assignee), to enforce the Buyer's rights and remedies under this Agreement directly against such party (including the right (i) to appoint a successor Collection Agent and (ii) to give or withhold any and all consents, requests, notices, directions, approvals, demands, extensions or waivers under or with respect to this Agreement or the obligations in respect of the Originators hereunder to the same extent as the Buyer may do), but without any obligation on the part of any such assignee to perform any of the obligations of the Buyer hereunder and (b) that the Administrative Agent, each Managing Agent, each Lender and each other Secured Party (as defined in the Loan Agreement) is an intended third party beneficiary of this Agreement to the same extent as if they were parties hereto, and that each of them is relying on, among other things, the representation and warranties of the Originators hereunder in entering into the Loan Agreement. Each of the Originators, the Authorized Representative and the Collection Agent agrees that it shall send to the Administrative Agent and each Managing Agent (at the address set forth in the Loan Agreement) a copy of all written notices required to be given by such Person to the Buyer hereunder.

SECTION 9.06. Term of this Agreement. This Agreement, including each Originator's and the Collection Agent's obligation to observe its covenants set forth in Articles V and VI, shall remain in full force and effect until the Collection Date; *provided, however*, that the rights and remedies with respect to any breach of any representation and warranty made or deemed made by the Originators pursuant to Article IV, the indemnification and payment provisions of Article VIII and the provisions of Section 9.15 shall be continuing and shall survive any termination of this Agreement.

SECTION 9.07. GOVERNING LAW; CONSENT TO JURISDICTION; WAIVER OF OBJECTION TO VENUE; SERVICE OF PROCESS.

(a) THIS AGREEMENT SHALL, IN ACCORDANCE WITH § 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK, BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. THE BUYER, EACH ORIGINATOR, AND THE COLLECTION AGENT EACH HEREBY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS OF THE UNITED STATES AND THE NON-EXCLUSIVE JURISDICTION OF THE STATE AND FEDERAL COURTS SITTING IN NEW YORK COUNTY, NEW YORK IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER ORIGINATOR DOCUMENT, ANY OTHER DOCUMENT DELIVERED PURSUANT HERETO OR THERETO, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. EACH OF THE PARTIES HERETO HEREBY WAIVES ANY OBJECTION BASED ON FORUM NON CONVENIENS, THE MAINTENANCE OF ANY SUCH ACTION OR PROCEEDING AND CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT.

(b) Each party hereto agrees that service of process may be effected by mailing a copy thereof by registered or certified mail, postage prepaid, to it at its address specified in Section 9.02. Nothing in this Section 9.07 shall affect the right of any party to serve legal process in any other manner permitted by law.

SECTION 9.08. WAIVER OF JURY TRIAL. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE BUYER, EACH ORIGINATOR AND THE COLLECTION AGENT EACH WAIVES ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE, WHETHER SOUNDING IN CONTRACT, TORT, OR OTHERWISE BETWEEN THE PARTIES HERETO ARISING OUT OF, CONNECTED WITH, RELATED TO, OR INCIDENTAL TO THE RELATIONSHIP BETWEEN ANY OF THEM IN CONNECTION WITH THIS AGREEMENT, ANY OTHER ORIGINATOR DOCUMENT, ANY OTHER DOCUMENT DELIVERED PURSUANT HERETO OR THERETO, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY. INSTEAD, ANY SUCH DISPUTE RESOLVED IN COURT WILL BE RESOLVED IN A BENCH TRIAL WITHOUT A JURY.

SECTION 9.09. Costs, Expenses and Taxes. In addition to the rights of indemnification granted to the Buyer and the other Indemnified Parties under Article VIII hereof, the Originators agree, jointly and severally, to pay on demand all reasonable out-of-pocket costs and expenses of the Buyer and its assignee incurred in connection with the preparation, execution, delivery, administration (including periodic auditing permitted hereunder), amendment or modification of, or any waiver or consent issued in connection with, this Agreement and the other documents to be delivered hereunder or in connection herewith, including rating agency fees, auditor fees, the annual servicing report referred to in Section 6.11 and out-of-pocket expenses and the reasonable fees and out-of-pocket expenses of counsel for the Buyer and its assignee with respect thereto, and with respect to advising the Buyer and its assignee as to its rights and remedies under this Agreement and the other documents to be delivered hereunder or in connection herewith, and all costs and expenses, if any (including counsel fees and expenses), incurred by the Buyer and its assignee in connection with the enforcement of this Agreement and the other documents to be delivered hereunder or in connection herewith.

SECTION 9.10. No Proceedings. Each of the Originators, the Collection Agent and the Administrative Agent each hereby agrees that it will not institute against, or join any other Person in instituting against, the Buyer any action, event or proceeding of the type referred to in Section 7.01(f) so long as there shall not have elapsed one year plus one day since the later of (i) the Termination Date and (ii) the date on which all of the Purchased Receivables are either collected in full or become Defaulted Receivables.

SECTION 9.11. Execution in Counterparts; Severability; Integration. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same agreement. In case any

provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. This Agreement, the Contribution Agreement, the Loan Agreement and the other Documents contain the final and complete integration of all prior expressions by the parties hereto with respect to the subject matter hereof and shall constitute the entire agreement among the parties hereto with respect to the subject matter hereof, superseding all prior oral or written understandings.

SECTION 9.12. Confidentiality. Except to the extent otherwise required by Applicable Law, unless the provider thereof shall otherwise consent in writing each of the Originators, the Buyer and the Collection Agent agrees that it shall maintain the confidentiality of (i) the Credit and Collection Policy, and (ii) all other information obtained as a result of being a party hereto, to any related documents or to any of the transactions contemplated hereby or thereby (including the contents of any summary of indicative terms and conditions with respect to such transactions, and the provisions of this Agreement and any of the other Originator Documents) other than information that was available to such Person on a non-confidential basis (“Confidential Information”); *provided, however*, that the Originators and the Collection Agent may disclose any Confidential Information (w) to its and its Affiliates’ officers, directors, employees and agents, including accountants, legal counsel, administration and service providers, and other advisors (it being understood that the persons to whom such disclosure is made will be informed of the confidential nature of such Confidential Information and instructed to keep such Confidential Information confidential), (x) to the extent such disclosure may be required by Applicable Law, or by any court or administrative agency having jurisdiction over any party or as may be requested by any regulatory body, (y) to the extent an Originator, the Buyer or the Collection Agent, as the case may be, consents in writing to the release of Confidential Information relating to it, (z) subject to a written confidentiality agreement having terms substantially similar to this Section 9.11, to any financial institution or other party that extends or is considering the extension of debt or equity financing or swap or derivative arrangement to any Originator or any Affiliate thereof or (aa) as may be required or appropriate in response to a court order or in connection with any litigation; *provided further, however*, that the Originators, the Buyer and the Collection Agent shall have no obligation of confidentiality whatsoever in respect of any information which (i) may be generally available to the public or becomes available to the public other than as a result of a breach of this Section 9.12, (ii) is in the possession of an Originator, the Buyer or the Collection Agent prior to the date hereof and receipt thereof from another party, and is not subject to a confidentiality agreement or legal or regulatory restriction on disclosure or (iii) is independently developed by the Company or the Collection Agent or one or more of their respective representatives without violating the terms of this Section 9.12.

SECTION 9.13. Joint and Several Liability; Designation and Appointment of Authorized Representative.

(a) Joint and Several Liability. Each Originator (other than any Specified Originator) agrees that each reference to “Originators” in this Agreement shall be deemed to refer to each such Originator, jointly and severally with the other Originators. Each Originator (other than any Specified Originator) (i) shall be jointly and severally liable for the obligations,

duties and covenants of each other Originator (other than any Specified Originator) under this Agreement and the acts and omissions of each other Originator (other than any Specified Originator) and (ii) jointly and severally makes each representation and warranty for itself and each other Originator (other than any Specified Originator) under this Agreement. Notwithstanding the foregoing, if, in any action to enforce amounts payable by any Originator (other than any Specified Originator) or any proceeding to allow or adjudicate a claim hereunder, a court of competent jurisdiction determines that enforcement of the joint and several obligations of all of the Originators (other than any Specified Originator) against such Originator (other than any Specified Originator) for the full amount of such liabilities is not lawful under, or would be subject to avoidance under Section 548 of the Bankruptcy Law or any applicable provision of Federal or state law, the liability of such Originator hereunder shall be limited to the maximum amount lawful and not subject to avoidance under such law. For the avoidance of doubt, notwithstanding anything in this Agreement or any other document related hereto to the contrary, in no event shall any Specified Originator have any liability for the actions or inactions of any other Originator.

(b) Appointment of Authorized Representative. Each Originator hereby irrevocably designates and appoints Professional Services as its exclusive representative under this Agreement (the “Authorized Representative”) to deliver and receive all notices on behalf of such Originator and to receive on behalf of such Originator, and distribute, all payments and distributions of Originators in accordance with the respective interests of Originators and to take such other actions as are set forth in this Agreement. Each Originator hereby unconditionally releases the Buyer and its Affiliates with respect to any claims, obligations or duties that such Persons may otherwise have been deemed to possess absent the designation and appointment contained in this Section 9.13(b).

SECTION 9.14. Addition and Removal of Originators.

(a) Additions. Subject to satisfaction of the following conditions set forth below and any other conditions required by the Buyer, upon 30-days’ prior written notice from the Collection Agent or the Authorized Representative, the Buyer hereby agrees to the adding of other Persons designated by the Collection Agent or the Authorized Representative as an additional Originator hereunder (each such event, an “Addition”):

(i) the Buyer, in its sole discretion (and the Administrative Agent, as its assignee under the Assignment of Agreements, in its sole discretion), shall have agreed in writing to such Addition;

(ii) the Termination Date shall have not occurred;

(iii) as of the effective date of such Addition, no Servicer Termination Event or Event of Termination shall be continuing;

(iv) as of the effective date of such Addition, the conditions precedent applicable to such Person proposed as an Originator as set forth Article III shall have been fulfilled;

(v) as of the effective date of such Addition, the representations and warranties set forth in Article IV applicable to such Person proposed as an Originator shall be true and correct;

(vi) such Person proposed as an Originator shall execute such agreements, instruments and documents (and issue such authorizations) as the Buyer may reasonably request, in each case, in form and substance satisfactory to the Buyer (and the Administrative Agent) to effectuate the Addition, including (x) a joinder agreement to this Agreement whereby such Person agrees to be bound by the terms of this Agreement, and (y) financing statements covering the Receivables;

(vii) the Administrative Agent shall have received such opinions of counsel (which may include corporate opinions from jurisdictions previously not required by the Administrative Agent) as it may reasonably request; and

(viii) the Buyer shall have been provided with such information (whether financial or otherwise), documents or opinions as they may reasonably request.

Upon the effectiveness of any Addition, Schedule I shall be deemed amended to add the name of the applicable Person.

(b) Removals. Subject to satisfaction of the conditions set forth below and any other conditions required by the Buyer, upon 30-days' prior written request of the Collection Agent, the Buyer hereby agrees to the removal of any Originator designated by the Collection Agent (each such event, a "Removal"):

(i) no Termination or Event of Termination shall have occurred and be continuing, or shall result from, or reasonably be expected to result from, such Removal or the Related Removals;

(ii) the Buyer shall have received a Monthly Report calculated on a pro forma basis (after giving effect to such Removal and all Related Removals), which pro forma Monthly Report shall demonstrate compliance with all covenants hereunder and under the Loan Agreement, including the ratios set forth in Sections 7.01(h) and (i) of the Loan Agreement;

(iii) as of the last day of the Collection Period most recently ended prior to such Removal, the average Net Receivables Balance of all Receivables of the Originator(s) subject to such Removal and all Related Removals over the prior 3 Collection Periods shall not be greater than (a) if such Removal and all Related Removals are effectuated at any time during the 2017 calendar year, 15% of the average Net Receivables Balance of Receivables of all Originators during the Collection Period 3 months prior to such Collection Period and the two prior Collection Periods or (b) if such Removal and all Related Removals are effectuated at any other time, 7.5% of the average Net Receivables Balance of Receivables of all Originators during the Collection Period 3 months prior to such Collection Period and the two prior Collection Periods; *provided, however*, that the Removals of the Originators listed on Schedule VII hereto shall not be subject to this clause (iii) if the Net Receivables Balance of Receivables of (a) all existing

Originators that are not listed on Schedule VII hereto and (b) all new Originators to be added via an Addition concurrently with such Removals, as demonstrated on a Monthly Report calculated on a pro forma basis (after giving effect to all such Additions and Removals), is equal to or greater than the Net Receivables Balance of Receivables of the Originators party hereto immediately prior to effecting such Additions and Removals, as demonstrated on a Monthly Report calculated as of the same date (before giving effect to all such Additions and Removals);

(iv) such Originator shall execute such agreements, instruments and documents as the Buyer and the Administrative Agent may reasonably request, in form and substance satisfactory to the Buyer and the Administrative Agent to effectuate the requested Removal, including an amendment to this Agreement effectuating such Removal;

(v) the Buyer shall have received all Collections pertaining to Purchased Receivables (that have not become Defaulted Receivables) and all Noncomplying Receivables Adjustments, in each case, attributable to the Originator subject to the requested Removal; and

(vi) if such Removal is requested or to be effected during the Temporary Trigger Relief Period (as defined in the Loan Agreement), the DSO (as defined in the Loan Agreement) reported on the most recently delivered Monthly Report shall not exceed 75 days; *provided that*, if no Monthly Report was delivered on the most recent Monthly Report Due Date, the DSO shall be deemed to exceed 75 days.

Upon the effectiveness of any Removal, Schedule I hereto shall be deemed amended to delete the name of the applicable Person. Authorized Representative shall promptly notify the Collection Agent of any Addition or Removal hereunder.

(c) Survival of Terms. Notwithstanding any Removal of a Person as an Originator in accordance with the terms hereof, the provisions of Article VIII (and the representations and warranties with respect thereto) shall, with respect to such Person, survive such Removal for all claims arising prior to such Removal.

SECTION 9.15. Waiver of Consequential Damages. (a) Each of the Originators and the Collection Agent agrees that no Indemnified Party shall have any liability to them or any of their equity holders or creditors in connection with this Agreement, the other Facility Documents or the transactions contemplated thereby on any theory of liability for any special, indirect, consequential or punitive damages (including any loss of profits, business or anticipated savings), and hereby waives any such claim.

(b) The Buyer agrees that none of the Originators, the Collection Agent or their respective Affiliates shall have any liability to it or any of its equity holders or creditors in connection with this Agreement, the other Facility Documents or the transactions contemplated thereby on any theory of liability for any special, indirect, consequential or punitive damages (including any loss of profits, business or anticipated savings), and hereby waives any such claim.

(c) The provisions of this Section 9.15 shall survive the termination of this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.
