Explanation of Responses:

1. Each performance based restricted share represents a contingent right to receive one share of CYH common stock. The lapsing of the restrictions is dependent on the Company meeting certain cost savings ("synergies") from the Health Management Associates, Inc. merger transaction. The award was granted on 3/01/14. The performance target on the remaining portion of the award may be met in whole or in part in the second year following the grant. There is also a time vesting element to the maximum targets of the award. If the objectives are not met, the shares will be forfeited.
